SUPPORT Sauvie Island School with a 2023 Auction Sponsorship

When you choose a 2023 Auction sponsorship for your charitable giving, you support a Place-Based educational model that fosters an environment where students, parents, staff, and the community are partners in the educational process for the achievement of all children. Please consider lending your support to Sauvie Island School with a 2023 Auction Sponsorship. Your sponsorship helps guide SIS students' education, giving children tools they need to learn critical thinking, effective communication, academic excellence, and environmental stewardship.

The Sauvie Island School Parent Teacher Club organizes and hosts the annual auction to encourage the wider community to come together in support of Sauvie Island School. Your support is needed now more than ever!

- Provide important Place-Based learning opportunities for students through field trips;
- Support STEAM education with funding for the library and technology;
