Dear Friends,

Mayor
Patrick A. Ward

Photo / Jonathan Koslen
Photography

“Back to School Sales” mean two things to me: the impending end to summer fun but the promise of our wonderful Home Day weekend and other fall activities. As much as I look forward to the Home Day weekend, I think I would like just a little more pool time yet time marches on. As of this writing, we have enjoyed a wonderful summer thanks, in part, to our staff who make sure our facilities run well, assuring all visitors are

having fun but safely. The great people who work for us make my job easier and we receive many compliments.

Some grant-funded improvements have been completed at the Lyndhurst playground and Brainard Park which are being enjoyed by many residents and visitors daily. Without the support of our County Councilwoman, Sunny Simon, our State Sen. Matt Dolan and our State Rep. Elliot Forhan these would not be possible. We are grateful for the time they spend advocating for all their communities - especially Lyndhurst!

We enjoyed another epic National Night Out Event with so many law enforcement and other partner

agencies participating. Hundreds and hundreds of our residents having a great time is what we love, and I am so grateful to our Council, my team and all of our employees for making these events happen!

On the safety and security front allow me to ask, one more time ... **PLEASE LOCK YOUR CAR DOORS**, even in your driveway. **KEEP VALUABLES OUT OF VIEW** and, most importantly, **DO NOT LEAVE YOUR KEYS OR KEY FOBs** in your car - **ever!** When we do not use common sense and protect ourselves it provides opportunities for criminals and their success stealing from you is an invitation to come back to steal from others. It is really that simple, so we all have a responsibility to protect ourselves and each other!

Please also remember that our children will be going back to school so pay closer attention to your speed, stop signs, school zones and buses.

I am looking forward to a great Home Day weekend. You will find a full line-up of entertainment featured in this issue of *Lyndhurst Life Magazine*! I hope to see you there!

Sincerely,

Patrick A. Ward

Mayor

FIRE SAFETY CHECKS

The Fire Department offers free Home Fire Safety inspections.

To make an appointment, please call 440.473.5139

GRASS ORDINANCE

Grass may not be taller than 6 inches by City Ordinance. Tall grass and/or weeds spreading seeds are declared a nuisance.

HOUSE NUMBERS

Addresses must be clearly visible from the street.

NOISE

Lyndhurst Ordinances prohibit noise that disturbs the peace. Noise complaints are given greater consideration before 7 a.m. and after 9 p.m.

PARKING BAN

No parking is permitted on City streets between the hours of 2 a.m. and 6 a.m.

POWER OUTAGES

Please report and outage directly to CEI at 888.544.4877, not to the Police Department or City Hall.

LET'S TALK TRASH!

HOLIDAYS

On the following observed Holidays there will be NO Rubbish or Recycling pick-up: Labor Day - September 4
Thanksgiving Day - Nov. 23

If your collection day falls on one of these your pick-up will be the next day. Please have your rubbish and recycling out by 7 a.m. trash day. Containers must be removed the same day!

YARD WASTE

All grass clippings, hedge trimmings and garden plants must be placed in paper Yard Waste bags or designated containers. Yard Waste in plastic bags WILL NOT BE COLLECTED! *Also see the Leaf Collection notice in this issue!*

WEEKEND RUBBISH

From April until the weekend of November 18 and 19.

Rubbish and yard debris may be dropped off at the Lyndhurst Service Garage on Saturdays and Sundays from 11:30 a.m. to 3:30 p.m.

This service is for RESIDENTS ONLY - proof of residency is required.

PAPER SHREDDING

The Fall Shredding Day will be Saturday, October 21 from 11:30 a.m. to 3:30 p.m. in the City Hall Parking Lot. FOOD DONATIONS WILL BE COLLECTED AT THIS EVENT

COMPUTER RECYCLING

Place your old Computer or other peripherals next to your recycling container on collection day to be picked up and recycled or bring to the Service Department Monday to Friday from 7:30 a.m. to 3 p.m. or to weekend collection.

