otolaryngologist Sanford Timen, MD, who treats patients at Cleveland Clinic Beachwood Family Health Center.

Typically performed on an outpatient basis under general anesthesia, complications from tonsillectomy are rare. However, the procedure and recovery can be more difficult for adults.

"In kids, the tonsils are mostly in the throat, but in adults, they've become recessed into tissue and are harder to

Our tonsils are located at the back of the throat and serve as part of our immune system. However, removing them doesn't increase your risk for infection.

"Tonsillectomy, or surgery to remove the tonsils, is one of the most common pediatric surgeries. It's also performed on adults who suffer from recurring throat infections or have difficulty breathing during sleep," says

access," says Dr. Timen. "In addition, adults prone to tonsil inflammation tend to have many more years of infection than children. That can cause scarring, which makes the tonsils more difficult to remove."

So when is it time to consider surgery? Experts say if you're missing work for days at a time, you should have your tonsils checked. And if you get really sick a few times each year – to the point you cannot swallow and are missing several days of work each time – then surgery may make sense.

"It's not a fun operation, and people can experience more soreness than they expected," says Dr. Timen. "When I decide whether or not to recommend surgery, I base the decision on intensity and frequency of symptoms and their impact on daily life."

# Dear Neighbors

Mayor  
Patrick A. Ward

The sights and smells of spring are back with signs of new life all around; trees are budding, grass is growing (not too high) – you get the picture. When we talk with residents there is an air of optimism as all look forward to breaking the pandemic's stranglehold on our daily lives. For the most part I believe we have managed well but there remain many unknowns that could impact us.

The image on this issue's cover and the accompanying tag-line indicate how, like kites, we can rise higher in the face of adversity. Events of the past two years have tested our resolve and resilience causing many to quickly reinvent how things are done. There are businesses that could not survive the many challenges but for those who have there is greater purpose for the owners, their employees and the community; it is an obligation to carry on, to fill the gaps and to provide that product or service to the community.

Our City Council and my Administration have spent the past few months preparing, as is done each year, the annual budget and a vision for the

programs that serve you. The attention is always on what provides those best programs and those best services possible for our residents and community. I want you to know how very lucky we are to have people serving us who can maintain a selfless focus – we are a bit unique in that regard.

I am looking forward to our upcoming Mayor's Young at Heart, our summer concerts and other events – which you will find listed on the calendar in this issue. We have a nice line-up of entertainers for the concerts and encourage all to bring a picnic dinner or snacks, perhaps some wine or craft brew, and we'll provide the ice cream dessert!

As always it is our privilege to be of service to you and our community.

Sincerely,

**Patrick A. Ward**

## Let's Talk Trash!

### HOLIDAYS

On the following observed Holidays there will be NO Rubbish or Recycling pick-up:

- Memorial Day – May 30
- Independence Day – July 4

If your collection day falls on one of these your pick-up will be the next day.

Please have your trash and recycling out by 7 a.m. trash day. Containers must be removed the same day!

### YARD WASTE

All grass clippings, hedge trimmings and garden plants must be placed in paper Yard Waste bags or designated containers. Yard Waste in plastic bags WILL NOT BE COLLECTED!

### WEEKEND RUBBISH

Beginning Saturday April 2 (closed Easter, April 17) rubbish and yard debris may be dropped off at the Lyndhurst Service Garage on Saturdays and Sundays from 11:30 a.m. to 3:30 p.m. This service is for RESIDENTS ONLY – proof of residency is required.

### PAPER SHREDDING

## Lyndhurst Community Center

Our Lyndhurst Community Center has wonderful spaces available to rent for private events hosted by our residents.

There are rooms available to accommodate events large or small as well as a complete kitchen facility.

The Center can be toured, by appointment only,

to assist in that event planning. Call 440.449.5011 to schedule a tour.

We do collect old cell phones (iPods – iPads – MP3 players and digital cameras) which are recycled for donation to the American Cancer Society.

## Annual Hydrant Program

**W**ith the onset of spring, the Lyndhurst Fire Department will be starting its annual hydrant program. Our hydrant painter will be starting her work in May with initial priority on the any new hydrants. Then she will tackle any hydrants identified during our annual hydrant maintenance and flushing program that are in most need of attention across the city. Generally, our program ends when the school year begins but our painter this year will continue the process into the fall to get as many hydrants completed prior to the weather turning.

