A Message from the Principal

Dear Families,

State Testing has begun and will be complete by mid-May. A few tips to remember to help our students get through testing:

**Make Sure your child gets a good night’s sleep and eats a healthy breakfast.** Many teachers report that students who don’t do well on tests haven’t gotten enough sleep, and haven’t eaten breakfast on the morning of the test. Doing both of these things will ensure that your child is working at full capacity.

**Remain positive.** Staying calm will help your child stay calm. If he/she gets nervous about the test or is likely to experience anxiety during the test, help them practice some relaxation techniques that they can try once they’re taking the test.

**Test Time.** Before the test begins make sure you have everything you’ll need, scratch paper, extra pencils, your calculator (if allowed).

Thank you and be encouraged—we’re almost done!