Lyndhurst Community Center

Our Lyndhurst Community Center is available for use by community organizations, businesses with their principal base in Lyndhurst and for our residents for private events. There are six rooms available to accommodate events large or small.

If you have not yet visited our Community Center, please stop by for a tour (appointments preferred at 440.449.5011). Our regular hours are Monday to Friday 9 a.m. to 4:30 p.m.

We do collect old cell phones (iPods-iPads-MP3 players and digital cameras, too) to be recycled for donation to the American Cancer Society.

From the Fire House

Each year, our staff visits the over 800 fire hydrants in the City to assure every fire hydrant functions properly and to complete routine maintenance. Our maintenance program meets the specifications of the American Water Works, Cleveland Water and the Insurance Services Organization (ISO) standards. Hydrants found damaged or out of service are reported to Cleveland Water for repair or replacement.

Once again, during Lyndhurst Home Day, the

Lyndhurst Firefighters Local 1676 will be staffing the Beer Tent in the park during the entirety of the festival. Partial proceeds support various charities including Aluminum Cans for Burned Children (www.acbcoho.org) and Olivia's Dream (www.oliviasdream.org). Please stop by the tent and meet your local firefighters and support the local charities!

Lastly, a friendly reminder and some cautions, as the evenings become cooler, that:

1. All open burning requires a permit and approval from the Fire Department.
2. Yard waste, including fallen leaves are not permitted to be burned at any time.
3. Outdoor recreational fires must be in an approved fire pit or container with smoke not creating a nuisance.

Also be sure to get your wood-burning fireplace cleaned and inspected prior to use by a certified chimney service company. Be sure to dispose of any ashes in a lidded metal container located outside and at least 5 feet away from your home or garage.

From the desk of Patrick A. Rhode, Chief of Police

Recently, Lyndhurst Police Sgts. Tim Eliopoulos and Joe Romano successfully completed North Coast Polytechnic Institute's **Police Executive and Administrative Leadership School (PEALS)**. PEALS is a three-week police management training program designed to enhance the operational and conceptual leadership skills of current and future leaders within the law enforcement community. Their successful completion of this program is part of an ongoing process within our agency to assure first-line and mid-level supervisors have access to high quality training. Sgt. Romano was promoted to Patrol Sergeant in September 2021 and Sgt. Eliopoulos was promoted to Patrol Sergeant in April 2022.

During the three-week course of study, Sgts. Eliopoulos and Romano studied topics such as human resource management, labor relations, discipline, contract negotiations, administrative investigations, community policing, core values, training and organizational viability, CALEA, personal financial planning, civil liability, administrative law issues, law enforcement in the 21st Century, managing change in organizations, strategic vision and planning, leadership and ethics, search and seizure, professional stops, racial profiling, and managing and motivating a diverse employee population. The training program is designed to combine substantive lecture presentations with practical synergistic exercises and problem-solving project work so that students are better equipped to confront the present and future issues critical to law enforcement managers and executives. An extensive amount of material was covered!

I am proud to announce that both Sgt. Eliopoulos and Sgt. Romano both attained accumulative grade averages of well over 90% during their course of study. Their successful completion of this program clearly demonstrates their commitment to our Community and their profession that will only benefit the Lyndhurst Police Department and all we serve. We look forward to seeing the continued contributions both sergeants will make to further LPD's vision and mission in service to the community. I know they will approach every situation equipped with new tools in their toolbox.

***Congratulations to both
on a job well done!***

Protect Your Mail

Mail thieves have been extremely busy as of late. There has been a surge in postal thefts, from collection boxes - not only nationally and regionally, but locally as well. The vast majority of letters and packages reach their intended destination intact, but there are thieves targeting our mail. There are extra steps you can take to ensure your mail arrives safely at its destination.

