Wall of Support

The Calamus-Wheatland Foundation Committee would like to remind you of the opportunity to buy a brick for the "Wall of Support." For a cost of \$250 you can have a brick engraved and placed either at the Calamus Attendance Center or the Wheatland Attendance Center. The Calamus-Wheatland Foundation Committee will use the funds from this project to enhance the education experiences of the Calamus-Wheatland students.

The "Wall of Support" is built inside the main entrance of the elementary and high school buildings and will be visible for everyone to see. Each individual, group, or family contributing \$250 or more will have a brick with a designated name etched on it. You may purchase one brick for every \$250 contributed.
