From the Superintendent of Schools

Jon T. MacSwan
Superintendent

As the April 1st budget deadline for Albany approached, we began to get a clearer look at what we could expect for next year's budget. And though there were some good items included like the authority for districts to create a reserve for Teacher Retirement Service obligations and the ability for us to "piggyback" or more easily cooperate with other school districts to share transportation expenses, this budget also presents us with some challenges.

First, the Foundation Aid that we received only went up \$218,774, or 2.47%. Foundation Aid is the money that we use to support programming and increases in contractual salaries and benefits. This increase is not even enough to cover increases in our special education program requirements. As revenue increases from Foundation Aid fail to keep

pace with expenses and mandates, school districts are forced to continue to dip into savings and also rely more on the local share of the tax levy. That is why making the tax cap permanent in this year's state budget will eventually be a challenge for all school districts to face. We are fortunate to have enough in fund balance at this time to address the shortfall.

Our proposed budget for the 2019-2020 school year is \$34,354,768. This is a 4.47% increase from last year. This higher than usual growth in expenditures is not a result of increases in our operating budget, but because we are beginning to pay the debt service from our recent capital project. The budget expansion from this capital project has been budgeted for and will be paid out of Capital Reserve Funds and State building aid revenue. As planned, this will not have any impact on the tax levy. Without the increase in debt service payments, our annual budget only increased by 1.98%. We have been able to control increases in our operating budget by shifting expenditures to support new initiatives, and by maintaining our fiscally conservative approach to finance and budgeting.

We are pleased to report that the 2019-2020 proposed budget maintains appropriate staffing and programs that have supported our district's notable gains in student achievement. This includes a continuation of our expanded Summer School program for students who require additional support to meet the new standards, as well as enrichment opportunities for students who are excelling. This budget again supports "Project Achieve 2", our K-12 strategic plan to improve student growth and achievement, through targeted professional development and technology enhancements.

On behalf of the Board of Education, I want to thank you for your ongoing support of the Cleveland Hill School District as it serves as the foundation for all that we do. A strong partnership and working relationship between a school district and community is vital. If at any time you are not satisfied with our efforts in any area, please do not hesitate to contact us.

The Kenny Social at Shea's

Fifty students attended the Kenny Social at Shea's. Students had a scavenger hunt where they had to find particular places within the theater. There was a "Find Someone Who" game that encouraged the students to interact with students from the other schools. They were given a tour of the theater, went backstage, and even in the dressing rooms located under the stage. The favorite activity was singing karaoke with songs from Hamilton onstage at 710 Main Street.

STUDENT ARTIST HONORED

If you see 6th-grade budding artist: **Alyssa Mendez** please congratulate her on her outstanding art work! She was honored at a special Community Leader Awards luncheon at the Buffalo Convention Center for her artistic poster. The poster contest was sponsored by the National Federation for Just Communities of Western NY Inc.

NEWSIES

Congratulations on a great show!

Taste of Tech Field Trip

Our 8th graders attended the Erie 1 BOCES “Taste of Tech” Middle School program on January 23rd. The BOCES Harkness Career Center hosted the students as they explored the world of Career and Technical Education. Students rotated through highly engaging, interactive and educational activities within the Career and Technical programs of their choice, such as Criminal Justice, Early Childhood Education, and Aviation Technology. This was a great opportunity to expose middle school students to a variety of career options, leading to college preparation and/or the workplace.

MINUTE-TO-WIN-IT Assembly

The Middle School Eagle Pride PBIS Committee sponsored a Minute-To-Win-It assembly for the middle school in February. Students were challenged to show kindness and respect and received tickets given out by teachers. Students who earned tickets in this “Kindness Blast” were randomly chosen to compete in the assembly with fun and challenging tasks.

“Cookie Face”

“Office Tennis”

“Magic Carpet”

Math Olympiads

Math Olympiads is a group of fourth and fifth grade students that meet once a week. This club helps to develop enthusiasm for problem solving, deepens understanding of math concepts and strengthens students' abilities to use these concepts. This year we have a very motivated and excited group to work with! Pictured: Eleanor O'Brien, Mykah Moreland, Amelia O'Brien, Arliana Kozlowski, Connor Carle, Jackson Elderkin, Aaron Otis, Andrew Majchrzak, Abigail Jacques, Elliot-Luis Madrigal, Rhianon Gerace, Kennedy Manley, Zarina Jabar, Laura An, Kaitlyn Gollwitzer, Ayden Hickox, Wyatt Gregory, Jonathan Edson.

Letters of Intent Signed

Aaron Wahler signed a Letter of Intent to attend Mount Union University an NCAA Division III institution, to join their Football team next fall and he plans to major in History.

Andrew Bloom has signed a National Letter of Intent (NLI) to join Niagara University's Purple Eagles for the 2019 season to run cross country. He plans to major in Political Science.

