

EDUCATIONAL OPTIONS

The North Crawford School District is required to notify parents of the educational options available to children who reside in the school district. This statute also requires notification of the school's accountability report. Currently, the Department of Public Instruction is prohibited from publishing an accountability report for the 2018 – 19 school year. The most current school report card can be found: <https://apps2.dpi.wi.gov/reportcards/>

The following is a current listing of educational options.