Follow and share these tips to help protect yourself and others against mail and package theft:

- Use the letter slots inside the post office for your mail or hand it to a letter carrier.
- Empty your mailbox promptly. Don't leave mail in your mailbox overnight. If you are expecting checks, credit cards, or other negotiable items and will not be at home, ask a trusted friend or neighbor to pick up your mail.
- If you do not receive a check or other valuable mail that you're expecting, contact the issuing agency immediately.
- If you change your address, immediately notify your post office and anyone with whom you do business via the mail.
- Do not send cash in the mail.
- Tell your post office when you will be out of town so they can hold your mail until you return.
- Report all suspected mail theft to a postal inspector.
- Consider starting a neighborhood watch program. By exchanging work and vacation schedules with trusted friends and neighbors, you can watch each other's mailboxes (as well as homes).
- Consult your local postmaster for the most up-to-date regulations on mailboxes, including the availability of locked centralized or curbside mailboxes.
- Sign up for "Informed Delivery" at www.USPS.com. This is a great service that provides daily email notifications of incoming mail and packages.

If you believe you see a mail thief at work, or believe your mail was stolen, call Police immediately, and then call Postal Inspectors at 1.877.876.2455. Visit the U.S. Postal Inspection Service on the web at www.uspis.gov.

***We do hope to see you at this year's
Home Day weekend! Please stop by the
Police Department Booth to meet some of
the men and women who protect our
Lyndhurst Community every day.***

The Next Generation In Flooring

Meet Tyler, Nate, Matt, Ryan and Spencer, the third generation of Marshall Flooring, with their father Marc. They are continuing this family-owned business and the legacy of their grandfather, Marshall, who opened the store in 1966. They've also updated the brand from Marshall Carpet One & Rug Gallery to Marshall Flooring which better reflects the area's most comprehensive selection of carpet, hardwood, luxury vinyl, rugs and more. Dear City of Lyndhurst Supporters,

Linda N. Reid

The South Euclid Lyndhurst Schools looks back fondly on the close of last school year with pride and excellence, and eagerly anticipates the upcoming 2023-2024 school year. For this edition of the Lyndhurst newsletter, we will share a brief look-back on some of the milestones which took place during the last few weeks of the school year, summer accomplishments, and a look ahead to the coming year. As always, the SEL Schools thanks Mayor Patrick A. Ward, members of City Council,

and the entire Lyndhurst team for providing an enthusiastic community-based climate, where families, businesses, and stakeholders strive for success.

Congratulations Charles F. Brush Class of 2023!

On behalf of everyone in the SEL Schools, please join me in formally congratulating the members of the Charles F. Brush High School Class of 2023, who were celebrated during the annual Commencement Ceremony held in the Welser Gym on Tuesday, May 30. Parents and families joined members of the Brush administration and faculty, SEL Schools Board of Education members and district administration to celebrate the accomplishments of this year's graduating class. Class of 2023 speakers Nevaeh Ammari Varner, Morgan Nichelle Tyus, and Chyana Nihari Summers addressed their fellow graduates with reminders of all the challenges that they have overcome during their time together and to pursue their own unique dreams and goals with persistence. I, along with Principal Mike Fording, and Board of Education President Cassandra M. Jones also delivered inspiring remarks to the new graduates. On behalf of the SEL Schools, congratulations to the Brush High School Class of 2023 and best wishes for continued success in all your future endeavors!

Strategic Plan Update and Community-Forum Takes Place This Past Summer

The summer months also saw the continuation of the most recent review of the district's strategic planning process, with a community review of our update at a forum conducted this past summer. Since the early days of my tenure as Superintendent more than 10 years ago, the importance of thoughtful strategic planning has been of the utmost importance. Back then, a mission, vision, core beliefs, and action-oriented goals were established, and served as the framework for the operations of our school district for the interceding years. Along the way, and during that time, several community-based reviews and updates have taken place, to demonstrate transparency, collaboration, and to underscore the value of stakeholder participation in the process. An update to our latest strategic plan will be given this fall.

