***Wednesday, May 8th***

Attention CPMS Track & Field Athletes competing in the Mid-State Conference Meet tonight: This is a reminder that you are to GO HOME after school today and arrive at the HIGH SCHOOL track/football field at 4:30 for a 4:45 warm-up. For those who would like to come out and support your Warriors this evening, the conference meet will begin at 5:30.

Teachers please review the schedule Mr. Lovell sent out yesterday. There are some slight changes to  $\frac{7}{8}$  early release schedule today. The bells should reflect the changes. We will continue ILEARN testing with 6th grade taking the first science test this morning and Biology students will take the Bio 1 test this morning. Following announcements and attendance 6th grade students who test in alternate locations should move quickly to their testing site. Biology students should take Chromebook and belongings and move to the cafeteria for testing.

7th and 8th grade students it's important that you continue to respect the testing environment today and tomorrow. Many of our students will continue testing so please make sure you keep the volume down during passing periods this morning. Teachers please try to assist and remind students during passing periods.

2. Pause rules apply for this test. Students if you need to pause, you should finish the problem or bank of problems they are on, save, and then pause. DO NOT move the next question to pause. If a break is needed for more than 20 minutes, students will not be able to go back and review the questions they have seen. Those will be locked out. There are not as many linked questions as there were in ELA, but verify the questions are not linked before pausing.

3. Students can use scratch paper as needed. Please collect it at the end of testing.

Last night the Girls tennis team won their 6th match of the season defeating Perry Meridian 3-2. Great team effort and we are very proud of how the girls supported each other throughout the entire match. The Ball of Honor went to Sara Ullrich for her 8-0 win at 2 singles.
