

### **Public Information Program**

The Board shall provide the public, including component school districts, staff and students with information concerning the BOCES instructional programs, budgetary matters, facility needs, personnel matters and other items of similar importance.

The Board encourages members of the community to attend and participate at public Board meetings. Members of the public wishing to obtain information about the BOCES program should inquire first through a principal or school official, then through the District Superintendent, and finally through the Board.
