### **Coolman/Jones Fire Update**

As some of you may know, LoMa senior Megan Jones' family (Libby Madsen Coolman and Don Coolman) has been affected by a fire that started in her family's chimney on January 30th. There is extensive fire, smoke, and water damage throughout the entire home. Fortunately no one was injured in the fire! However, the family is still figuring out some of their needs.

There are a couple of ways that Megan and her family could use help in the immediate future:

- 1) Sign up for a meal train <https://mealtrain.com/trains/4rly17>
- 2) Loan the family a dehumidifier and/or fan
- 3) Let the family know about a local contractor to do structural repair ASAP
- 4) **\*\*Stay tuned for a SignUp Genius link for opportunities to help clean up the family's home\*\***

One more item that deserves a HUGE shout out ... there were over a dozen high school students who organized a clean up at Megan's home on Tuesday. The amount of work they got done was astounding, but even more impressive was the student-led leadership, teamwork, and initiative. Now THAT'S #PantherPride. If you can help with any of the items above, contact the family or Bailey Krueger in the high school.
