

# GREENWOOD

**SCHOOL DISTRICT NEWSLETTER**

**MAY 2019**

This has been an historic winter! From over 100 inches of snow to four consecutive days with wind chills of 40 degrees or more below zero to sleet, ice and rain, we have seen it all.

Presently, the school district meets the required number of hours of instruction mandated by the Wisconsin Department of Public Instruction. Despite the two days canceled in mid-April, the District will not need to add any additional minutes to the remaining school days or to extend the school year into the second week of June.

How is this possible? There are a couple of reasons for this: our school day is longer than many other districts and we schedule more school days than some districts. The result of this is

**MR. TODD FELHOFER**

DISTRICT ADMINISTRATOR/  
MIDDLE-HIGH SCHOOL PRINCIPAL

that we exceed the minimum number of instructional hours by over 70 hours at the high school and 80 hours at the elementary school.

In addition, the decision to add back the 4.5 days earlier in the year ensured that we would meet the required hours of instruction.

The School District of Greenwood strongly believes in maximizing quality instructional time with our students. While the extreme weather conditions have challenged our ability to maintain consistency this winter, we look forward to a strong finish to the school year. As we move forward, we will continue to put the safety of our students

and staff first while providing quality instructional time.

Even though spring has been slow to arrive, this remains a busy time for students. Please check the District calendar for the many events and activities our students will be participating in during these final weeks of the school year.

As is the case every summer, the district will be addressing many projects in both schools. However, this summer the Elementary School office will be relocated and a more secure entry system will be installed. This project should be completed by the start of classes this fall.

The District will continue to proactively plan for the future and advance our standing as an educational leader among rural public 4K-12 school districts. On behalf of the entire school district, I would like to personally thank all of you for your on-going support. The School District of Greenwood is a great place to live, work and learn!

## 2019 CRYSTAL APPLE AWARDS BANQUET

MACCI's Teachers of Distinction were honored at the Crystal Apple Awards banquet held May 1, 2019, at the Hotel Marshfield in Marshfield. This year Greenwood School District was very proud in recognizing Teacher of Distinction, Ms. Carey Petri, Physical Education Teacher at Greenwood Elementary as well as Mr. Noah Werner, Technology Education Teacher at Greenwood Middle-High School, recipient of the Crystal Apple Award. Shown above are (FRONT L-R): Ms. Carey Petri, Mr. Noah Werner, (BACK): Mr. Todd Felhofer, Mr. Mark Shain, Mr. Jerome Krempasky, and Mr. Joe Green.

# BADGER STATE BOYS & GIRLS PARTICIPANTS ANNOUNCED

## BADGER BOYS' STATE

Badger Boys' State will be held at Ripon College, **June 8-15, 2019**. Approximately 800 young men from every part of Wisconsin will come to Badger Boys' State this year. Upon arrival at the Ripon College campus, young men will be grouped into cities and counties forming a "51<sup>st</sup> State." For eight days, the citizens of the "new state" will carry out all the main functions of city, county, and state government using basic laws and fundamental procedures of the State of Wisconsin as their guide. This program is designed to teach young men that the American form of government is stronger and more vital in today's world of struggle and change than ever before, and the American people have no more precious possession than the great document, the Constitution, which at once safeguards and transmits to posterity those principles of the great American heritage — justice, freedom and democracy under God.

The young men themselves will elect their own municipal, county, and state officials. As aldermen and county supervisors, they will frame, present, and pass their own ordinances and laws, their own police and sheriffs will enforce them. As attorneys, they will prosecute or defend; or as judges, hear cases in their own courts. Through this

**2019 Badger State Girl Representatives from Greenwood High School include (FRONT L-R): Amanda Bogdonovich and Laikyn Johnson. Badger State Boy Representatives from Greenwood High School include (BACK): Treyton Thomas and Quintin Myers.**

program, these future leaders should develop a sense of individual obligation to their community, state and nation.

This year's Badger Boys' State participants from Greenwood High School are juniors:

- **QUINTIN MYERS, son of Kirk & Renee Myers of Greenwood.**
- **TREYTON THOMAS, son of Troy & Brenda Thomas of Greenwood.**

Badger Boys' State is proudly sponsored by the Greenwood and Wisconsin American Legions and the Greenwood Lions Club.