We do want to provide this friendly reminder that all open burning requires a permit and approval from the fire department. Construction materials, yard waste, including fallen leaves are not permitted to be burned at any time. Outdoor recreational fires must be in an approved fire pit or container with smoke not creating a nuisance or it may be required

to be extinguished. Please be considerate of your neighbors that may have respiratory concerns that may be impacted by smoke from any open burning.

The Cleveland Metro Parks will be conducting a controlled burn on the Acacia Reservation Property to control invasive plant species and to control undergrowth on the property. This is a very limited burn area with Metro Parks Rangers on site the entire time and Lyndhurst Fire Department personnel on call or on site for support if needed. The controlled burn is limited to a small area of the park that has the most concerns identified by the Metro Parks.

Lastly, with the major decrease in COVID cases in the County, the fire department is now open for tours of the new fire station which can be scheduled by contacting the fire department non-emergency number at (440) 473-5139.

### **Fireworks Legislation Update – House Bill (HB) 172**

The Ohio General Assembly recently enacted House Bill (HB) 172 allowing individuals to discharge, ignite or explode consumer-grade fireworks on private property on certain days throughout the year. The bill, which has also been signed by Governor DeWine, goes into effect July 1, 2022. A provision of HB 172 allows for municipalities to opt-out of the bill, and ban the discharge, ignition and explosion of fireworks that otherwise may be permitted pursuant to HB 172.

The Lyndhurst City Council has determined that it is in the best interest of the City to continue to ban the discharge, ignition, and explosion of fireworks – now allowed by HB 172 – as currently outlined in the Lyndhurst Codified Ordinances. With the passage of Resolution 2022-22, the discharge, ignition or explosion of fireworks otherwise permitted by HB 172 is banned within the City of Lyndhurst. The passage of this resolution has been supported by both the Lyndhurst Police and Fire Departments in order to ensure that Lyndhurst remains a safe community.

We have an obligation to protect our residents and visitors from irresponsible fireworks handling and discharge. Maintaining the existing legislation surrounding fireworks still allows the police department to respond appropriately and enforce problem situations as necessary.

### **Comings and Goings**

#### ***Comings...***

The Lyndhurst Police Department welcomed a new Patrol Officer to our law enforcement family. Victor Lewis was officially sworn in by Mayor Ward on Monday, January 24, 2022. Victor grew up in Highland Hts. – where he currently resides - and is a 2004 graduate of Mayfield High School. Victor graduated from the Cleveland Hts. Police Academy in 2011, and was a Cleveland Hts. Police Officer prior to joining our ranks. Prior to leaving Cleveland Hts. PD, he was promoted from Basic Patrol Officer (BPO) to Patrol Officer (PO). In his spare time he likes to spend time with his family and play golf. Victor's uncle was a police officer in Mayfield Hts!

I look forward to watching Victor's development as a Lyndhurst Police Officer, and know that he will be an asset to the Community that he serves. Please join me in congratulating and welcoming him to the City and if you happen to see him around town, say hello!

#### ***Goings...***

Congratulations to Sgt. Mark McConville, who retired from the Lyndhurst Police Department

following his last tour of duty on Saturday, April 2, 2022. His retirement comes on the heels of 30 plus years of dedicated service to the City of Lyndhurst.

Sgt. McConville was hired by the City of Lyndhurst on April 15, 1991. He subsequently attended the Ohio State Highway Patrol Academy, graduating in July of 1991. Mark was promoted to Sergeant in 1998. In March of 2007, he graduated from the Police Executive and Administrative Leadership School, an executive level police management training program.

During the course of his career, Mark served as a member of LPD's police bicycle unit and has been the department's training coordinator for many years. He played an integral role in developing the department's digital payroll program, allowing for more efficient and accurate accounting for payroll. Additionally, as training coordinator, he was responsible for overseeing and tracking the annual training and education requirements for our officers. Mark was a Microsoft Excel and form "wizard," creating departmental spreadsheets and forms that improved consistency and efficiency when it came to the mountain of paperwork that comes with the job. I know, it doesn't sound very exciting. However, if you were on the receiving end of one of his products, you were very thankful...and so was the department! Mark was a regular participant in the Law Enforcement Torch Run for Special Olympics.

Mark has numerous commendations in his file, including awards for life-saving measures, felony drug/robbery/theft arrests, a high profile arrest and conviction of armed robbery/home invasion suspects in 2014. As a Patrol Officer, Mark received numerous awards from Mothers Against Drunk Driving for several years running due to his aggressive enforcement of people operating a vehicle while impaired. Additionally, Mark was instrumental in a 290 lb. drug seizure and arrest of two drug dealers...the department's largest! His file contains numerous letters of appreciation documenting his professionalism, kindness and compassion.