SEL Schools Enhancing Playgrounds at Elementary Buildings

Members of our community will soon begin to see the fruits of planning and preparing for brand new, state-of-the-art, ADA accessible playground equipment at our elementary buildings. Allocating approximately \$140,000 per unit, the playgrounds at Adrian, Rowland, and Sunview will be systematically replaced with new, innovative apparatuses, which help to stimulate the play-to-learn concept of education during recess. Our PTAs have also played a considerable role helping to raise supplemental funds for these playgrounds, and the SEL Schools is excited to be making the approximately \$420,000 investment.

The first day of school for students is Friday, August 25th! Thank you in advance for your support as we move into another successful school year!

GO ARCS!

It was “State-of-the-Art” back then...

The original Lyndhurst Pool, built in 1955, stands ready for winter as the park undergoes renovation in 1957. The two original playgrounds, then a rudimentary version, and the pavilion, are hidden in the woods surrounding the area. Lyndhurst Village Hall is at the top left, directly across from Lyndhurst Presbyterian Church. The path through the park covered the Lyndhurst Creek, a branch of the Euclid Creek, where flooding was an occasional problem. Especially bad in the basement jails at the village hall, this became a driving factor to build our new Lyndhurst Municipal Center, which was accomplished in 1974.

Mayor's note: Over the years, as our community has matured, Lyndhurst has seen many additions and improvements to our recreation, our Municipal Center, Safety and Service facilities. Our historian's photograph shows the footprint of our original Lyndhurst Pool and a much more open park without the tennis courts, Community Center, and Service Garage buildings. We have leveraged use of our Lyndhurst Park area to include a beautiful new pool, expanded and improved playground area and newly resurfaced tennis/pickleball courts. We have also improved the use of our Brainard Park facilities by transforming the former pool into a beautiful spray-ground and adding the fitness walk and other amenities. There are options for everyone in our parks!

While enjoying the pool with my Granddaughter, I mentioned to her that I was present at both openings; the original pool (as shown) in 1955, and the present Lyndhurst Pool opening in 2003! It brought to mind this photo, taken September 29, 1957 and one of my personal favorites. Enjoy!

SUPLER OSTEOPRACTIC THERAPY, LLC

"Life is too short to let pain or injury keep you from doing what you love." That is the foundational philosophy at Supler Osteopractic Therapy which is now open at 5412 Mayfield Road (Between Ultra Cleaners and Mama D's Diner). Beginning with an individualized plan of care, tailored to YOUR needs, means there is no "cookie cutter" approach to your care. EVERY session will be 1-on-1 with a highly trained Doctor of Physical Therapy focusing only on you. Dr. Supler specializes in Osteopractic PT, a sub-specialty that deals heavily with pain so he understands how hard it is to be limited by pain, injury or weakness and knows that his unique approach will far exceed the results you may have experienced at a "traditional" therapy clinic. Contact us today by email to ryan@suplerOPT.com, by phone at 216-200-8043 or online at www.supleropt.com to schedule a no-obligation Discovery visit.

News from our Community Partnership on Aging

Autumn in Ohio means back-to-school, hot apple cider, changing leaves and the CPA Famous Fire Department Chili-Cookoff! What is the Famous Fire Department Chili Cook Off? A delicious competition between the fire departments of Highland Heights, Lyndhurst, Mayfield Heights, Mayfield Village, Richmond Heights and South Euclid to see who produces the best chili in town!

This year the event will take place on Friday, October 27 at 4 p.m. at Highland Heights Community Center, and 2023 marks the first year the event will return since COVID! Come and taste six different chili recipes and vote for your favorite. There will be salad, pizza, dessert and more - music too! Tickets are \$45 per adult (age 15+) and \$25 per child aged 14 and under. Use the QR code or call the office (216.291.3902) to purchase tickets - 25% of the adult ticket is tax deductible; all proceeds from this event will benefit the CPA Safe at Home Program

which assists older adult homeowners in the CPA service cities to remain safe in their homes through the no- to low-cost installation of safety equipment. Equipment includes shower/bath grab bars, room transition strips, ADA toilets and stair handrails. Call our social work team if you are interested in securing Safe at Home services- 440.442.2628.

