District Wide Announcements

2nd Semester

2nd Semester begins January 9, 2023.

Drop off in front of the Elementary before school

Thanks for using the parking lot when you walk your child up to the school. If you use circle drive, please let your child out of the car and he or she will walk up on their own. This keeps the traffic moving.

School on Martin Luther King Day

There will be school on Monday, January 16th.

NEW School Website Update

We are pleased to announce that a brand new website for our school will go live on Monday, January 9! The Web address will remain the same: www.lomaschools.org.

The new site will host announcements, event calendars, breakfast/lunch menus, a staff directory, and links to other useful sites and files. Please take some time to explore the site and don't hesitate to use the search button to find what you are looking for.

Look for a post on Monday for some tips on how to get the most out of the website!

NEW LoMa App for iPhone and Android

Try out our new Logan-Magnolia app on the Apple App Store or the Google Play Store! Be sure to subscribe to push notifications so you can get updates sent right to you. The app is a convenient place to access the information you need most - calendars, menus, contact information, and more!

Elementary Announcements

Tuesday, January 10 there will be no 3 and 4 year old preschool so those teachers can attend training. The Panther Room is open for those that signed up.

Mark your calendars for Spring Family Night on March 2nd.

Elementary teachers are spending the year studying literacy instruction in preparation for new materials for the fall of 2023. Lynn Killpack from Greenhills AEA presented Thursday afternoon about vocabulary instruction. During our morning session, Leslie Johnsen, Logan-Magnolia's instructional coach, shared strategies to dig deeper into unit planning for math and identifying math practices to target during lessons. This included identifying priority standards in the curriculum and use of math practices in instruction.
