

Annual Meeting

The annual meeting shall take place between April 1 and April 15 of each year. The date, place, and time of such meeting shall be designated by the Board President. The Clerk shall provide notice to the public and provide copies of the tentative budgets with attachments to component school districts and interested members of the public in accordance with the law.

At the annual meeting, the Board shall present the tentative administrative, capital and program budgets of the BOCES to school board members of component school districts in advance of the vote on the tentative administrative budget and to conduct other BOCES-wide business as announced in the notice of the meeting.
