### **ISASP Testing Information**

At the end of this month, students in grades 3-11 will be taking the 2023 Iowa Statewide Assessment of Student Progress. This standardized test is mandated by the State of Iowa, and our school uses this data to make better-informed curricular decisions as well as to see how we compare among other schools in the state. Additionally, this data will show your child's academic progress and growth in the areas of Math, Reading, and English/Writing. The Science portion of the ISASP is only given to students in grades 5, 8, and 10. Test dates are as follows:

- Tuesday, March 28 (Science - Grades 5, 8, and 10)
- Thursday, March 30 (Language & Writing - Grades 3-11)
- Wednesday, April 5 (Math - Grades 3-11)
- Wednesday, April 12 (Reading - Grades 3-11)

To help your student do their best on testing days, please encourage them to get a good night's sleep the night before, eat a balanced breakfast, and have a positive mindset.

Junior High and High School students should take extra care to be sure their Chromebooks are fully charged each day for testing. Lastly, students with a cell phone or smartwatch will not be able to access these items during testing time.

If you have any questions regarding ISASP testing, please contact Mrs. Kiger ([jkiger@lomaschools.org](mailto:jkiger@lomaschools.org)), Mr. Hedger ([jhedger@lomaschools.org](mailto:jhedger@lomaschools.org)), or Mrs. Thompson ([bthompson@lomaschools.org](mailto:bthompson@lomaschools.org)).
