6.0 Discussion Items

- 6.1 Update on the MSUSD Local Control and Accountability Plan Superintendent Emerson reviewed the LCAP goals and progress.
- 6.2 Strawberry Valley Classrooms MSUSD administrators and Strawberry Valley teachers recently met to discuss the future of the program. The group drew the conclusion that the intent of this alternative option program and the intent of Common Core instruction are very similar. They feel incorporating SV students and staff into the regular program for 2016-2017 should be considered. The Board would like to hear what SVS parents have to say and would like to see this topic on next month's agenda as an Action Item.
- 6.3 Superintendent Vacancy effective July 1, 2016 The Board discussed the need to advertise and to determine the configuration for the superintendent vacancy.
- 6.4 School Site Council Survey Trustee Marrone requested this item to be placed on the agenda. A lengthy discussion was held regarding school surveys. Representative from Siskiyou County Office of Education, Amy Barker was present to answer questions and give guidance. She stated that it is appropriate for the LCAP committee to conduct the surveys. Site Council's role is to monitor student achievement. The LCAP process allows all voices to be heard. Nancy Swift and several other MSE Site Council members were present to provide input. Stacia Hardy and Ute Micklos expressed concerns with parent voices not being heard, and the shift in Site Council roles. This year the MSE School Site Council will conduct a joint survey which will include administration and Site Council. Sisson School Site Council will work with Principal Riccomini to determine the best path forward. School Site Councils will

determine how data will be compiled. Both Site Councils will meet and establish a protocol in November 2016.

Board Bylaws

Events Causing a Vacancy

A vacancy on the Governing Board may occur for any of the following events:

- 1. The death of an incumbent (Government Code 1770)
- 2. The adjudication pursuant to a quo warranto proceeding declaring that an incumbent is physically or mentally incapacitated due to disease, illness, or accident and that there is reasonable cause to believe that the incumbent will not be able to perform the duties of his/her office for the remainder of his/her term (Government Code 1770)
- 3. A Board member's resignation (Government Code 1770)

A vacancy resulting from resignation occurs when the written resignation is filed with the County Superintendent of Schools having jurisdiction over the district, except where a deferred effective date is specified in the resignation so filed, in which case the resignation shall become operative on that date. A Board member may not defer the effective date of his/her resignation for more than 60 days after he/she files the resignation with the County Superintendent. Upon being filed with the County Superintendent, a written resignation, whether specifying a deferred effective date or otherwise, shall be irrevocable. (Education Code 5090, 5091)

- 4. A Board member's removal from office, including by recall (Elections Code 11384; Government Code 1770)
- 5. A Board member's ceasing to be a resident of the district (Government Code 1770)

***Note: The following paragraph is for use by districts that have established trustee areas. ***

A vacancy on the Board also occurs when a Board member ceases to inhabit the trustee area which he/she represents on the Board. (58 Ops.Cal.Atty.Gen. 888 (1975))

- 6. A Board member's absence from the state for more than 60 days, except in the following situations: (Government Code 1064, 1770)
- a. Upon district business with the approval of the Board
- b. With the consent of the Board for an additional period not to exceed a total absence of 90 days

***Note: AB 334 (Ch. 54, Statutes of 2011) amended Government Code 1064 to authorize the Governing Board to extend an out-of-state absence for an unlimited duration when the absence is due to illness or other urgent necessity. ***

In the case of illness or other urgent necessity, and upon a proper showing thereof, the time limited for absence from the state may be extended by the Board.

c. For federal military deployment, not to exceed an absence of a total of six months, as a member of the armed forces of the United States or the California National Guard

If the absence of the Board member for this purpose exceeds six months, the Board may approve an additional six-month absence upon a showing that there is a reasonable expectation that the member will return within the second six-month period, and the Board may appoint an interim member to serve in his/her absence. If two or more members of the Board are absent by reason of these circumstances, and those absences result in the inability to establish a quorum at a regular meeting, the Board may immediately appoint one or more interim members as necessary to enable the Board to conduct business and discharge its responsibilities. The term of an interim member appointed in these circumstances shall not extend beyond the return of the absent Board member or beyond the next regularly scheduled election for that office, whichever occurs first.