## BADGER STATE GIRLS

**Girls' State** events will be held **June 16-21, 2019**, at UW-Oshkosh and is a very important part of the American Legion Auxiliary's Americanism program. Designed to train future statewomen in the science of government, Wisconsin launched Badger Girls' State in 1941 with 138 citizens participating. The program has grown to over 700 citizens yearly and continues to be a major project of the Department of Wisconsin's American Legion Auxiliary. The purposes of this program are:

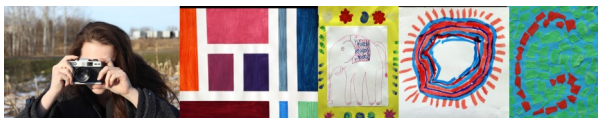

- To develop leadership and pride in American citizens.
- To educate citizens about our system of government.
- To instill a greater understanding of American traditions.
- To stimulate a desire to maintain our democratic government processes.

The entire assemblage will become a fifty-first state and will function according to the laws of the State of Wisconsin. Most of each day at Badger State will be given to the various activities of government. Badger Girls' State is not a recreational or sports program. It is a school of government training for which the girls have been selected by their school and the local unit.

Badger Girls' State participants from Greenwood High School are juniors:

- **AMANDA BOGDONOVICH, daughter of Chad & Jennifer Bogdonovich of Loyal**
- **LAIKYN JOHNSON, daughter of Andrew & Dana Johnson of Greenwood.**

Badger State Girls' is proudly sponsored by the Greenwood and Wisconsin American Legions and the Greenwood Lions Club.

## THANK YOU TO ALL OUR LOCAL & AREA SCHOLARSHIP DONORS & SUPPORTERS!

It seems hard to believe – although it is true – Senior Awards Banquet and Graduation will be here before we know it as another school year comes to a close. This is an opportune time to consider and express gratitude to all our local and area scholarship donors. These individuals, families, groups and organizations provide financial support to our graduating high school seniors as they begin again - commence - the next chapter in their lives: college. On average about 90% of our graduating seniors attend either certificate programs, technical college programs, or university. The other 10% enter an apprenticeship program, military or the workforce. Scholarships help with the high cost associated with college. Scholarship funds and awards at times will be the catalyst a student needs to make the commitment of time and money to a college degree program. College costs continue to increase almost annually although many still believe it is one of the best investments an individual can make.

The scholarship program at Greenwood High School and most other high schools will include the following categories of scholarships: local, area, state and national. Local scholarships are available only to students who attend and graduate from their local school. Some of our local scholarships are provided from individuals, families, clubs, groups, institutions and businesses who have memorial scholarships in the name of their children who graduated from Greenwood High School, families who have been in Greenwood for many years who provide educational scholarships due to tradition and family values, organizations who raise money through fundraisers such as the Fire Department, Chamber of Commerce, Homemakers, Lions, and others. Area scholarships are available to graduating high school seniors who attend and will graduate from a high school in an area; an example would be the Clark County area or the Marshfield area; these scholarships consist of Clark County Community Foundation, Marshfield Area Community Foundation, 4H, American Legion, Banks, Performing Arts groups, Farm Bureau and others. There are some scholarships (available through the state of Wisconsin) which can be found at the HEAB website, and competition is statewide for these scholarships. Some state scholarships are awarded annually

to all schools in the state of Wisconsin: The Kohl Foundation provides competitive scholarships every year to graduating seniors in the state of Wisconsin. National scholarships are available to anyone who wants to look for them and apply; these scholarships are funded through companies and can be found by searching the internet or possibly a company website. At times some national scholarship programs send mailings to Greenwood High School; if that information is received, those scholarships are shared through the scholarship list.

I prepare a scholarship list annually for seniors and their parents. This scholarship list is usually started in October and updated throughout the school year. This scholarship list is posted on the school website and sent by email attachment to all seniors, their advisors, the high school office, and the library when it is first published, usually October of every year, and when updates are made throughout the school year. Copies are distributed in the high school office, library and outside my office throughout the school year as updates are made. Parents of seniors are sent the updated scholarship list through Skyward Message Center.

## THANK YOU!

We appreciate your continued financial support through the scholarships you provide to Greenwood High School seniors. Many of you have attended Senior Award Banquets and Graduations in years past with your own son or daughter and since that time have experienced great loss in the amazing person your graduate from Greenwood High School became. We are truly saddened by your loss and appreciate the opportunity to remember and honor the memory of your loved one.

