10. Unauthorized use or abuse of City vehicles, equipment or property;
11. Habitual neglect of personal appearance and hygiene while on duty;

Conduct unbecoming is any conduct which adversely affects the morale, operations, or efficiency of the department or any conduct which has a tendency to adversely affect, lower, or destroy public respect and confidence in the department or the employee. Conduct unbecoming also includes any conduct which brings the department or employee into disrepute or brings discredit upon the department or employee;

B. "Incompetency":

Incompetency may include, but is not limited to:

1. Failure to maintain an acceptable score on a performance evaluation, or failure to show substantial improvement after being told corrections in performance are necessary.
2. Inability to perform the essential functions of the position, with or without reasonable accommodation;

Any employee who has attained "civil service status," for whom disciplinary action is being considered in the form of discharge, demotion, or suspension without pay, is entitled to a prompt hearing by the Department Head prior to any discharge, demotion, or suspension without pay, unless the employee specifically waives such hearing in writing. In such cases, a copy of such waiver shall be forwarded to the Civil Service Commission.

However, the provisions of this proposal shall not be interpreted as an "unlimited right". A civil service status employee who is not physically available for hearing, or who cannot be reasonably notified of disciplinary action(s) may also be denied hearing privileges.

The purpose of said hearing is to provide an explanation of the evidence of the charges and to ensure that the civil service status employee has the opportunity to present any evidence relevant to the charges. The Department Head shall furnish a copy of the charges to the employee prior to the above mentioned hearing. At this hearing, the employee shall have the right to be represented by another person, or have another person with him/her. Once a hearing has been started, the employee does not have the right to change his/her mind about being represented by a person of his/her choosing.

The Department Head shall see that notes of the hearing are kept. Appeal from the decision of the Department Head shall be heard anew before the Civil Service Commission, provided the employee appeals the decision to the Commission as set out in Section 8.

The appeal to the Commission outlined in this section only applies to employees who have attained civil service status as previously defined in Chapter 2 and does not apply to employees who have not completed the probationary period.

The Springdale City Council passed Ordinance No. 2775 on October 14, 1997, making the position of Police Chief and Fire Chief subject to hiring and firing by the Springdale Civil Service Commission. A copy of this Ordinance is attached to these Rules and Regulations as "Exhibit A," and made a part hereof. While the Civil Service Commission determines the hiring and firing of the Police Chief or Fire Chief pursuant to the ordinance, the Mayor is their immediate supervisor. In the event a department head (Police Chief or Fire Chief) has served for a continuous period of six months after being hired, then such Chief shall have the right to appeal any suspension in excess of three working days to the Civil Service Commission. Only the Civil Service Commission has the authority to discharge the Police Chief or Fire Chief.

Section 2.

"Types of Disciplinary Action"

- a. Oral Reprimand

- b. Written Reprimand
- c. Suspension
- d. Demotion
- e. Discharge

Section 3.

"Oral Reprimand"- The Department Head or Department Head's designate may for just cause issue an official oral reprimand. Such reprimand shall be reduced to writing and will be kept in the employee's permanent personnel file for one year if no other infractions occur within that one year time frame. The removal of such record will be completed at the request of the individual after one year provided no other infractions have occurred. There is no appeal recourse to the Civil Service Commission for this disciplinary action. However, if a civil service employee has no other disciplinary actions taken during this one year period, then the reprimand shall not be considered in the promotion decision.

Section 4.

"Written Reprimand" - The Department Head or Department Head's designate may for just cause issue an official written reprimand and the reprimand must state the reasons for such action. The employee shall have an opportunity to sign the written reprimand and attach a written rebuttal to the written reprimand.

Written warnings given to any employee shall remain in the employee's permanent personnel file. There is no appeal recourse to the Civil Service Commission for this disciplinary action. However, if a civil service employee has no other disciplinary action taken for a period of three (3) years, then the reprimand shall not be considered in the promotion decision.

Section 5.

"Suspension Without Pay" - In the interest of good discipline, a Department Head (or the Mayor in the case of a Department Head) may for just cause suspend an employee without pay for any length of time up to thirty (30) calendar days. An employee who is so suspended shall be given written notice of the reasons for the action and of his/her right to appeal this action (see Section 8 – Appeal Procedure).

During investigation of alleged charges against an employee, that employee may be placed in a suspension with pay status during the investigation. This is also called Administrative Leave and is not considered disciplinary action.

