

TEMPO

The Smithton Music Booster Club

The Music Booster Club is selling reusable tote bags. These aren't ordinary tote bags. They will have your student's class self-portrait drawings on them along with their first name, grade & year. What an awesome memorabilia for you & your child. The cost per bag will be \$12. Below is a sample picture of one from last year.

Please send the order form along with the total payment to the school with your student by Friday 05/03/19. Please put in an envelope marked on the outside TEMPO Tote Bag, students name, teacher & grade. If you are ordering from more than 1 grade please send in an order form for each grade. You can put them in the same envelope with 1 check if you wish.