Last year the GHS 2018 graduating class applied for many scholarships, and in the end, were awarded a total of almost 200K dollars for their efforts. This year again many scholarship awards are coming in to my office for our upcoming banquet. We once again will have the opportunity to spend time with our beloved community members who love and support their school, their students and applaud their graduating high school seniors who are making the choice to further their education at all costs. If any community members would like to discuss the possibility of beginning a scholarship, feel free to contact me at the high school office.

2019 MARSHFIELD ELKS LODGE OUTSTANDING YOUTH ACHIEVEMENT RECIPIENTS from Greenwood High School were (FRONT L-R): Devon Stern, Samantha Street, Zena Thomas, Bryce Walde, Kinsey Kitzhaber, Kiana Abel, Kameron Opelt, Ashtyn Schmitz, Hannah Elmer, and Casey Susa, along with Marshfield Elks Lodge #665 Local MVS Scholarship recipient Trenton Klabon.

## SENIORS RECOGNIZED AT 2019 MARSHFIELD ELKS YOUTH ACHIEVEMENT AWARDS EVENT

### 2019 GREENWOOD HIGH SCHOOL RECIPIENTS

Every spring, the Marshfield Elks Lodge honors the outstanding students from area high schools in ten different categories of achievement. We are extremely proud of their accomplishments during their high school career. The following seniors were selected to represent Greenwood High School at the awards ceremony on Wednesday, May 1st, at the Marshfield High School Auditorium.

# Elementary News & Highlights

**MR. JOE GREEN**  
ELEMENTARY PRINCIPAL /  
DIRECTOR OF TEACHING  
AND LEARNING

The month of May is a busy, yet very rewarding month for our Elementary School. Greenwood Elementary has been recognized as a **Title 1 School of Recognition** by the Wisconsin Department of Public Instruction. We are one of two schools in the state

being recognized as a school that "Beat the Odds" and

also has shown "High Progress!" Beating the odds entails outperforming most other schools of similar size and demographics. High progress means that our students showed excellent growth on our Forward Exam in grades 3-6. By no means is the Forward Exam the only way to measure our growth as a school, but we are definitely proud of the staff and students who have been working hard to accomplish our mission: **Meeting the Needs of Every Student, Everyday.** This success can be attributed to the strength in partnership between school and home. We look forward to continued growth in student achievement and are thankful for the support our school community has for our district.

## 4-YEAR OLD KINDERGARTEN NEWS

MRS. CAMILLE BAEHR

In the 4-Year-Old Kindergarten room we are looking forward to the nice weather outside and the end of the school year. We have been doing several spring activities as well as preparing for our last family day celebration. The students have been practicing several special songs to sing for their parents and will be doing a project and having a snack together. Before the school year is over, we are also looking forward to a field trip to Tender Shoots Greenhouse to learn about different plants and how they grow. We will also be taking a walking field trip to the Greenwood Public Library. To prepare ourselves for kindergarten, we have been practicing fifteen simple sight words as

well as identifying the beginning, middle, and ending sounds of words. The 4K students have had a wonderful school year and can't wait to be kindergarteners next year!

## KINDERGARTEN NEWS

MS. LORI NEHRING AND  
MRS. AMANDA SCHLOUGH

Kindergartners are busy showing all they have learned this school year. They are busy being creative while they write songs and poems. They are proud of themselves for all the different books they are able to read, and are adding and subtracting numbers to 10 fluently!

They were able to learn how to plant trees and each received his/her own tree to plant for Arbor Day. They're looking forward to a few planned field trips. The kindergartners were able to celebrate being active and completed a walking trail card earning them a celebration of extra Phy. Ed. time!

We have had a great year in Kindergarten and are very proud of all of our students!

## 2ND GRADE NEWS

MRS. MARIE ECKDAHL &  
MRS. KEISHA HOLLAND

In second grade we are working hard on math, learning how to add 3 digit numbers. Our final unit will focus on equal parts. We are also finishing up our reading lessons, with just a few more to go. We have just begun writing about reading for our writing workshop and are using cursive more and more. We are excited for the weather to stay warm so we don't need to wear jackets outside for recess!

