Review of January 17, 2019 Minutes

Review Keene High School 2017-2018 Report

Questions for Principal Logan regarding the annual report 2017-2018:

Kevin commented the report is later than has been received in the past.

Questions:

- What changes occurred in the Grade 11 attendance as there appears to be a reduction of about ten (10) students?
- Regarding GPA comparison on page 2 – KHS GPA = 1.75. Winchester =2.72. Is that correct?
- Comment on Winchester's standards based grading compared to Keene's letter based grading.
- How many of the Winchester 12 AP students scored a 3 or better on the exam?
- Is there specific information on Winchester students post HS plans? See p 10.
- For the 5/16 Winchester Board meeting can you provide an update on the proposed transportation changes effective for July 1, 2020?

Kevin read an email received from parent Mary Gagnon sharing her conversation with principal Logan.

After meeting with KHS principal at the 5/16 Winchester Board meeting the Board will set a date to meet with SAU 29 superintendent R. Malay.

Review Statement of Purpose - tabled for next meeting

Schedule Next Meeting - to be set at later date
