FY19 BUDGET	<p>The Superintendent presented points to consider during this year's budget process. She informed the Board that MRI, studying City Governance, will be conducting interviews on January 10, 2018 and that the Grade Reorganization Study will be after the first of the year. The Community Engagement Project with North Country Listens is also underway. The Superintendent advised the Board to discuss when to begin staff attrition. All Board members should be present for that discussion. Staff attrition cannot be done in one year of retirements. Positions cannot be expected to be filled upon becoming vacant. Continuous decrease in enrollment, increase in parental choice options, and adequacy aid will impact how we operate in the subsequent years. Information from the City Governance and Grade Reorganization studies will be available in March. This will impact decisions through the FY19 Budget process.</p>