NCCC 2019 Tech Wars

Over 400 high and middle school students from 24 school districts attended the one day Technology Education event dubbed Tech Wars. The overall final results are compiled from the 17 individual events. Cleveland Hill High School came in third place overall.

In addition, the following Cleveland Hill students placed in the individual categories as listed:

DIVERSITY DAY

Learning New Strategies

Third grade students worked with Chautauqua Institute and Marcia Daft to learn new strategies to embed the arts into content areas. Ms. Daft worked with the class to use dance and bands to create types of lines in geometric shapes in mathematics. They also visited with Mr. Rubin's fourth grade class and Mrs. Schmitt's class.

Third grade has been generating questions about how 3-D printing impacts their everyday life! Students took the research upon themselves through Genius Hour to get answers

to their questions! In addition, students were exposed to texts around the topic. To further enhance learning, we worked with Mr. Connor in the High School to teach us about 3-D printing with the planning, design, process, and product. Thank you Mr. Connor for a great session!

MEET THE CANDIDATES

CLEVELAND HILL UNION FREE SCHOOL DISTRICT

Board of Education Candidates

Paul Kunkel

Incumbent

My name is Paul Kunkel and I have been a resident of Cleveland Hill for my entire life. My wife and I are graduates of Cleveland Hill and put our roots here to send our family to this fine school. My grandchildren also are students here.

I have been a trustee on the Board of Education for 18 years. I work with this board to make Cleveland Hill the best school in Erie County. I have always been here for the best interest of the children and families in this fine district. If elected, I will continue to serve the Cleveland Hill community with the same drive and tenacity to make this school the best. I am always available to listen to the people of this district and to do what is right for the development of each and every child's education. I thank you for all the support you have shown us these last 18 years, and look forward to continuing to represent you and your children.

Sincerely, Paul Kunkel

Robert C. Polino

Incumbent

My name is Bob Polino and along with my wife Linda, we have been district residents for 40 years. We raised four children during that time, all of whom have attended Cleveland Hill from kindergarten through 12th grade. During their school years, I chose to become involved with the Board of Education because I am a firm believer in community service. A community is better when those within the community work together to make it better and a student is better when all those around them work together to support them in their efforts to achieve the fullest potential. This includes family members, educators, staff members and the community. We all have a part to play to make sure our future leaders are the best that they can be.

Education is far different now than it was twenty years ago. The demands on school districts to deliver higher education with better results and be accountable for those results is far greater than any other time in our history. The financial demand on school districts and the local taxpayer has never been greater. It is our job and duty to make sure that all students are college or career ready upon graduation and it is no longer acceptable to just "get them out the door". This can only be achieved when a community works together. I have always been amazed at the support our community has shown in supporting our schools even during the most difficult of times and if I can be a small part of that by volunteering my time as a board member, I am proud to do so.

As said many times before, Cleveland Hill is a small school with a big heart and so are its community members. With your support, I would like to continue to work along with you to provide that best possible education to our most valued resource, our children.

Sincerely, Robert C. Polino

BUDGET & TAX LEVY HISTORY

Budget & Tax Levy History

	PROPOSED		PROPOSED		Allowable By Law	% BELOW
	Budget Total	% Change	Tax Levy	% Change	% Change	
2019-20	\$34,354,768	4.47%	\$ 12,782,661	1.90%	3.02%	-1.12%
2018-19	\$ 32,886,119	4.22%	\$ 12,544,319	1.99%	3.02%	-1.03%
2017-18	\$ 31,553,898	1.64%	\$ 12,299,558	1.98%	2.90%	-0.92%
2016-17	\$ 31,044,709	0.05%	\$ 12,060,755	-0.99%	1.90%	-2.68%
2015-16	\$ 31,028,241	1.26%	\$ 12,155,568	-1.00%	2.40%	-3.40%
2014-15	\$ 30,642,841	1.76%	\$ 12,278,352	0.73%	1.46%	-0.73%

The 2019-20 **PROPOSED** Budget totals \$34,354,768, which is an increase of \$1,468,649 or 4.47% over the 2018-19 budget. Of this increase, \$816,751 or 2.49% is increased debt expense from the current capital project. These debt payments are fully covered by state building aid and reserves.

The **TAX LEVY** is the total amount of revenue raised from property taxes in the Cleveland Hill Community. The 2019-20 **ESTIMATED TAX LEVY** is \$12,782,661, an increase of 1.90% over the 2018-19 **TAX LEVY**. The district is allowed **BY LAW** to increase the **TAX LEVY** to as much as 3.02% for the 2019-20 school year, however, the district will once again, stay below the state allowed limit.

As you can see by the chart above, the Cleveland Hill District actually **REDUCED THE TAX LEVY** in two of the previous five school years, and has been below the State's allowable limit in each of the last 5 years.
