

ADOPT-THE-GARDEN

Would your family be willing to "adopt" Tremont Grade School's Learning Garden for a week during the summer? The Tremont Grade School Garden Club has maintained the garden throughout the school year, but volunteer caretakers are needed during the months of June, July, and August!

Responsibilities will include:

- weeding the individual gardens and pathways
- "dead-heading" spent flowers
- picking up litter in and around the Learning Garden
- watering is NOT necessary due to the garden's irrigation system

Student members of the TGS Garden Club have learned a lot about the care of the garden and have developed an appreciation for its beauty. Many of our young gardeners have expressed an interest in caring for the Learning Garden this summer. However, they can not do it alone! Adults must be present to supervise and assist with the gardening tasks to ensure not only the safety of the children but also the safety of the garden plants! ☺

Please consider ways in which caring for the TGS Learning Garden would fit into your family's summer schedule. If you are interested in volunteering your time, please complete the form below to "adopt" the Learning Garden. Please return this form to school by **Wednesday, May 15th**.

Name _____ Phone # _____

Student's Name _____ Grade _____

Please mark your 1st, 2nd, and 3rd choice! Return this form to your child's teacher by **Wednesday, May 15th**.

Mrs. Harrell & Miss Byrd	May 26 - June 1		
ADOPTED	June 2 - June 8	ADOPTED	July 28 - August 3
ADOPTED	June 9 - June 15	_____	August 4 - August 10
ADOPTED	June 16 - June 22	_____	August 11 - August 17
ADOPTED	June 23 - June 29	_____	August 18 - August 24
ADOPTED	June 30 - July 6		
_____	July 7 - July 13		
_____	July 14 - July 20		
_____	July 21 - July 27		

There will be a very brief gardening workshop for volunteers on Thursday, May 16th at 3:45 p.m. We will provide more information, discuss usage of tools, and answer your questions at that time. Thank you for all of the support that you have given to both the Tremont Grade School Garden Club and the Learning Garden this year!
