May 8, 2019

Dear Families,

Last month the school board approved weekly early release time on Wednesday's at 2:00 PM beginning the 2019-20 school year. As a district, we are looking forward to this opportunity to have regularly planned collaboration with our educational teams to improve curriculum and instruction for our students.

We appreciate our community's support of this new school schedule, and also recognize the impact these early dismissals will have on families. As such, the district will be offering student enrichment activities and study group for students in 4K-5th grade from 2:00-5:00 PM.

To ensure we have sufficient staffing for these student learning activities on Wednesday afternoons, we need to know the number of students who will be staying after school on these early release days to take part in these activities. There is no cost for children to participate in these activities.

If you intend to have your elementary-aged child(ren) stay at school on early release Wednesdays for study group or enrichment, please return the bottom of this letter to your child's teacher or complete this form:

[Enrichment/Study Group sign-up for Wednesday Early Release](#)

If you are not able to access the link, please complete and return the form to the school office.

Thank-you!

Mike Uppena, Principal

---

I intend to have my child(ren) attend Wednesday Study Group or Enrichment:
