

Notice for Next School Year Supplies - 2019-2020

Parents and students,

As we begin to plan for the next school year, we would like to take this opportunity to give you the supply list now. If something is marked off of your list, your child has it and it is still usable from this year.

We would like to give you plenty of time to gather supplies over the next several months. Attached is the supply list of everything the students have needed this past year. Please utilize local resources if you need assistance with getting these supplies. For example, the Food Pantry, Rotary, Dollar Tree, garage sales, friends, local churches, and family.

Thank you for all your help and support!
