

Login to MyHumble at Home

MyHumble

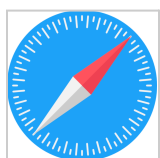

my.humbleisd.net

1. Open a web browser

PC Users

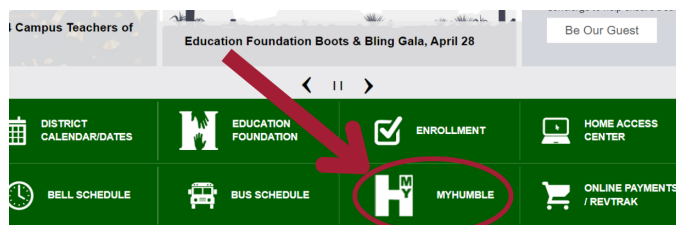

Open a Google Chrome browser, in the address bar type my.humbleisd.net.

Apple/Mac Users

Open a Safari browser, in the address bar type my.humbleisd.net.

Another option would be to go to your school's website and click on the MyHumble link in the quick links bar on the home page.

2. Enter your Username

Student usernames are made up of the first three letters of the first name, the first three letters of the last name, and the last four digits of the student ID. They are all lowercase and there are no spaces:

Example: Sally Smith with student ID #123456

Login = sal + smi + 3456 = salsmi3456

3. Enter your password

- a. Elementary student passwords - please contact your teacher if you do not know your password.
- b. Middle and High School student passwords - you set up your password when you signed on for the first time at school.
 - i. If you have forgotten your password or it is not working and you double-checked you are using Google Chrome (or Safari if on Apple Device), please let a teacher know so it can be reset.
 - ii. Once your password has been reset, enter the temporary password provided by your teacher.
 - iii. You will be prompted to change your password.
 - iv. Click on "[CLICK HERE to change your password](#)"
 - v. Your new password must be 8 characters long.
 - vi. You will type in your new password twice, then click **Next**.
 - vii. If successful, click **Close**.
 - viii. You will be returned to the MyHumble Login screen.
 - ix. Enter your username and the password you just created.
