Looking Ahead

Today from 9 am to 11 am the STEAM Center will host a Health and Technology Fair. This student led event is a collaboration of the skills and information learned in the Health Careers and Computer Coding classrooms. The students will be using what they have learned this semester to demonstrate how today's health and technology fields converge. There will be 3D printing, vital sign checks, blood glucose screenings, CPR and First Aid demonstrations, virtual reality, vision screenings, fitness and nutrition information, oral hygiene information and more! If you have an opportunity, come check them out!

Seniors: Don't forget that Baccalaureate is Sunday. You will need to be at Sharon Baptist Church by 2:30 that day wearing your cap and gown. It begins at 3:00. Anyone can attend, no tickets required.

Also Seniors, remember that the Breakfast the day of Graduation is MANDATORY. It is at 9:30 a.m. in the Alumni Building. It is sponsored by BancFirst and will be catered by LaDonna's Grill. Bring your cap and gown because we will head to graduation practice right afterward and we always take that big group picture in our caps and gowns when we get there! Dress nice for the breakfast!

Moment of Silence: As we begin another day, let us pause for a moment of silence to reflect, meditate, pray, or engage in any other silent activity.
