

WASHINGTON DISTRICT 50 SCHOOLS

**Strategic Plan Document
Adopted September 18, 2018**

Motto: A Great Place for Great Kids

Mission: We protect and respect people while working together to inspire and develop every student.

Vision: Washington District 50 Schools will provide all students the best educational experience in a safe and caring environment in order to produce productive and engaged members of a constantly changing global society.

Belief Statements:

- **We believe ALL students can learn.**
- **We believe the safety of students and staff is our top priority.**
- **We believe showing respect for one another fosters a positive learning environment.**
- **We believe in working together to support learning for ALL students and adults.**
- **We believe in careful and responsible management of financial and human resources to support our mission and vision.**

Goal(s):

- 1) We will become an acknowledged leader in community engagement; creating safe, positive and caring learning environments.
- 2) We will achieve National Blue Ribbon School recognition by 2023.