Mark, we thank you for your service. Congratulations and well wishes!

### **Aggressive Driving**

With the arrival of spring and the warmer weather, we have undoubtedly seen an increase in motorcycle, bicycle and pedestrian traffic. All things we haven't seen over the long, cold winter months. It is imperative that with this increase in other types of "traffic," that WE as drivers, pay attention to our driving

habits to allow for the safe movement of all who use our roadways.

Aggressive driving is a threat to all – motorists, bicyclists and pedestrians. What is aggressive driving? It includes speeding, running red or yellow lights, frequent and unnecessary lane changes and following too closely or “tailgating.” These behaviors can lead to crashes, road rage or both. The National Highway Traffic Safety Administration defines aggressive driving as occurring when “an individual commits a combination of moving traffic offenses so as to endanger other persons or property.”

It is fair to say that the majority of motorists agree that aggressive driving has become a serious problem on our roads, but many do not identify their own behaviors as aggressive. We all have a responsibility to those we share the road with. Driving should be cooperative, not competitive!

### Are you an aggressive driver? You may be if you...

- Exceed the posted speed limit
- Follow too closely
- Pass on the berm
- Cut in and out of traffic
- Fail to signal multiple lane changes
- Violate posted railroad crossing signs
- Pass a stopped school bus

- Display or use a weapon while driving
- Carelessly drive through construction zones
- Fail to yield at ramps and intersections
- Use more than one parking space

### Ways to reduce your own aggressive driving tendencies:

- Keep your emotions in check. Don't take your frustrations out on other drivers.
- Plan ahead and allow enough time for delays. Observe the speed limit.
- Focus on your own driving. Yelling, pounding on the steering wheel and honking your horn won't make traffic move any faster.

### What to do if you encounter an aggressive driver:

- Do not react to their provoking behavior
- Stay away from erratic drivers
- Use your horn sparingly
- Do not make obscene gestures
- Do not switch lanes without signaling
- Do not tailgate
- Do not block the passing lane
- Avoid eye contact with the other driver
- Call 9-1-1 for help if it is safe to do so

# Dear Lyndhurst Community,

Linda N. Reid

## **Elementary Students in the South Euclid Lyndhurst Schools Succeed, Give Back and Demonstrate Great Promise for the Future!**

Feelings of renewal and excitement accompany the onset of spring, and our students and staff continue to succeed and grow. This article for the City of Lyndhurst newsletter focuses on some great accomplishments and activities at Adrian, Rowland and Sunview Elementary Schools. The youngest students in our district create

the foundation for future success. We are excited to share how our Arc family is not only a special one but continues its pursuit of fulfilling the vision to be The Destination School Community.

## **Safe Spaces Positively Impact Elementary Students' Well Being**

The community may have recently seen Rowland Elementary's spotlight on Fox-8 News. Reporter and anchor Jennifer Jordan took the opportunity to interview Rowland Elementary second grade student Josiah Morgan, kindergarten to third grade School Counselor Lisa Artino, and Assistant Principal Sylvia Marshall about the Safe Spaces that have been created in our buildings to have a positive impact on their well-being. As part of the Conscious Discipline program, the SEL Schools recently introduced these Safe Spaces in every kindergarten to third grade classroom where students can follow a 5-step process listed on nearby posters to help them calm down when they are upset, anxious, or feeling other strong emotions. In doing so, students can practice self-regulation by moving from the strong emotional state triggered by the lower part of the brain to being able to problem solve and learn which are controlled by the front part of the brain. All kindergarten to third grade teachers and staff have been trained in utilizing Conscious Discipline and the five steps associated with the Safe Space program. In addition, each

elementary building has its own Safe Space for staff members to utilize to de-stress before going back into the classroom. You can see the full story on the Fox-8 News website, at the following link: <https://fox8.com/news/local-school-district-providing-safe-spaces-for-students-teachers-to-feel-better/>

## **Sunview PTA Helped Celebrate 'Twos-day on 2-22-22 with Meaning and Generosity!**

Students and staff at Sunview Elementary School showed off their creativity and school pride by participating in a special spirit day celebration on "Twos-day," 2-22-22. The school community wore a variety of tiaras, tutus, ties and top hats to celebrate the once-in-a-lifetime palindrome date. The celebration also featured a community service component, as the Sunview PTA promoted the donation of two canned goods. Through the generosity of the Sunview Elementary community, approximately 235 canned goods and 10 non-perishable boxed items were donated! Maleeka Bussey, Family and Community Engagement Coordinator for the SEL Schools is helping to distribute all donated items to a local food pantry.

## **Adrian PTA Promote Love of Literacy... and Reading!**

At Adrian Elementary School, literacy and a love of reading were promoted at the PTA-sponsored Book Fair earlier this spring. Classroom teachers took their students to visit and explore the wide variety of books offered at the Book Fair. From the solar system and animals to hobbies and fiction stories, students were excited for the opportunity to find books that matched their individual interests. Thank you to the PTA and everyone who made this possible!

As you can see, the district's youngest students are learning, succeeding and growing. Please always check our website, for more great news from the South Euclid Lyndhurst Schools.

Legacy Village is excited to partner with The City of Lyndhurst to present Meet the Machines on Sunday, August 7 from 12 p.m. to 4 p.m. This fun event will offer a unique opportunity for children to explore construction, emergency and service vehicles of all makes and sizes in a fun, family-friendly environment with games, safety demos, music and vendors. Meet the Machines is free and open to the public. For more details on the event, visit [Legacy-Village.com](http://Legacy-Village.com).

#### THE NORTH UNION FARMERS MARKET

The North Union Farmers Market is returning to Legacy Village this Summer! The market will kick off on Sunday, June 12 and will run through Sunday,

September 25 from 10 a.m. to 1 p.m. each week. Located in the parking lot by The Capital Grille, local farmers will showcase their fresh grown produce, dairy and meat products, honey and maple syrup- not to mention hidden gems such as delicious breads and pastries, cheeses, jellies, flowers and more!

### LEGACY VILLAGE HOME DISTRICT

Legacy Village is home to the largest collection of home furnishing retailers in the greater Cleveland area, serving as the exclusive location for the only Crate & Barrel, Ethan Allen and Restoration Hardware stores in Northeast Ohio. Arhaus Furniture, Lovesac, Tempur-Pedic and The Contessa Gallery round out an impressive collection, each offering a unique design ascetic, viewpoint, price point and product line. The Legacy Village Home District can truly serve as a one-stop shopping destination for anyone looking to decorate, furnish or simply refresh their home.

## ***Beautiful Homes make for a Beautiful Lyndhurst!***

It is time for inspectors to hit the streets again for grass cutting and other property maintenance issues. It is also time for the annual Exterior Housing Inspection program.

The goal is to visit every street in the City once every five years for a more detailed inspection of homes. These are the streets that will be inspected this year:

BEACONFIELD ROAD	BLANCHESTER ROAD	BRAINARD ROAD (N. OF MAYFIELD)
CHURCHILL ROAD	CROYDEN ROAD	DORSET ROAD
FORD ROAD	GORDON ROAD	HANSFORD ROAD
HAVERSTON ROAD	IRENE ROAD	MAYFIELD ROAD
RAE ROAD	RIDGEBURY (E. OF IRENE)	SHELDON ROAD
SUNVIEW ROAD (N. OF MAYFIELD)		

Some of the items that will be inspected are:

- Roofs
- Chimney
- Gutters/Downspouts
- Foundations
- Paint/Siding
- Walls/Porches/Doors/Steps
- Garage
- Fences
- Property Address Posted
- Yard Area
- Driveways/Aprons
- Sidewalks (see below)

## **The listing of streets as well as our Housing Department's Inspection Guidelines will be posted on the City's website [www.lyndhurst-oh.com](http://www.lyndhurst-oh.com)**

The City's Sidewalk program will focus on the following streets:

ABIGAIL DRIVE	ASHWOOD DRIVE	CASE AVENUE
GRAHAM ROAD	HICKORY DRIVE	LEDGEWOOD TRAIL
LINDEN LANE	LYND AVENUE	PINEWOOD CIRCLE
RIDGEBURY BL. (E. OF IRENE)		ROLAND ROAD
WINDING CREEK LANE		

# Properties of Distinction

**W**e appreciate the cooperation of all our homeowners who take pride in calling Lyndhurst home! The next issue of Lyndhurst Life Magazine will feature photos of homes that have been exceptionally maintained and awarded "Properties of Distinction" in the City. Four homes (one in each quadrant of the City) are recognized in the months of June, July and August. **To recommend a neighbor's property please email your Councilman or Mayor Ward.**

## Fighting the Scammers!

**T**he weekly Police Blotter routinely reports people falling victim to scammers who use threats or coercion to steal from our residents.