## 3RD GRADE NEWS

MR. MATTHEW HESSEL

Spring weather need not wait any longer! Students are ready right now with our Bonnie Cabbage Program. Yes, you heard me right, 3<sup>rd</sup> grade is growing cabbages, and hopefully entering into the contest to see who can grow the biggest cabbage before the start of school in the fall. Feel free to ask a 3<sup>rd</sup> grader about it, or even help them, they can win a great prize too. Other than cabbages, we are learning about the wonderful world of area and perimeter in math. While math is still

## 4TH GRADE STUDENTS VISIT STATE CAPITOL

Fourth grade students traveled to Madison to tour our State Capitol building. Fourth grade social studies spends much of the year learning about Wisconsin and its rich history. This field trip allowed students to further their learning about our state, the government, and the history of our capitol. Rep. Jesse James met with students (shown above) and shared his experiences working in government. During their trip to Madison, students were also able to stop and visit the Henry Vilas Zoo!

looking for the missing side length, writing is quickly gliding into informational writing. Students are encouraged to write about something they know well. It's very enlightening to hear what 8 and 9 year-olds know.

On top of all the wonderful things we are learning in the classroom, we are leaving the classroom for life skills training. Students attended the Rural Safety Days at Neillsville fair grounds on May 1<sup>st</sup>, and we plan on visiting Greenwood Public Library on Friday, May 3<sup>rd</sup>. We are also going to the Marshfield YMCA for a Water Wise program on May 8<sup>th</sup>. Please continue to work with your children on math facts, and reading daily. Thank you!

## 4TH GRADE NEWS

MRS. DEANNA JORDAN &  
MRS. KIMBERLY KOLANO

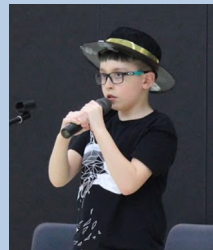

It is hard to believe this school year is coming to the end. Before our Easter break, we finished up with our State Forward Exam in the areas of Social Studies, Writing, Science, and Math.

We have been working very hard in fourth grade. In math, we have completed our unit on fractions and decimals, and have started our unit in geometry, which is our final unit. In reading, we have been extending our reading comprehension skills with a variety of tools anywhere from author's purpose, compare and contrast, to text and graphic features, cause & effect, and theme. In writing, we have been elaborating our stories in literacy essays. Our final area of study is bringing history to life. Those five paragraph essays will come in handy when we write informational books! In science, we have completed adaptation in eco-systems. We have learned that both animals and people impact the environment we live in. In Social Studies, we finished our unit on how Wisconsin became a state, and are digging deeper into Wisconsin's role in the Civil War.

On April 29, the fourth grade took a trip to Madison State Capitol building. We were given a tour of our wonderful capitol by Steve, a retired law enforcement officer. Steve has shown us a variety of things to find in the capital rotunda, fossils in the stone work, the stones themselves which came from different countries, the mural work, and the stories behind each one. He showed us different rooms such as the North Hearing room, Supreme Court (from the outside as it was almost in session), Senate Chamber, and Assembly Chamber. We also had a special visit with Jesse James, our Representative of Assembly District 68. He spoke with us in the Assembly Chambers and then he took us up to the Capitol Observation Deck. We had a fantastic trip!

# GREENWOOD'S GOT TALENT

Just before our Spring Break, Greenwood Elementary Students had the opportunity to participate in a talent show. Students performed various acts which included singing, dancing, hula hooping, martial arts, and playing instruments. I am so proud of the courage shown and the talent displayed by our students. They all did great and we look forward to a bigger and better show next year!

## 5TH GRADE NEWS

MRS. MICHELLE JOHNSON  
MRS. TERA HORVATH

It is hard to believe that this school year is coming to an end! The 5<sup>th</sup> graders continue to be busy working hard. In math, the students are finishing up working with word problems that involve adding, subtracting, multiplying, and dividing whole numbers, fractions, and decimals, as well as using comparison bars for models and equations. They will end the year working with algebraic expressions and the Order of Operations, as well as work with line plots and coordinate planes. In reading and social studies, the students are excited to be starting our biography project, where they will research a famous American from history. They will use this research to write an informational essay, create a display, and dress up as their person to present at the "live wax museum" at school on May 22<sup>nd</sup>! The students are also working on writing literacy essays, where they identify a big idea from a text and support it through reasons and evidences, elaborating on details to further explain their

thinking. We will end the year with a trip to a farm, hosted by our high school FFA. It has been a great year in 5<sup>th</sup> grade!