7. A Board member's ceasing to discharge the duties of his/her office for the period of three consecutive months, except when prevented by illness or when absent from the state with the permission required by law (Government Code 1770)

***Note: Board members forfeit office and, in some cases, are disqualified from holding public office upon conviction of designated crimes as specified in the Constitution and various other state laws. Examples of crimes that result in forfeiture of office include, but are not limited to, convictions for felonies, offenses that involve a violation of official duties, bribery, selling appointments, intoxication in the discharge of official duties, misuse of public funds, conflict of interest violations, and a false claim of receipt of any military decoration or medal. ***

8. A Board member's conviction of a felony or any offense involving a violation

of his/her official duties or conviction of a designated crime resulting in a forfeiture of office (Government Code 1770, 3000-3003)

9. A Board member's refusal or neglect to file his/her required oath within the time prescribed (Government Code 1770)

(cf. 9224 - Oath or Affirmation)

- 10. The decision of a competent tribunal declaring void a Board member's election or appointment (Government Code 1770)
- 11. A Board member's commitment to a hospital or sanitarium as a drug addict, dipsomaniac, inebriate, or stimulant addict by a court of competent jurisdiction, in which case the office shall not be deemed vacant until the order of commitment has become final (Government Code 1770)
- ***Note: Pursuant to Education Code 5090, a vacancy is declared when there has been a "failure to elect," meaning that the County Registrar of Voters has determined that an election will not be held because either no candidate or an insufficient number of candidates have filed to run for a Board seat(s). Education Code 5328 authorizes the Board to make an appointment in such circumstances.
- 12. A "failure to elect" in which no candidate or an insufficient number of candidates have filed to run for a Board seat(s) (Education Code 5090, 5326, 5328)

Timelines for Filling a Vacancy

When a vacancy occurs, the Board shall take the following action, as appropriate:

- 1. When a vacancy occurs within four months of the end of a Board member's term, the Board shall take no action. (Education Code 5093)
- ***Note: Pursuant to Education Code 5091, when a vacancy occurs or when a deferred resignation has been filed four or more months before the end of a Board member's term, the Board shall take action, as specified below. In the event that the Board fails to make a provisional appointment or order an election within 60 days, the County Superintendent of Schools must call an election to fill the vacancy. ***
- 2. When a vacancy occurs longer than four months before the end of a Board member's term, the Board shall, within 60 days of the date of the vacancy or the filing of the member's deferred resignation, either order an election or make a provisional appointment, unless a special election is mandated as described in item #3 below. (Education Code 5091, 5093)

3. When a vacancy occurs from six months to 130 days before a regularly scheduled Board election at which the position is not scheduled to be filled, a special election to fill the position shall be consolidated with the regular election. The person so elected shall take office at the first regularly scheduled Board meeting following the certification of the election and shall serve only until the end of the term of the position which he/she was elected to fill. (Education Code 5093)

Eligibility

***Note: Persons applying or nominated for a Board position must meet the legal qualifications for Board members as detailed in Education Code 35107. Education Code 35107 also provides that a district employee appointed or elected to the Board must resign his/her employment before being sworn in or have his/her employment automatically terminated upon being sworn into office. See BB 9220 - Governing Board Elections. ***

In order to be appointed or elected to fill a vacancy on the Board, a person must meet the eligibility requirements specified in Education Code 35107.

(cf. 9220 - Governing Board Elections)

Provisional Appointments

***Note: The Board is authorized to make a provisional appointment to fill a vacancy pursuant to item #2 in the section above entitled "Timelines for Filling a Vacancy." The law does not specify procedures for making provisional appointments for vacancies caused by reasons other than a failure to elect; however, such procedures must comply with the requirements of the Brown Act (Government Code 54950-54963). Secret ballots are prohibited by Government Code 54953. ***

The Board shall interview the candidates at a public meeting, accept oral or written public input, and select the provisional appointee by a majority vote.

(cf. 9130 - Board Committees)

(cf. 9323.2 - Actions by the Board)

- 2. The full name of the appointee
- 3. The date of appointment
- 4. A statement notifying the voters that unless a petition calling for a special election pursuant to Education Code 5091 is filed in the office of the County Superintendent within 30 days of the provisional appointment, it shall become an effective appointment

The person appointed shall hold office until the next regularly scheduled election for district Board members and shall be afforded all the powers and duties of a Board member upon appointment. (Education Code 5091)

Appointment Due to Failure to Elect

***Note: The following procedure applies when an appointment is being made because of a failure to elect pursuant to Education Code 5090, 5326, and 5328 (item #13 in section entitled "Events Causing a Vacancy" above). ***