On a different note, CPA has a foundation, the Community Partnership Foundation, that was created

in 2015 to raise funds and identify resources for CPA. On May 24, 2023, the foundation participated in a group retreat to discuss changes to the foundation to increase its effectiveness in carrying out its mission. One of the important decisions of the day was the creation of three active committees to address three key areas of concern: governance, fundraising and communications. Each of the committees will be chaired by a foundation trustee, but membership in the committees is open to the community, meaning anyone with an interest to help the foundation grow.

- The governance committee will address the structure and functioning of the foundation board, including expanding the membership.
- Fundraising encompasses all things related to securing dollars for CPA activities - identifying donors, crafting grant proposals, facilitating conversations between CPA and potential sponsors and other similar activities.
- Communications will delve into creating and implementing an impactful strategy to tell CPA's story to raise community awareness.

If you are interested in participating in any one of the committees described above, please let us know. Your skills and enthusiasm will help the Foundation grow. The Community Partnership Foundation welcomes your involvement in efforts to strengthen and broaden the foundation's scope.

Save the Date!

CPA's Famous Fire Department Chili Cook-Off returns on Friday, October 27 at Highland Heights Community Center.

2023 is also CPA's 45th Anniversary so help us celebrate 45 years of quality programs and services to older adults, and sample the chili from the fire departments in Highland Heights, Lyndhurst, Mayfield Heights, Mayfield Village, Richmond Heights and South Euclid!

The Chili Cook-Off first took place in 2013. Utilizing the fire department staff of each of the fire departments as chili 'chefs', the event has become extremely high profile and much anticipated among older adults, the fire departments, municipal staff and the community at large, regularly selling out in advance of the event. Additionally, Richmond Heights FD has never had an opportunity to participate due to COVID shutdowns.

This is a no-fee entry contest; however, CPA awards \$500 to the chili entry named Best Chili via a blind judges' vote. We also award a trophy to the Audience Choice winner. This year we anticipate another full house of approximately 175 to 200 participants!

Lyndhurst Properties of Distinction 2023

This year's class of properties chosen for their exceptional upkeep are a credit to our community and their neighborhoods! The homeowners were thrilled to have been selected and the City certainly is thankful for the positive influence their hard work provides us all. **THANK YOU** to these great neighbors!

Police and Fire Dedication Playground

The latest addition to our Lyndhurst Park is the new Police & Fire Dedication Playground area which recently opened to honor our first responders and all the hard work they do to keep our community safe.

The expanded space and new features focus on Police- and Fire-themed equipment that is both ADA compliant and inclusive. The objective of this specific improvement was to provide a dedicated space where a true community relationship can be fostered, beginning with our youngest residents and their families. Police Chief Patrick Rhode advocated for this expansion of Community Greenspace from day one. "Our goal for this park is to provide visibility in a fun interactive space. Encouraging youth to recognize police personnel as important allies invested in their safety and well-being," said Rhode.

The need for purposeful dialogue between Police and Fire personnel and the community prompted Mayor Ward and Finance Accountant Melissa DiGeronimo to bring this to life. With federal funding support provided by the Cuyahoga County Development Block Grant and the Ohio Department of Natural Resources, the Police and Fire Dedication playground took about six months to design and install. Partnering with Gametime Playground Services we were able to custom design a fully funded dedication park for around \$200,000.00.

As Lyndhurst continues to build upon its vision of vibrant, welcoming city parks, we are reminded of how important spaces like this are to a community. "The Fire Department is always in support of anything that enhances physical and mental well-being. Community parks have proven time and time again to be a valuable

Mayor Patrick Ward, Police Chief Patrick Rhode and Fire Chief Michael Carroll look out at the crowd gathered for the official opening of the Police and Fire Dedication Playground at Lyndhurst Park.

resource to residents of all ages and backgrounds," said Fire Chief Michael Carroll.