## 6TH GRADE NEWS

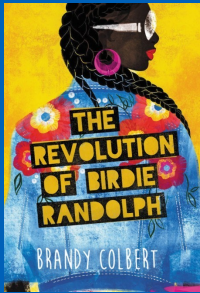

MR. SCOTT MOSELEY

The sixth graders have been very busy finishing up their last year at Greenwood Elementary School. In math class, the students have been discovering how to calculate surface area and volume. In Language Arts, the students have enjoyed reading stories with the theme Taking Charge of Change. These stories have taught the students how to cope with changes in their daily lives. The students have learned from story characters how to deal with friendship issues, adversity that challenges goal completion, and prejudices. In science class, the students have been learning about amphibians and their role in nature. The class has learned to identify frogs by their calls and appearance. The students learned about anatomy by dissecting frogs. In social studies class, the students have been researching Ancient Greece and all of the contributions that empire gave to us.

## BOOK CLUB: The return...

After a lengthy hiatus, the High School Book and Reel Club returned for the 2018-2019 school year! Students meet regularly to discuss and enjoy books and reading. The group participated in a program called "Faculty Lounge" from the publisher Little Brown Young Readers. The publisher sent several sets of books to the club in exchange for their honest reviews. Students enjoyed learning about the publishing process and getting to read these books before they are ever published for the real world! Taking their connection with the publisher a

step further, the club was able to Skype with Brandy Colbert, the author of *The Revolution of Birdie Randolph*, which will be published in May. Ms. Colbert spoke with students about her writing process and inspirations.

# epic!

Looking for something that doesn't require coming in to school or getting sand between the pages? All students in grades 7-12 have access to OverDrive eBooks! Download the Sora app, log in with your school username, and read all summer on your phone or device! Students in lower grades can use the epic! app for awesome reading with the class code **qnt3092**. Both of these options are completely FREE!

## NEWS FROM THE SCHOOL LIBRARIES

K-12 LIBRARY MEDIA TECHNOLOGY  
SPECIALIST | MRS. GREEN

### LMC ASSISTANTS

MIDDLE-HIGH SCHOOL | MRS. PRINDLE  
ELEMENTARY | MRS. LENZ

# SUMMER LIBRARY

Both school libraries will be open a few days throughout the summer for students to check out books! A three-year study by University of Tennessee, Knoxville, faculty members Richard Allington and Anne McGill-Franzen indicates that "...children who do not read in the summer lose two to three months of reading development while kids who do read tend to gain a month of reading proficiency." Not only that, reading is a fun and enjoyable activity that can take place anytime and anywhere!

### TIMES:

9:00-11:00 AM—MIDDLE-HIGH SCHOOL  
12:00-3:00 PM—ELEMENTARY SCHOOL

### DATES:

TUESDAY, AUGUST 6

# GREENWOOD'S NHS SPRING INDUCTION CEREMONY HELD

The Greenwood High School National Honor Society inducted eight new members during the Spring Induction Ceremony on Sunday, April 28, 2019. Sophomores

Georgia Butterbrodt, Jonah Hinker, Austen Humke, Korinna Johnson, Olivia Klabon, Rachel Lindner, Gracie North, and Celine Wuethrich were the newly-inducted members this spring. The Greenwood High School Chapter has been active since 1963. The National Honor Society ranks as one of the oldest and most prestigious national organizations for high school students. Chapters exist in more than 60 percent of the nation's high schools, and since 1921, millions of students have been selected for membership. Millions of dollars in scholarships have been awarded to senior members since 1945 by the sponsoring organization, the National Association of Secondary School Principals (NASSP). National Honor Society strives to recognize the excellent qualities that students display

Greenwood High school students inducted into the National Honor Society during the spring induction ceremony were: (FRONT L-R): Rachel Lindner, Olivia Klabon, Georgia Butterbrodt, Gracie North, (BACK): Korinna Johnson, Austen Humke, Celine Wuethrich and Jonah Hinker. Congratulations on this honor!

in areas of scholarship, service, leadership, and character. The eight new inductees have shown that they are willing to stand up for the right thing even if they are the only ones standing, which shows the quality of leadership. The new inductees' daily

actions portray the morals and qualities that the society deems recognizable. NHS prepares students for leadership and lifelong success. We are very proud to be welcoming eight new members into this prominent organization.

## Cloverbelt Scholars Announced

The Cloverbelt Scholar Banquet was held on Tuesday, April 10, 2019, at Osseo-Fairchild High School. Seniors Kinsey Kitzhaber and Zena Thomas represented Greenwood High School at this event.