When a vacancy occurs because no candidate or an insufficient number of candidates have been nominated (i.e., a failure to elect) and a district election will not be held, the Board shall appoint a qualified person to the office. This appointment shall be made at a meeting prior to the day fixed for the election and the appointee shall be seated at the organizational meeting as if elected at the district election. (Education Code 5328)

(cf. 9100 - Organization)

STANDARD: Projected ratio of total unrestricted salaries and benefits to total unrestricted general fund expenditures for any of the current fiscal year or two subsequent fiscal years has not changed from the historical average ratio from the three prior fiscal years by more than the greater of three percent or the district's required reserves percentage.

It is likely that for many districts the 2014-15 and 2015-16 change from the historical average ratio will exceed the standard because certain revenues that were restricted prior to the LCFF are now unrestricted within the LCFF.

2015-16 Second Interim General Fund School District Criteria and Standards Review

7. CRITERION: Facilities Maintenance

STANDARD: Identify changes that have occurred since budget adoption in the projected contributions for facilities maintenance funding as required pursuant to Education Code Section 17070.75, or in how the district is providing adequately to preserve the functionality of its facilities for their normal life in accordance with Education Code sections 52060(d)(1) and 17002(d)(1).

Determining the District's Compliance with the Contribution Requirement for EC Section 17070.75, as amended by AB 104 (Chapter 13, Statutes of 2015), effective 2015-16 and 2016-17 - Ongoing and Major Maintenance/Restricted Maintenance Account (OMMA/RMA)

NOTE: AB 104 (Chapter 13, Statutes of 2015) requires the district to deposit into the account, for the 2015-16 and 2016-17 fiscal years, a minimum amount that is the lesser of 3% of the total general fund expenditures and other financing uses for that fiscal year or the amount that the district deposited into the account for the 2014-15 fiscal year.

DATA ENTRY: For the Required Minimum Contribution, enter the lesser of 3% of the total general fund expenditures and other financing uses for the current year or the amount that the district deposited into the account for the 2014-15 fiscal year. If EC 17070.75(e)(1) and (e)(2) apply, input 3%. First Interim data that exists will be extracted; otherwise, enter First Interim data into lines 1 and 2. All other data are extracted.

8. CRITERION: Deficit Spending

STANDARD: Unrestricted deficit spending (total unrestricted expenditures and other financing uses is greater than total unrestricted revenues and other financing sources) as a percentage of total unrestricted expenditures and other financing uses, has not exceeded one-third of the district's available reserves¹ as a percentage of total expenditures and other financing uses² in any of the current fiscal year or two subsequent fiscal years.

¹Available reserves are the unrestricted amounts in the Reserve for Economic Uncertainties and the Unassigned/Unappropriated accounts in the General Fund and the Special Reserve Fund for Other Than Capital Outlay Projects. Available reserves will be reduced by any negative ending balances in restricted resources in the General Fund.

²A school district that is the Administrative Unit of a Special Education Local Plan Area (SELPA) may exclude from its expenditures the distribution of funds to its participating members.

S8. Status of Labor Agreements

Analyze the status of employee labor agreements. Identify new labor agreements that have been ratified since first interim projections, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.

Effective Governance

California School Boards Association

Governance - A Definition

School district governance is the act of transforming the needs, wishes and desires of the community into policies that direct the community's schools.

As the governance team fulfills responsibilities in the areas of setting direction, human resources, policies, student learning and achievement, finance, judicial appeals, collective bargaining, and community relations and advocacy, the way in which governance team members perform the governance role is critical.

Whether in the boardroom, out in the community or at home, board members are always trustees for the district. The integrity of the school district's educational program is dependent upon the responsible and professional manner in which each board member, and the board collectively, fulfills governance roles and responsibilities with the superintendent. The demeanor of governance team members sends an important message to the public.

Utilizing effective governance techniques, private citizens, once elected to school boards, work with the superintendent to keep all district efforts focused on student learning. Effective governance tenets encompass the basic characteristics and behaviors that enable governance team members to effectively create a climate for excellence in a school district.

The community elects school board members to set and monitor the direction of the school district, but the district superintendent will translate all efforts into action. It is therefore vital that the board and superintendent have a respectful and productive working relationship based on trust and open communications.