If the "Civil Service status" employee wins an appeal from a suspension without pay, the Civil Service Commission shall direct that the employee be reimbursed for net loss of earnings resulting from the period of suspension without pay.

Section 6.

"Demotion" - The Mayor or Department Head may demote an employee for disciplinary reasons or for unsatisfactory performance. Such action will result in the employee being moved to a lower pay grade. A Department Head who did not hold a Civil Service position within the same Department at the time of appointment to Chief, shall not be demoted to another Civil Service position in the City of Springdale. An employee who has completed their probationary period in the position from which they are being demoted must be advised in writing of his/her appeal rights and the procedures to follow if he/she desire to appeal.

Section 7.

"Discharge" - The Mayor or Department Head may discharge an employee for disciplinary reasons or for unsatisfactory performance.

An employee who has completed their probationary period (attained "Civil Service status") must be advised in writing of his/her appeal rights and the procedure to follow if he/she desires to appeal.

Section 8.

"Appeal Procedure" - Any Civil Service employee who is suspended without pay for a period of more than three (3) working days (working day equals one shift), or who is demoted, or discharged from the classified service after the employee has completed the probationary period (has attained "Civil Service status" as previously defined) may, by his/her written request to the Civil Service Commission, have a hearing before them. Said request must be made within ten (10) calendar days after notification by the Department Head or Mayor of disciplinary action. If such a timely request is made by the "Civil Service status" employee, the Commission shall grant a trial pursuant to Arkansas law. If a "Civil Service status" employee is suspended for three (3) working days or less, there is no right to appeal such decision to the Civil Service Commission, but such employee may appeal the decision through the Mayor's office.

In the event an appeal right is granted by these rules to the Civil Service Commission, the employee shall have the right to introduce evidence in his/her own behalf and to be represented by person or persons of his/her choosing. The reasons concerning the suspension for more than three (3) working days, demotion or discharge and the reply, shall constitute a part of said trial.

In the event an employee has a right to a trial before the Civil Service Commission, and a request for trial is timely made, the Commission shall, within 15 days after the request is made, fix a date for the trial. The employee requesting the trial shall be notified of the date and place of the trial at least 10 days prior to the date thereof.

The decision of the Commission shall be by majority vote.

The Civil Service Commission is authorized to uphold the Mayor or Department Head's decision, modify the decision by increasing or decreasing the punishment imposed, or completely reverse the decision with the power to reinstate the employee with pay.

The employee shall have a right to appeal the Commission's decision to the Circuit Court within whose jurisdiction the Commission is situated, provided such appeal is authorized under Arkansas law.

Section 9.

"Solicitation" - No classified employee of the City of Springdale shall directly or indirectly solicit any money, service, favor, or any other valuable consideration for carrying out his/her duties as an employee of the City.

Section 10.

CHAPTER 9 PROMOTIONS

Employees are encouraged to take advantage of these opportunities by qualifying themselves for advancement through further education and study, and by a high level of job performance, service, interest and loyalty.

Section 2.

"Method of Filling" - Positions above the entrance level, with the exception of the Department Head, should be filled by promotion from within the Department with a view toward the selection of the best available candidate for each position.

Section 3.

"Advertising Promotional Examinations" - When a promotional examination is to be given, the Commission shall advertise the examination in such a manner that eligible employees in the City will have an opportunity to take the examination.

For promotions in the Police and Fire Departments, the Commission shall promulgate and maintain a set of guidelines governing the procedures and factors to be utilized for promotion in the Police and Fire Departments.

These guidelines shall include but not be limited to:

- a. Provisions for timely, informative announcements of promotional examinations.

- h. Provision for timely certification.
- i. The current promotion guidelines in effect will be on file with the Department Head as well as with the City Clerk. However, the guidelines will be reviewed on an annual basis and may be amended from time to time as the Civil Service Commission deems fit.

Section 4.

"Promotion Procedures" - The purpose of this procedure is to provide direction for the promotion of Civil Service personnel within City of Springdale government. Promotion refers to the advancement of an employee from one classification to a position of another classification of a higher grade.

The responsibility for establishing promotional policy for Civil Service personnel rests with the Civil Service Commission.

The responsibility for the administration of the Civil Service employee personnel promotion process rests with the Civil Service Commission.

The responsibility for the initiation of timely promotion related activities for all ranks within the Springdale Police and Fire Department, rests with the Civil Service Commission.