**KINSEY KITZHABER** is the daughter of Randy and Tracy Kitzhaber of Greenwood. Kinsey's future plans include attending Chippewa Valley Technical College where she plans to study Diagnostic Medical Sonography.

**ZENA THOMAS** is the daughter of Glen & Jessica Thomas of Willard. Zena's future plans include attending UW-River Falls where she plans to study Horticulture.

*Congratulations to both of you for representing Greenwood High School with such high levels of excellence.*

*Kinsey Kitzhaber*

*Zena Thomas*

# NHS STUDENTS EXPLORE WASHINGTON D.C. & NYC

The Greenwood National Honor Society had the amazing opportunity to travel to our nation's capital – Washington D.C. – as well as New York City. We also had the pleasure of taking this trip with Owen -Wither's National Honor Society. As soon as we landed in Washington D.C., we immediately hopped on our bus and went to the first attraction on our list. We visited a couple of the Smithsonian Museums and later that night we went on an on-foot night tour of the Vietnam War Memorial, the Korean War Memorial, the Lincoln Memorial, and the Martin Luther King Jr. Memorial. During the rest of our stay in D.C., we visited the White House and acquired the information that the Secret Service is always listening, hopefully they do not read this article!

We were also able to visit Mount Vernon which was the home and final resting place of our nation's first president, George Washington. Later that night, we went on a ghost tour of the historical town of Alexandria. We learned many interesting legends about mysterious happens from our tour guide Becky. The next morning we visited Arlington National Cemetery and then headed to the Big Apple!

Our first night in New York City was spent making our way up to the 86<sup>th</sup> floor of the Empire State Building which made for a beautiful view and some tired legs. Following that night, our first morning in New York City we took a ferry to Liberty Island to snap a few pictures of Lady Liberty and then took

**NHS Members attending the trip included (FRONT L-R):** Treyton Thomas, Ashtyn Schmitz, Laikyn Johnson, Amanda Bogdonovich and Hannah Elmer, **(BACK):** Braiden Pedretti, Madelin Raese, Zena Thomas, Samantha Street, Brooke Hinker, Abigail Kirchner, Alexis Oestreich, and Bryce Walde.

the ferry to Ellis Island where we learned about the immigration process and saw where immigrants stayed while going through the immigration process.

Our next stop was the 9/11 Museum and Memorial. All of the students were deeply impacted by learning more about the events of September 11, 2001, and the horrific scars they left on our country. We traveled on the subway to dinner followed by the new Broadway musical "Beautiful: The Carole King Musical." The

next morning we made our way over to Central Park and saw many places in the park where certain scenes from popular movies were filmed. After Central Park, we arrived at Rockefeller Center where we visited St. Patrick's Cathedral and many interesting stores that are not in our area. Once we visited these breathtaking buildings, we hopped on a plane and headed back to good ol' Wisconsin where traffic and mobs of people were minimal. Home sweet home!

## CLOVERBELT SCHOLAR ATHLETES ANNOUNCED

Every year Cloverbelt high schools have been invited to recognize one senior boy and one senior girl for the Cloverbelt Scholar Athlete award. Scholar Athletes must have a 3.0 or higher Cumulative GPA and are nominated by their coaches. The Athletic Director and Principal then determine the representatives. Proudly representing Greenwood High School this year were:

- **Rose Schoenherr**, daughter of Jacqueline Schoenherr of Greenwood and Martin Schoenherr of Minoqua.
- **Cole Zimbauer**, son of Bradley and Sandra Zimbauer of Greenwood.

The 2019 Cloverbelt Scholar Athletes as well as their families and school representatives, were recognized at an awards ceremony held on April 3rd, at Gilman High School.

*Rose Schoenherr*

*Cole Zimbauer*

INVENTION PROJECT**  
JUNE 24-28 ☀ FULL DAY COURSE

Summer School Enrichment will run the weeks of June 10-21 and July 8-19. Summer school during these two sessions will run from 7:45-12:30, and include free breakfast and lunch. Free breakfast and free lunch are available to all district residents under the age of 18. Swimming Lessons, Hunter Safety, and Fitness Training are being planned as part of our summer school program as well!

Greenwood Summer Recreation will begin the week of June 10th.

## NEW THIS YEAR ☀ ATV/ SNOWMOBILE SAFETY COURSE

This will be offered during our July Summer School session. For information on summer school or summer recreation, please contact the elementary office at 715-267-7211.