Working as a group, board members and the superintendent leverage the efforts of the professional staff by setting a direction for the district reflective of the community's wishes for its children, by creating a supportive framework for action in the district, by holding the system accountable through mutually agreed upon mechanisms, by providing support to students and staff through behaviors and actions, and by demonstrating community leadership on behalf of children, district schools and public education. When this is done effectively, the chances of a climate for excellence being created in which students thrive increases dramatically.

What We Each Bring to the Team:

Individual members of the Mount Shasta Union Governance Team bring strengths that enhance the team's ability to govern effectively and make decisions in the best interest of the students and the school district.

Working As an Effective Team

California School Boards Association

To effectively focus all district efforts on learning and achievement for all students, a governance team needs to have a unity of purpose, a mutual understanding of roles, positive working relationships and supportive structures and processes. One of the chief ways a governance team can strengthen or maintain its effectiveness is to periodically assess its own performance in these areas.

Unity of Purpose

The foundation of effective governance is the common focus governance team members share that helps them transcend their individual differences to fulfill a greater purpose. Unity of Purpose is the super-ordinate goals, the core values and beliefs governance team members share in common about children, the district and public education.

Roles

Effective teams value and respect their essential roles, reach mutual agreement on the roles of the board and superintendent and strive to operate within them.

Culture

Culture is the positive or negative atmosphere created by the way people in an organization treat each other. Teams have unwritten (implicit) or written (explicit) agreements about how they will behave with each other and with those outside the team. These behavioral ground rules, often called norms, enable teams to build and maintain a positive culture or shift a negative one.

Structure and Process

Effective teams discuss and agree on the formal structures and processes used by the board and superintendent in their functioning as a team (e.g., agenda structure, visiting schools, handling complaints or concerns from the community, bringing up a new idea, handling complex community issues, how boards operate, and how they do business)

Mount Shasta Union Governance Team

Who Are We?

The Mount Shasta Union Governance Team members are leaders who care about our students, the school district and our community. We are people who are committed to public education and understand the role education plays in sustaining our democratic society. We represent the entire community: children, parents, staff, businesses, and all community members. We hold the interest of <u>ALL</u> the children in trust. We have been chosen to provide educational leadership to the district and to see that the mission of the district is achieved. Even though we bring our individual perspectives and experiences to the table, we are committed to developing collective understanding, making informed decisions and operating as a unified team.

What Is Our Purpose?

We are a leadership team, responsible for the realization of the mission of our District while being fiscally responsible with the public monies in our trust. We consider the present and future to maintain our focus on our mission, vision and aims that were developed through inclusive processes. We have the responsibility to do the best job we can for our students within the state and federal requirements, and to see that our students graduate from our schools able to become responsible citizens. We see that the necessary resources are available to our staff to do the work we expect of them. We inspire, engage and inform our staff and community about education issues on behalf of our students, our district, our teachers and public education.

To Whom Are We Responsible?

We are responsible to our children to provide the best possible education in a safe, nurturing, challenging learning environment. We are responsible to district staff to provide necessary resources and a safe, supportive, challenging work environment. We are responsible to parents to provide a free public education for their children in an environment that is physically and emotionally safe for the children and their families, and to provide avenues for their involvement in their children's education. We are responsible to our voters and taxpayers to provide a high quality of education in our schools so the community is perceived as a good place to live, and to use public funds efficiently and effectively. We are responsible to our entire community to keep them informed and help them understand the benefits of our educational system whether or not they have children in our schools. We are responsible to the state and federal government to obey the law, to be informed and to keep other elected officials informed about the effect of legislation on our district, and to advocate on behalf of our children, the teaching profession and our schools. We are responsible to the other members of our team to come to meetings prepared, to be interested and informed, to be committed to our work, and to be respectful and honest in our interactions.

What We Want to Accomplish as a Governance Team

- Improve student achievement.
- Ensure the school is safe, secure, and well maintained.
- Effect long and short term financial stability.

A Discussion of Roles and Responsibilities

California School Boards Association

Effective teams value and respect their essential roles, reach mutual agreement on the roles of the board and superintendent, and strive to operate within them.

There are important distinctions to be made between the board's role and that of the superintendent and staff. Boards and superintendents must team together to ensure a district has effective leadership. Just as board members should govern and not manage a school district, superintendents should not administer a district in isolation from the representatives whom the public has entrusted with the schools. School Board 'trustees' are the representatives of the people, elected to ensure a community's schools educate the community's children in accordance with the wishes of the local community.

