Dear Ms. Burback,

The Title I Schoolwide Plan for the Emerson-Hubbard Elementary building has been peer reviewed and was previously returned. During the review process, one or more pieces of evidence for the required components of a schoolwide plan were not found or were unclear. The evidence submitted to complete the schoolwide plan for this building has been received and reviewed. All items are now complete and no further data needs to be submitted.

Emerson-Hubbard Elementary School may continue operating as a schoolwide program during the 2019-20 school year.

REMINDER: In accordance with ESSA law the approved Title I Schoolwide Plan (template) will need to be made available to the parents and patrons of your district for the 2019-20 school year. Posting this plan on your district website will meet this requirement.

If you have any questions, please contact me by email at [karen.hardin@nebraska.gov](mailto:karen.hardin@nebraska.gov) or phone at 402-471-2968.

Sincerely,