- 4.2 At least 60 days before the date of the written test for those ranks requiring a written test, the Civil Service Commission shall announce the sources of material used in the construction of the written test.
- 4.3 Job descriptions are available from the Department Head for each rank within the Police Department and Fire Department. Candidates for promotion to any of these positions should be familiar with the job description.

CHAPTER 10

EMPLOYEE EVALUATION

Section 1.

"Types of Evaluation" - Probational Evaluation:

Each employee serving a one year probationary period shall have his/her performance evaluated by his/her immediate supervisors at least by the sixth and eleventh month of his/her twelve month probationary period. For those employees who are promoted and serve a six month probationary period, an evaluation shall be made at least by the end of the fifth month of the six month probationary period. Completed evaluation forms on a Civil Service employee who has been promoted must be submitted to the Department Head.

Section 2.

"Annual Evaluation" - Each regular Civil Service employee will have his/her performance evaluated on an annual basis.

Evaluation ratings are the responsibility of the employee's supervisor, and all evaluations must be reviewed by the Department Head.

After an evaluation has been accomplished the employee will sign the form stating that his/her supervisor has shown him/her the rating and explained it. This certification should not be interpreted to mean the employee is satisfied or dissatisfied with the evaluation but does signify that the employee has seen the rating and it has been explained by his/her supervisor.

Evaluation is an effective tool and should not be taken lightly. Each Department Head will be accountable for setting up standards for job performance in his/her department. These standards will be conveyed to employees either orally or in writing. This ensures the employees of knowing what is expected of him/her and to understand his/her failure to comply with the standards when so evaluated.

Section 3.

"Employee Counseling" - All employees should be informed of their on the job performance as often as necessary but at least once each year following the employee's annual evaluation.

The interview is an effort to encourage the supervisor to communicate forthrightly to a subordinate his/her reactions to the employee's performance and to offer positive assistance in remedying any shortcomings in the employee's job performance.

Section 4.

"Evaluation of Department Head" - The Mayor shall evaluate the Department Head in the same manner and at the same times as set out in this Chapter.

CHAPTER 11

CHAPTER 12

REVIEW OF CITIZEN COMPLAINTS

Section 1.

"General Provisions and Purposes" - In its 1997 regular session, the Arkansas General Assembly adopted Act 1221 providing for review of citizen complaints by municipal Civil Service Commissions. Act 1221 amended Ark. Code Ann. Sec. 14-51-301(b) to require the adoption of rules providing for "a review of complaints filed by any citizen pursuant to rules promulgated by the commission, including rules that give the commission the authority to consider certain personnel issues in executive session, and to establish any necessary appellate procedures." In accordance with this statutory authority, the Springdale Civil Service Commission ("the Commission") hereby adopts the following rules and regulations for the investigation of citizen complaints.

Pursuant to the procedures outlined below, the Commission shall review complaints filed addressing the issues of deadly force by the Springdale Police Department ("SPD"), as well as all other incidents of citizen contact which result in a complaint being filed against an employee of either the SPD or Springdale Fire Department ("SFD"). It is of paramount importance that the review procedure protect the constitutional and employment rights of any employee involved in the investigation. Equally important is the Commission's mandate to undertake a full and fair review on behalf of the citizen complainant, the Springdale City Council and the citizens of the City of Springdale. In view of these purposes, the Commission will only consider complaints which have first been reviewed internally by the SPD or SFD. In the case of SPD, such review shall be by investigation conducted by the internal affairs unit of the SPD and reviewed by the Chief of Police. In the case of SFD, the complaint must have been investigated internally according to the department's Professional Standards investigation procedures.

Section 2.

"Definitions" - For the purposes of the review procedure provided for in this chapter, the following definitions shall apply:

- a. "Deadly Force" means that force which creates some specified degree of risk that a reasonable and prudent person would consider likely to cause death or serious physical injury.
- b. "Deadly Weapon" means:
 1. a firearm or anything designed, made or adapted for the purpose of inflicting death or serious physical injury; or

2. anything that in the manner of its use or intended use is capable of causing death or serious physical injury.
- c. "Deadly Force Policy" means the policy adopted by the SPD pursuant to Policy No. 7.13b of the SPD Operations Manual.
- d. "Investigatory File" means a file compiled by the Internal Affairs Unit of the SPD pursuant to an internal investigation, or a file compiled by SFD concerning a citizen complaint involving SFD.

Section 3.