The best part about outdoor parks is they operate exclusively to provide visitors unlimited and individualized public access. We hope to see everyone this summer enjoying the new space and supporting Police and Fire whose mission and purpose is, **to safeguard the community in crisis and prevent harm, to protect and serve all with integrity.**

No Solicitors

We frequently get calls regarding people going door-to-door for a variety of reasons. While some represent legitimate purpose, we all must be cautious when answering our door. **ALL PERSONS AND COMPANIES SOLICITING DOOR-TO-DOOR IN THE CITY OF LYNDHURST MUST BE REGISTERED WITH THE CITY.** This gives us important contact information should there be any issues with those who are knocking on doors representing a company or the information they are giving out. "NO SOLICITOR" stickers are available at City Hall and are free. Should you have a sticker posted, and someone ignores it, please contact the Police Department non-emergency number at 440.473.5116.

From our Service Department

Yard Waste & Leaf Disposal

This is a friendly reminder that our YARD WASTE is only collected when in Brown Craft Paper Bags or from designated YARD WASTE containers. Yard Waste materials in plastic bags WILL NOT be collected! Longer branches can be stacked on the tree lawn to be chipped. Please only place your branch trimmings or yard waste containers out the evening before your scheduled collection!

The leaves are still green but that will change! Beginning in mid to late October the Service Department will begin vacuuming piles of leaves from treelawns as we do every year. Leaf pick-up will be on an **AS-NEEDED Basis**. All leaves that are collected from treelawns will be recycled, composted, and made into leaf humus or other product. It is extremely

important that all leaves are piled on your treelawn for vacuum pick-up. **Please DO NOT pile leaves in the street or gutter as this is a safety hazard and these leaves may not be picked up. PILED LEAVES MIXED WITH BRANCHES OR OTHER MATERIALS WILL NOT BE PICKED UP!**

At the end of the leaf season, should you have small quantities of leaves or other yard waste for pick-up, please place them in paper yard waste bags or your designated yard waste container for pick-up on your regular collection day. We appreciate your assistance in assuring a successful leaf collection program and the responsible recycling of as much of our yard waste as possible.

Your Tree Lawn Tree

Our recent inspection of tree lawn trees indicates that some trees are suffering from too much attention! Some trees have a deep edge created around the root zones to keep the grass contained around the tree. The soils of tree root zones are often also cultivated. The result might be attractive but can also be disastrous for the trees. Many of the trees' fine feeding roots have been damaged or cut resulting in poor nutrient and water uptake. This translates into poor growth rates, increased insect and disease problems, and, frequently, the death of the tree.

We have also found some mulch has been applied over the tree root zones. This is an excellent maintenance practice when properly applied. What frequently happens is that mulch is over applied, and the tree suffers. Some have mulch forming a 'volcano' or 'teepee' around the trunk of the tree causing the root collar

flare to be buried. The rule of thumb for mulch is to apply no more than 2" of aged, shredded bark mulch at any one time. If you feel that more is needed in the future, we recommend the old mulch be gently cultivated and then new mulch be applied, taking care not to apply mulch against the tree trunk. The mulch against tree trunks keeps the bark tissue wet and rot develops.

Finally, during the dry summer months, trees need additional water. We recommend that you water your trees thoroughly (a young tree needs about 15 gallons of water every seven to 10 days). The tree's root zone should then be allowed to dry out before watering.

Remember, a tree is a "thing of beauty." We hope that your tree will grow to become even more beautiful. It should if you follow these simple maintenance suggestions.

Tire Roundup

Tires, off the rim, may be dropped off at the service garage during our weekend rubbish program **in the month of September** (11:30 a.m. to 3:30 p.m. Saturday and Sunday). If you would like to dispose of your tires before this time you may drop them off at a tire dealer for disposal for a fee. This program is only for Lyndhurst residents, so please bring proof of residency.
