Dear Parents and Guardians,

Spiro School is sorry to announce we will be unable to continue the Community Eligibility Program (C.E.P.). We have to reach certain eligibility numbers to financially make this program work. It was our belief we could reach and hold these numbers for the 2018/2019 school year, but to our disappointment the eligibility numbers can not support this program at this time

In the 2019/2020 enrollment packets next year, we will insert a free and reduces price meal application. To qualify for the free or reduced meals, this application **MUST** be filled out. If you feel you qualify and do not receive a letter in the mail informing you about your student's meal status by September 13, 2019, please call me and check on your student's status to ensure I received your application. My office hours are 8:00am-3:30pm. There are times of during the day when I have to leave my office to visit school sites. Please leave a message on my voicemail and I will get back with you as soon as I can.

Thank you,

Rhonda Howard
