**What does the School Site Council do?**

Site Councils are Mandated by Law. Ed Code 52852 Ophir School receives both State and Federal Funding, the federal portion of this funding is referred to as Title 1. The school along with stakeholder input wrote a (SPSA) Single Plan for Student Achievement. The site council meets through the school year to work towards school improvement. The Site Council discusses issues that directly impact the school and student learning.
