*\*\*PDE 2020-2021*

## Two Teachers awarded by PSBA with the 2022 Pennsylvania Innovative School Teacher Award

Pennsylvania School Boards Association (PSBA) awarded Tennent High School teachers, Mr. Ignacio Jayo and Mr. Steve Beal, as the co-recipients of the 2022 Pennsylvania Innovative School Teacher Award. Mr. Jayo and Mr. Beal were nominated for this prestigious award due to their creation of ExcitED. This novel program provides students and teachers in Bucks County the opportunity to participate in authentic professional experiences within user design, entrepreneurship, and biotechnology disciplines. ExcitED includes partnerships with the Bucks County Department of Workforce & Economic Development, the Wistar Institute, and the Pennsylvania Society for Biomedical Research (PSBR).

## Centennial School District Receives 2023 Best Schools Recognition

Centennial School District was recognized as a 2023 Best School District by Niche! CSD earned this ranking by scoring well in many factors that aim to capture what it is like to attend school in Centennial School District. While we have always known Centennial School District is a great place to learn and grow, we are proud of our students and staff for earning this national distinction. In addition, CSD rose nine spots in this year's best school districts in Pennsylvania state rankings while also being in the top 20% of diverse school districts.

## William Tennent Earns Best High Schools 2022

U.S. News & World Report's 2022 Best High Schools rankings are those whose students demonstrated outstanding outcomes above expectations in math, reading and science state assessments, earned qualifying scores in an array of college-level exams, and graduated in high proportions. In coordination with North Carolina-based RTI International, a global nonprofit social science research firm, U.S. News ranked approximately 17,840 public high schools out of the nearly 24,000 reviewed. William Tennent High School has again earned recognition as one of U.S. News and World Report's Best High Schools in the nation and the state.

## AP Capstone Diploma & Certificate Program

William Tennent High School is one of approximately 1,800 schools worldwide to implement the AP Capstone Diploma program - an innovative program that allows students to develop the skills that matter most for college success, such as research, collaboration, and communication. The program consists of students scoring a 3 or higher in AP Seminar and AP Research and on four additional AP Exams of their choosing to earn the AP Capstone Diploma. This signifies outstanding academic achievement and attainment of college-level academic and research skills. Students who score a 3 or higher in both AP Seminar and AP Research (but not on four additional AP Exams) earn the AP Seminar and Research Certificate.

The following is a list of two/four-year Colleges and Universities where the Class of 2022 matriculated this fall:

Albright University	Lebanon Valley College
Allegheny College	Lehigh Carbon Community College
Alvernia University	Lehigh University
American University	Liberty University

La Salle University	York College of Pennsylvania

## Centennial Virtual Learning Academy (CVLA)

Recognizing there are multiple pathways to scholastic success, CSD is proud to offer approximately 60 students a 100% virtual placement for the 2022-2023 school year and 15 additional students a blended pathway (mixing virtual and in-person schedules). These students are able to continue to pace themselves to a CSD diploma while simultaneously taking advantage of a flexible schedule outside the limitations of a traditional school day. Well done scholars!

## College, Career & Technical Education Pathways

Middle Bucks Institute of Technology (MBIT) is supported by Centennial School District. MBIT operates as a school-of-choice program pathway designed for WTHS students seeking to enhance their educational program with a highly relevant career and technical experience connected directly to the real world of business and industry. Over 400 business and industry advisors annually review and update the school's educational program.