### **DO NOT FALL VICTIM TO THESE CRIMINALS!**

Impostor scams are among the fastest-growing scams in the country. In these scams, con artists pretend to be IRS agents, debt collectors, police or even grandchildren of their intended victims. These convincing scams have cost victims thousands of dollars apiece.

Over the last year, scammers have begun asking victims to pay them with iTunes gift cards. No legitimate government agency, no utility or legitimate business accepts payment in iTunes or other brand gift cards.

Scammers have also claimed to be holding a grandchild or other family member hostage or claiming they were involved in an accident needing cash fast to avoid harm.

Or they will send a check for an amount larger than expected and request you deposit it and wire

them the difference but the check they sent you turns out to be a bad check and you end up out that money you wired.

### **DO NOT BE FOOLED!**

Or you receive an email that you were not expecting and it asks to you click a link or an attachment or respond – **ANY OF THOSE ACTIONS CAN PUT YOUR IDENTITY AND YOUR COMPUTER AT RISK.**

### **DO NOT SHARE YOUR INFORMATION WITH ANYONE YOU DO NOT KNOW!**

The Cuyahoga County Consumer Affairs Office has a detailed list of common scams on their website Scams - Cuyahoga County Department of Consumer Affairs or by calling (216) 443-7035.

A quick call to our Lyndhurst Police non-emergency number (440) 473-5116 can calm your fears and save you thousands of dollars!

### **Part-Time Position Available**

The City of Lyndhurst has a Part-Time position available for a Community Center Attendant to assist with parties and events at the Center. Responsibilities include, answering telephones, assisting with direction at the beginning and end of functions with some light vacuuming and cleaning required.

Flexible schedule will average 8 to 15 evening and/or weekend hours which will vary depending upon rental schedule but generally includes at least one weekend shift.

Specific duties and pay will be discussed at time of personal interview.

Information and application can be found on the City website [www.lyndhurst-oh.com/applications.html](http://www.lyndhurst-oh.com/applications.html) or by contacting the Center's Director, Melissa Weldon at [weldonm@lyndhurst-oh.com](mailto:weldonm@lyndhurst-oh.com) by telephone at (440) 449-5011 or by mail to Lyndhurst Community Center, 1341 Parkview Drive, Lyndhurst, Ohio 44124

# Community Partnership on Aging

Every May, the Administration for Community Living leads the nation's observance of Older Americans Month. The 2022 theme is **Age My Way**, an opportunity for all of us to explore the many ways older adults can remain in and be involved with their communities. Older adults play vital, positive roles in our communities – as family members, friends, mentors, volunteers, civic leaders, members of the workforce and more. Just as every person is unique, so too is how they age and how they choose to do it – and there is no “right” way.

While **Age My Way** will look different for each person, here are common things everyone can consider:

- **Planning:** Think about what you will need and want in the future, from home and community-based services to community activities that interest you.
- **Engagement:** Remain involved and contribute to your community through work, volunteer and/or civic participation opportunities. CPA has many opportunities for you – we would love to see you join our volunteer corps. Please give Lauren a call at 216-291-3903 and she will find just the right position for you.
- **Access:** Make home improvements and modifications, use assistive technologies and customize supports to help you better age in place. Did you know Community Partnership on Aging can help with home modifications? Safe At Home facilitates minor home modifications like grab bars and rails, plus our social workers can assess your home for potential fall risks. Call Nancy at 440-442-2628 to learn more.
- **Connection:** Maintain social activities and relationships to combat social isolation and stay connected to your community. And that means joining CPA for community lunches, fun activities (cardio drumming anyone?), thought provoking sessions like writing your memoirs or book club and exercise classes from yoga to line dancing. Call Carolyn at 440-473-5138 to find just the right activity for you (or tell her what you would like to see CPA offer).

This year, CPA is excited to celebrate Older Americans Month with you, our participants, volunteers and partners. We have a wonderful event planned for **May 26** from 3 to 6 p.m. at the Kiwanis Lodge in Richmond Heights. Come drop in for food, entertainment, giveaways, vendors and more to celebrate YOU! Take away box dinners prepared by Chef Mary Beth will be shared with guests aged 60+. We are excited to come together for the first time in two years and look

forward to seeing old and new friends. Keep an eye on our website, [www.communitypartnershiponaging.org](http://www.communitypartnershiponaging.org) or our May newsletter for more information. Did you know you can subscribe to the newsletter by email? Simply sign up on our website (scroll down to CPA Newsletter Locations). See you on the 26th!

