Superintendents Julie Trepá and Tom Ridder, Business Manager/Board Secretary Daniel Mikels, Board Treasurer/Board Secretary Tonya Radil. Also, in attendance was staff and public patrons from both districts, and a couple newspapers.

2. Board Work Session

Patti Schroeder and Shawn Snyder from Iowa Association of School Boards presented on Key Financial Indicators for both districts. Patti and Shawn went into detail on the current situations at each district about enrollment, unspent balance, solvency ratio, tax rate, and shared operations. They shared projections with assumptions that IASB had figured going forward. The last thing covered was the information on the different types of sharing for schools. There is operational sharing which both districts benefit from already, teacher sharing, and student sharing. For students sharing options include partial day sharing, one-way whole grade sharing, and two-way whole grade sharing. Shawn spoke to the finances implicated for each sharing option. A list of schools that partake in one-way and two-way sharing agreements was presented. Patti and Shawn thanked both the districts for inviting them out to share this information.

The power point from this presentation will be posted to both districts' website.

3. Adjournment