"Complaint Procedure" - Any citizen wishing to file a complaint against any civil service employee of the SPD or SFD must do so in writing and submit it to the secretary of the Civil Service Commission, c/o Springdale City Clerk, 201 North Spring Street, Springdale, Arkansas 72764. The complaint must be filed by the complaining party or the party's legal guardian and shall contain the complaining party's name, address and telephone number. This can be considered after review by the affected department and the final determination relayed to the complaining party in which they do not agree with the findings. In addition, the following procedures will apply to complaints submitted by citizens:

- a. The complaint must be filed within 30 days of the date of the incident about which the citizen is complaining, or within 10 days after final action on a complaint has been taken by the Fire Chief or Police Chief, whichever time is longer.
- b. Receipt of the complaint will be acknowledged in writing by certified mail.
- c. The City Clerk shall maintain a docket book in which all complaints are entered at the time of receipt. The City Clerk shall also notify the Mayor's office of the Complaint. The Mayor shall advise the Commission of the receipt of the complaint within 10 days and verify that it was filed in accordance with this complaint procedure.
- d. The Mayor shall request a copy of the investigatory file compiled by the SPD or SFD within three days of receipt of the complaint, assuming the investigation has been completed. If the investigation is still ongoing, the Chief of SPD, or Chief of SFD shall be advised by the Mayor to provide a copy of the investigatory file to the Mayor and Civil Service Commission within five days from the date the investigation is concluded.

e. If the incident which is the subject of the citizen complaint is still under internal investigation by the SPD or SFD, the citizen shall be notified that the matter is still under internal investigation by the department and upon conclusion, will be provided to the Civil Service Commission.

f. If the incident which is the subject of the citizen complaint is under criminal investigation by the SPD or some other law enforcement agency, or if it is the subject of pending criminal proceedings, consideration of the complaint shall be deferred and the matter shall be classified by the Chairman as pending until such proceedings have reached a final disposition.

g. At the conclusion of any investigation or proceeding which has been deferred as set out above, the complaining party will be notified by certified mail by the Civil Service Commission. If the complaining party wishes to continue to pursue the complaint, the Commission must receive written notice within 10 days.

Section 4.

"Review Procedure" -

- a. Consideration of the citizen complaint will take place at the next scheduled Commission meeting.
- b. The Commission shall notify the complainant, all employees involved and the Chief of Police or Fire Chief, as necessary, of the date of the meeting at which the complaint will be considered. Such notification will be by certified mail at least 10 days prior to the hearing date.
- c. Consideration of a citizen complaint will be initially limited to a review of the investigatory file by the Commission members individually, and a presentation by a member of the SPD or SFD summarizing the contents of the file. If the employee involved in the incident which is the subject of the complaint was not disciplined by the SPD or SFD, the contents of the file will not be made public or released to any person, and the presentation referred to previously will be conducted in executive session. The Commission may meet in executive session to discuss preliminary findings and determine if review of the investigatory files is sufficient for review of the incident. If the Commission determines that further testimony and investigation are required, it shall publicly notify the complainant and all involved employees of the meeting date for further consideration of the complaint. The meeting shall take place within 30 days from the adjournment of the initial meeting.
- d. At the subsequent meeting on the complaint, the Commission shall be empowered to adjourn to executive session with any employee involved in the incident which is the subject of the complaint, as well as the Police Chief

or Fire Chief, as the case may be. If the Commission elects to order further investigation, the statements of other witnesses may be provided in executive session by the Police Chief or Fire Chief, or their designee.

Section 5.

"Findings of Commission" - Upon conclusion of the investigation provided for in this chapter, the Commission shall make one of the following findings with regard to each complaint investigated.

- a. The Police Chief or Fire Chief was correct in not taking any disciplinary action against the employee.
- b. The Police Chief or Fire Chief was correct in taking disciplinary action against the employee and the Commission concurs with the discipline imposed on the employee.
- c. The Police Chief or Fire Chief was correct in taking disciplinary action against the employee, but the Commission disagrees with the discipline imposed on the employee. In the event the Commission so finds, it may impose any disciplinary action which it is otherwise authorized to take under Arkansas state law and its own rules and regulations.
- d. The Commission's findings and conclusions shall be announced publicly at the conclusion of the meeting.

Section 6.

"Appellate Procedures" - The City of Springdale or any employee affected by a decision of the Commission, which results in either the termination of an employee or the reinstatement of an employee after being terminated, shall have the right to appeal the decision to the Washington County Circuit Court. The procedure for appealing the decision shall be the same as the provisions of Ark. Code Ann. Sec. 14-51-308, which govern other appeals of Commission decisions.