### Display your American Flag Properly and with Pride!

It is the universal custom to display the American Flag only from sunrise to sunset on buildings and on stationery flagstaffs in the open. The Flag may be displayed 24 hours a day if properly illuminated during the hours of darkness. When displayed without a flagstaff the stars should be on the upper left.

The American Flag should not be displayed if it is worn or frayed. Any Flag, when it is in such condition that it is no longer a fitting emblem for display, should be destroyed in a dignified way. Please bring any damaged or unusable flags to our City Service Department and they will be delivered to our local V.F.W., Boy Scouts or other agency for proper disposal.

**Remember: Flag Day is June 14!**

**Visit the on-line City Calendar section at [www.lyndhurst-oh.com](http://www.lyndhurst-oh.com) for details on these calendar events and more!**

**Look out for our next issue coming in August 2022!**

*The following story is factually true and accurate. The people mentioned were all real. Ken Cole's airfield was at the northwest section of Ford and Mayfield Roads from 1927 to 1935. His Mayfair Air Service hanger and office were approximately where Blanchester and Sheldon Roads meet. A series of three plane crashes caused Ken Cole to close his business and move to California, to join its fledgling airplane industry. This is the story of the second plane crash.*

*-Thomas S. Treer, Brush '65, Lyndhurst Historian*

## Roy Spencer at the Aircrash of 1932

"Hey Harry, wanna' walk down Spencer and Irene roads and go see Art Siebold and his flying buddies do some flour sack bombing? They're trying to hit targets on the ground?"

"Sure Roy, I can't believe what a beautiful day it is. It's been a long week and I could use a break. Let's do it!"

"Man-O-live Harry, lotta' houses went in on Spencer since they paved it. The creeks runnin' high after all the rain lately, too. Boy, remember how muddy Irene road was? Hugh Sunderland used to wish they would pave it, and they finally got it done!"

"There's Cole Airfield and I think I see Mike Isabella takin' off in Art Siebold's American Eagle Bi-plane. Nice take off for a guy who's crashed so many times! Harry...did you hear that engine miss? Omigawsh, it did and he's goin' down. He might make it to Ford road. C'mon, let's run!"

"He did it, he got it down safe in the field east of Ford. Hey, Mike, you O.K.?"

"Yeah, sure Roy. I think the dumb fuel line clogged again! Shoot, just my luck! I'm going to check it out and get back to the hanger. If I wreck Art and Fred Kinstler's plane, they'll kill me, if the crash doesn't!"

"C'mon Harry, let's go back to the hanger and look at the other planes. The Fairchild Monoplane, that the Cole family uses for aerial photos, is there. They flew over Homedays last year and dropped treats and prizes for the kids!"

"Listen, is that Mike firin' up the American Eagle again? Guess he's got that fuel line unclogged. There he goes! He's up...oh man...not enough, he's gonna' clip those trees with his wheels. He hit...he's down and he's gotta' be dead! The plane's a total wreck but at least there's no fire! He's musta' killed the engine, just before he hit! MIKE...MIKE...you alive?"

"Barely, help me out of here. Oh man, Art and Fred are going to kill me for sure! Their pride and joy is a total wreck. Oh no, here come all the neighbors who live around here. I hope the Mayor doesn't show up. Or worse, the newspaper guys and photographers!"

"Well Harry, Mike's alive and I'm starved. Let's head for home. I reckon that between this crash and the talk of Mr. Cole movin' out west, the airfield's days are about over. Too bad, I'll miss it when it's gone!"

## ***The Destination School Community***

**Elementary Students in the South Euclid Lyndhurst Schools  
are Learning, Growing, and Experiencing Success in their  
Academic, Social, and Emotional Activities**

*Recently, students at Rowland Elementary School participated in a read-to-self activity to promote literacy!*

*Fox-8 News visited Rowland Elementary to share the concept of Safe Spaces in every K-3 classroom where students can follow a 5-step process listed on nearby posters to help them calm down when they are upset, anxious, or feeling other strong emotions.*

*Sunview students are always up for a challenge, and recently, our elementary students helped those in need, in our community with a canned food drive that generated hundreds of non-perishable items.*

**South Euclid  
Lyndhurst Schools**

*From the solar system and animals to hobbies and fiction stories, a special thank you to the Adrian PTA for providing students a chance to expand their interest in reading and grow as learners!*

*Sunview Elementary students are using creativity, critical thinking, and problem-solving skills in STEM classes!*

*At Adrian, a PTA sponsored book fair exposed students to hundreds of reading resources.*