# Booster Club Thank You...

The 20<sup>th</sup> Annual GHS Booster Club Alumni Tournament was held on Friday, April 5, and Saturday, April 6. We had just over 100 alumni participate in the tournament with many more spectators, visitors and families! The Booster Club would like to thank all of the Booster Club members and other community members that helped out with the tournament this year.

A big thank you to our basketball referees: David Denk, Kent Hinker, Dylan North, Eric Johnson, Joe Green, Brad Helsten, Wayne Fleischmann, and Bill Neville.

Thank you also to our students helpers: Walker Suda, Cole Zimbauer, Rogan Travis, Ryver

Glynn, Jesse Rowe, Avry Wuethrich, Makayla Wolf, Lauren Ingold, Kia Abel, Mesa Rasmussen, Jasmine Wolf, Celine Wuethrich, Olivia Klabon, Maddi Raese, Lexi Oestrich.

Thank you to Denise at Blue Mirror and Laura at Funes for donating prizes for the winners and to the TRG and Clark County Press for publishing the brackets and photos of the winners! Thank you to Main Focus Nutrition for attending the tournament and donating a portion of their sales to Booster Club!

If you haven't already, please follow Booster Club activity on our Facebook Page, "Greenwood Athletic Booster Club."

**FIRST PLACE WINNERS 2012-2013 (BACK L-R):** Josh Harlander, Hayden Hinker, Kole Hinker, Nick Mavis. **(FRONT):** Jeff Rachu, Tyler Johnson, Josh Cook, and Westin Wuethrich.

**NOT SHOWN WERE SECOND PLACE WINNERS 2000 AND OLDER:** David Denk, Chris Schmitz, Shannon Rohde, Lee Volovsek, Riley Denk, Trevor Wuethrich, Rico Rondorf and David Lindner.

**FIRST PLACE WINNERS 1995-1997 (L-R):** Michelle (Horn) Walde, Jana (Rondorf) Knapmiller, Amy Yurkovich, Lindsay (Turnquist) Ourada, Jeni (Smith) Raese and Jenni Mayenschein.

**NOT SHOWN WERE 2ND PLACE 2014-2015:** Kassandra Humke, Paige Lindner, Claire Lindner, Rylie Johnson, Teagan Mayenschein, Morgan Hinker, and Madison Lucas.

## WHO SAID YOU CAN'T HAVE YOUR CAKE AND EAT IT TOO?

Mrs. Jaenke's Meal Management students are shown at left with their beautifully decorated cakes. Voting for the best cake will be difficult as each were unique and beautifully executed!

# 2019 Junior Prom Court

This year's Junior Prom was held on Saturday, April 28th with The Roaring 20's as their theme. Junior Court members (**FRONT (L-R):** Laura Coggins, Colleen Bleick, Miniature Queen Joselin Raese, Miniature King Liam Kuester, Sarah Hoffman, Madelin Raese. (**BACK ROW):** Devin Degenhardt, Ty Tuinstra, 2019 King Jaeger Johnson, 2019 Queen Laikyn Johnson, Hayley Kuester and Quintin Myers.

Shown above are Ryver Glynn and Rogan Travis review information at the Coldwell Banker booth.

## CAREERS CLASS EXPERIENCES A TASTE OF "REALITY"

On March 19th, the 8th Grade Careers Class participated in the 2019 Reality Store at Spencer High School along with several other eighth-grade students from the area. This event was sponsored by the Marshfield Area Chamber of Commerce.

Before the day of the store, students were assigned an occupation with annual income, benefits, a marital status, combined income and children. The first lesson completed in class prior to the event was to calculate their net monthly income. They deduct state and federal taxes, social security and

Shown above are Greenwood 8th grade students (L-R): Kayla Venet, Breanna Schuck, Ashlee Hamm, and Marikate Davidson making selections from the store that fit within their monthly budget.

Medicare, all to realize the difference between gross and net income.

As they enter the store, students arrange for their housing, furnishings, utilities, transportation, childcare, groceries, insurance, and will be required to donate to charity and contribute to their savings account. If income allows, they are allowed to make optional purchases such as computers, motorcycles, pets and vacations.

Several students found life lessons that

occur as adults when they needed to downsize their homes, purchase the vehicles they wanted or gave up other luxuries to make their money balance.

Most of the students left the reality store with an increased awareness of budgeting money and making wise financial choices. Others admitted they will give more thought to their career and education choices.
