Traffic Committee Meeting Agenda
January 3rd, 2018 at 1:30 p.m.
City Administration Building Multi-Purpose Room
201 Spring Street
Springdale, Arkansas 72764

1. Review of the minutes of the November 1st, 2017 Traffic Committee meeting and confirmation of actions approved by the committee.
2. Mayor Sprouse would like the Committee to take a look at the accident report for the intersection of Ford ave and Old Missouri rd.
President of NTI suggested a turn lane for this intersection. This is a city Hwy and would have to be expanded by the Arkansas HWY dept. City of Springdale will not cover the cost of adding a dedicated turn lane. President of NTI will look into school board donating part of the school property to allow room for the a turn lane.
3. Rosemary Wildgoose- Wants more street lights on her street, due to break ins and mischief, 4074 Allegheny Terrace.
The city will look into replacing the current gas light at the street right of way with a standard electric pole. Public works will contact SWEPCO regarding adding new standard light pole to the cul-de-sac. Police will look into additional patrol for neighborhood.
4. Corporal M. Ray 335- He is the School resource officer at Harbor High, he is asking about adding a lighted crosswalk sign to the intersection of Har-Ber and Brandon's loop. Similar to the one installed at Coyote Crossing and Jones Rd.

This has to be requested by the school, since the cost would have to be covered by the school.

5. Lupe Albarran-Dark Street concern. She would like to see more street lights added to her street and or a Stop Sign due to speeding cars hitting the residents parked cars. 907 N Kansas

The city can only add street lights to intersections.

6. Amaud Mitchell- Continuous fast speeds on Watkins ave between 40th and 48th st, would like some speed tables.

Speeding is still a concern in this area after the stop lights and signals were added. According to our traffic calming policy this street does Not meet the 60pts required to add additional speed tables. Extra patrol will be looked into by the police dept.

7. Missha Wagoner- "No Parking" Cul-De-Sacs.

Missha will submit this to city ordinance. To eliminate parking at the cul-de-sac.

8. Brian Powell-Curve on Elm Springs & White Rd concerned about accidents and is asking about a traffic signal.

Engineering dept will look into changing the current layout of the intersection, possibly changing the current island. Based on the Huntsville ave Overlay Project.
