Juniper Elementary Student Publication

MEET THE STAFF!

SPECIAL EDITION

I want to be in the Jag-Wire Newspaper because I wish to write about the school news. Also because I want to take pictures of the school and the students in it. To add on, I also would like to join so I could spread the message about bullying and to help prevent anyone from getting bullied. Another reason that I would like to join the Jag-Wire Newspaper because I would like to participate in my school as much as I can. Another reason is because I want to encourage the students of Juniper to get involved and help make the school the best it can be.

My name is David and my favorite subject is math. My favorite food is pizza. My all time favorite place is Disney land. My favorite thing is a phone. My favorite thing to do is play video games.

Two Truths and a Lie - Can you guess which one is a lie?

1. I have 5 dogs
2. I love my mom
3. I have six sibling

By David Bueno

Hello, how are you? Can you guess my name? I am in sixth grade and 11 years old. I like math and writing. My favorite sports are soccer and football. My birthday is on May 25 and I am a boy. So, can you guess my name?

All About Me (baby picture)

There are many reasons why I want to join the Jag-wire newspaper. But the number one reason is that I could take pictures, I could write articles and I get to see my third grade teacher.

My favorite thing to do when I have nothing else to do is clean up my room and organizing it. My favorite game to play is Loteria. It's a Mexican game that my family loves to play. I love pink but my other favorite colors are black, white, and gold. The animal that I've liked are the monkeys. I think they're the cutest mammals in the whole world. My favorite fruit that I loved since I was little are strawberries and watermelon. The city that I want

to visit one day is Paris. Paris is the most beautiful city I have ever wanted to visit. At home I'm learning French.

Who am I?

To begin with, I enjoy being on the Jag Wire for many different reasons. I want to join the paper because I enjoy writing articles of choice. When I write with a partner usually my partner helps me come up with ideas. Also, I like writing about sports and things like that. My favorite sport is dirt bike riding. Those are the reasons I want to be on the Jag Wire.

My name is Reese Kallenberger. My favorite place is Mammoth, California. I like Mammoth because there are a lot of things to do. Some of my favorite things to do are ride dirt bikes and go out hiking and shooting. I like going fishing too but not that often but at Mammoth I have had some luck catching fish.

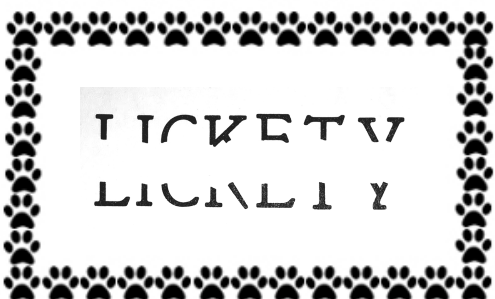

2 Truths and a Lie - Can you guess which is the lie?

1. I caught a shark with my Grandpa in the ocean
2. I know someone who has a Lamborghini
3. I can do a 180 on a Go-Cart

ITS VERY TIME CONSUMING

I want to be on the Jag-Wire Newspaper because I love to write a lot. I love taking pictures. I love making jokes. I love everything about the Jag-Wire Newspaper.

I am 9 about to turn 10. I was in Third grade I am now in Fourth grade. My favorite things to do are playing sports. My favorite places are everywhere. I will tell you two truths and one lie you have to guess which two are true and a lie. My favorite restaurant is Golden Corral. I love dogs, my favorite dog is a boxer dog. I do not like reading.

Well, for the first time, my name is classified information. My name is for me to know and you to find out. I will tell you a little about me without making who I am obvious. First, I speak two languages. I'm pretty sure you have a good idea of who I am by now. Next, my birthday is during the summer. I have been going to Juniper since the first day of kindergarten, and Mrs. Chacon was one of my teachers for first grade. Unfortunately for you, I'm not telling you any more about me. That's it. Most of you already figured out who I am, and I congratulate you. For those of you who still don't know who I am, as a wise man once said, "at least you tried."

This is my second year of working for the Jag-Wire newspaper. I am in fifth grade in Mrs. Woods class. I love listening to rad music. I am very energetic and into working out such as running in the Hundred Mile Club.

I was in Clue-me-In last year with the best coach I could've ever gotten. She is Mrs. Quinto, my last year teacher. Because of her, we got to the finals. We lost by 3 points but I don't care. At least we made it there. Shout out to her! ;p XD :) :D

So first of all my name is Angelo and I was born in Woodland Hills CA. Second of all I am a bad comedian. Just joking! I love to crack a joke every now and then. But anyways... I have two dogs. And lastly I was born in 2007 at 11:03 PM at Kaiser Permanente.

By Wendy Hart

This was our first ever back to school BBQ. It was a blast, there was a lot of people there. We had burgers, hotdogs, chips, soda, Capri Suns, and water. They had a booth for the 100 Mile Club. Let's thank our PTC members for the BBQ.

I wanted to be in the Jag-Wire newspaper because it looks like so much fun to be in it. I will enjoy writing about different articles. A solar eclipse is when the moon goes in front of the sun. A complete solar eclipse is very rare. A solar eclipse only occurs with a new moon because of the alignment of the Earth. The next full solar eclipse in the United States will occur on April 8, 2024. It can be seen in many states and it only gets really dark in some states.
