AGENDA

The tentative agenda for each board meeting shall state the topics for discussion and action at the board meeting. The agenda is part of the public notice of the board meeting and will be posted and distributed.

Persons requesting to place an item on the agenda must make a request to the superintendent prior to the drafting of the tentative agenda. The person making the request must state the person's name, purpose of the presentation, action desired and pertinent background information. Adding such requests will be at the discretion of the superintendent after consultation with the board president.

The tentative agenda and supporting documents should, if possible, be sent to the board members 3 days prior to the scheduled board meeting. These documents are the private property of the board member. Persons wishing to view the tentative agenda and supporting documents may do so at the principle office of the district.

The board shall take action only on the items listed on the tentative agenda posted with the public notice. All action items need to be on the agenda, but all agenda items do not need to be action items. Items added to the agenda may be discussed or taken under advisement by the board. If an added item is acted upon, the minutes of the board meeting shall state the reason justifying the immediate action. Only items of an emergency nature may be added to the agenda later than twenty-four hours before the scheduled meeting.

It shall be the responsibility of the board president and superintendent to develop the agenda for each board meeting. A list of bills to be paid shall be included in the agenda of each regular Board meeting.

A consent agenda may be presented by the president at the beginning of a meeting and used by the board for noncontroversial business. The consent agenda will consist of routine business that requires action but not necessarily discussion. These items may all be approved at the same time. A board member may ask that any item be removed from the consent agenda. Removed items may be taken up either immediately after the consent agenda or placed later on the agenda at the discretion of the board.
