How to play Academic Booster Bingo

- Read a book!
- Record the title in a box that matches your book's genre (nonfiction, fairy tale, etc.). (Example: Captain Underpants would go under the smiley face for humor.)
- When you have read 5 books in a row (vertical, horizontal, or diagonal) you have a BINGO!
- Keep reading, trying to fill the entire Bingo card.
- Turn in your Bingo card with your full name at the Academic Booster table at Open House. Students will receive prizes as follows: one Bingo earns a prize from the treasure chest, a full Bingo sheet (including the literature response below) will also earn a gift certificate to the school's fall book fair.
