

## Write SMART Goals

| State an Intention to Engage in Learning | Describe an Area of Focus for the Learning | Include the Rational  | Add the Activity  |
|--|--|---|---|
| I will acquire                           | multiple strategies                        | to improve classroom discipline   | by participating in building level book study   |
| I will investigate                       | interdisciplinary strategies               | to incorporate more between connections between core subjects in my classroom | by participating in sustainable developments distance learning courses on interdisciplinary education |
| I will enhance my abilities in teaching  | special needs students                     | to improve student learning   | by attending ASCD Differentiation Conference  |
| I will enhance my skills                 | in both interpreting and using data        | to appropriately adjust instruction to enhance student learning               | by participating in online training on Value-Added  |

NOT – I'm getting my master's degree

INSTEAD – I am taking graduate coursework in collaborative learning to implement in my classroom and to work toward my master's degree.

NOT – Going to a Value Added Workshop

INSTEAD – I will acquire new ways of approaching and using data through value added, training and follow-up.
