

WILDCAT WEEKLY

March 10, 2023

TECHNOLOGY IN THE CLASSROOM

DATES TO REMEMBER

March 10th-Early Release
March 27th & 29th-Student-led conferences
April 6th-Literacy Night
April 7th-PK Registration
April 11th-Spring Pictures
April 12th & 13th-Kindergarten Registration
April 14th-No school
April 17-21-April Vacation

Winter Weather is Here!

Students at SVES go outside for recess and often for PE as well. Now that colder weather is here, we ask that students come to school prepared with warm outdoor clothing. This includes hats, gloves/mittens, boots, jackets and snow pants on snowy days. It is often helpful for student's names to be written on his/her snow pants and jackets. Many students have clothing that is similar and having it labeled is helpful for located misplaced items.

Technology in the Classroom

Featured above are some of our first grade students. Our technology integrator taught a lesson that engaged students in computer science. Students worked together in pairs to test and make observations about the robot's movements. The students discovered how the sensor on the robot used the colored tiles to create different movement patterns.

MORNING DROP OFF

Morning Drop Off

Thank you so much for your continued efforts to keep our students safe. A quick reminder that our morning drop off time is 7:40AM-8:00AM. There is not adequate supervision for students prior to this time. **We ask that parents please pull up as far as you can when dropping your child off.** This allows parents who arrive after you a spot to pull up. If you are walking a PK student up in the morning, please park in a parking spot. Parking in the drop off lane prevents other cars from pulling forward. Thank you for helping to keep all of our students safe and our morning drop off running smoothly and efficiently.

Read Across America Day!