Board members have collective, not individual authority. Authority to make decisions is only granted to the board as a whole. The full board gives direction to the superintendent at board meetings. Individual board members do not have the authority to direct the superintendent, unless otherwise agreed to by the board and superintendent.

The role of the school boards is not to run the schools, but to see that the schools are well run. When a board member inadvertently takes over the staff role, he is in essence vacating his board seat and effectively undercutting his ability to govern. He is forfeiting his ability to hold the superintendent responsible for the way the board's policy direction is translated into action by the professional staff.

To The Mount Shasta Union School District Governance Team Effective Governance Means...

- the board collectively setting the direction for the district.
- keeping district efforts focused on student learning.
- creating a climate of excellence by:
 - providing the necessary resources so students and staff can be successful,
 - supporting students and staff through our behaviors and actions,
 - holding the system accountable by establishing clear expectations for students and staff, instituting and consistently following fair evaluation processes, and requiring changes as necessary, and
 - providing community leadership on behalf of students, the district and public education.
- being good stewards of district finances and communicating about the budget and budget processes with the community by:
 - leveraging the funds we have to create a climate of excellence
 - spending this year's money effectively, and
 - budgeting wisely for future years
- the board and superintendent have a respectful, productive working relationship based on trust and open communication.
- the superintendent and staff translate the board's direction into action.
- communicating to the entire community about the role of the board and what "governance" is.
- maintaining open, two-way communication with all stakeholders about district programs, activities, challenges and accomplishments.

What the Board Needs from the Superintendent to be Successful

- Transparency and consistent communication with the Board
- Direction from the Superintendent and news from the State
- The ideas, opinions, and recommendations from the Superintendent
- Honesty with all stakeholders
- All the pros and cons for each item
- Financial expertise
- Best and latest ideas on items affecting the district
- Connectivity to other districts
- Know the role of the Superintendent and the board
- Share Knowledge with the Board about workshops she attends
- Stay networked with other Superintendents

What the Superintendent Needs from the Board to be Successful

- Keep me in the loop
- No surprises
- Clear direction through decisions
- Understand that the Superintendent is growing and learning

The Legacy We Want to Leave

We want to leave a district where:

- There is fiscal stability

- There are budget parameters
- There is a collaborative culture where the interest of the students is paramount
- All the decisions of today will stand the scrutiny of the future
- District campus is safe, secure and clean

Orientation of Prospective Board Members

It was agreed that there would be no formal orientation for prospective board members but that veteran board members would be prepared to answer questions and share information with school board candidates when approached individually.

Key Points to Discuss with Prospective Board Members:

- Board members don't run the district but see that the district is well run.
- The board operates as a "body" when making decisions and then stands behind those decisions as staff carries out the work.
- The board serves all students at all school sites.
- Be prepared to answer questions about:
 - Time commitment
 - Culture of the board as a collaborative, consensus building unit
 - Governance Team Core Values and Beliefs
 - Culture of the district
 - District Mission and Aims
 - Where to get district specific information
- Encourage prospective board members to attend board meetings.
- Inform prospective board members about:
 - the Governance Team Handbook
 - the District Policy Book
 - the District Budget
 - the Brown Act
 - New Board Member Orientation at CSBA Annual Conference
 - Board Bylaws
- FYI: Board members rarely receive kudos.

ISSUE PROTOCOL Handling Complaints in the When approached by a community member with an issue **Community** or concern, board members will listen openly and repeat back, question, or paraphrase to ensure understanding of the issue or concern. The trustee will explain that the district has complaint policies in place and if appropriate, will let the community member know what the complaint policy is and how they may access the process or procedure. The trustee will direct the person back into the system at the appropriate place. Trustees will strive to ensure a community member feels heard and inform them of the next steps. Board members will use judgment in responding, being mindful of their role in judicial review. The trustee will notify the Superintendent of the conversation so that she has the full picture and can follow through as appropriate and/or necessary.

| Handling Complaints of Staff | When approached by a staff member with an issue or concern, board members will listen openly or paraphrase to ensure understanding of the issue or concern. Trustees will remind staff of the complaint process and the role of the individual board members. The school board is likely to become the "court of last resort" in personnel issues, so board members agree to be extremely careful not to become involved in personnel issues. In order to be able to give these situations an impartial hearing, board members must not have been engaged in the situation at an early stage.
