If at the end of the aforementioned sixty (60) working days there is disagreement between the parties on whether or not the plan offers substantially equal coverage, benefits, portability and administration, then the issue will be sent to a mutually selected arbitrator. If the parties are unable to agree on an arbitrator, the American Arbitration Association shall be requested to appoint an arbitrator with expertise in the health insurance field in accordance with its rules and regulations. b. The employee's appropriate supervisor or principal shall notify employees in writing when their personal day requests are approved or not approved.

**ARTICLE VI**

**GRIEVANCE PROCEDURE**

**A. Definition**

A grievance shall mean a complaint by an employee that he/she has been subjected to arbitrary, capricious or discriminatory practice or that his/her rights have been violated under this Agreement or under the implementation of Board Policy based on the application or interpretation of administrative regulation or the directive of the administration, contained in the Policy and Administrative Manual. As used in this Article, the term "employee" shall mean either (1) an individual employee or (2) a group of employees having the same grievance, or (3) the Union.
Section 2 – Procedures

Adjustment of all grievances shall be sought in accordance with the following three-step procedure:

Step 1: A bargaining unit member must submit his/her grievance in writing and such grievance must be received by the immediate supervisor within five (5) workdays of the date when the events giving rise to the grievance occurred. Such submission shall be made to the immediate supervisor for a satisfactory adjustment. The written grievance must indicate the specific nature of the grievance and the contract provision(s) alleged to be violated. Such immediate supervisor may request a meeting with the employee prior to making his/her decision, but in any event must render his/her decision within five (5) workdays of the submission. The employee may be accompanied by a Federation representative if he/she so desires at any such meeting.

Nothing in this provision shall prohibit a bargaining unit member from informally discussing his/her problem with the involved supervisor.

However, the time limits for filing the initial grievance may only be waived or extended by written agreement between the Senior Executive Director of Human Resources (or specified designee) and the Federation President (or designee).

Step 2: If no satisfactory settlement is reached, the grievance may be pursued by the Federation to the Senior Executive Director of Human Resources by providing the Senior Executive Director of Human Resources with a copy of such grievance and, requesting a meeting in writing, within ten (10) workdays of the decision of the Supervisor or within ten workdays after the original filing. The Senior Executive Director of Human Resources or his/her designee will schedule a meeting with the Grievant to attempt to resolve the issues related to the grievance within twenty (20) workdays following the bargaining unit member's filing the grievance with the Senior Executive Director of Human Resources. The Senior Executive Director of Human Resources shall have ten (10) workdays after holding the meeting to issue a written decision. A copy of the decision shall be provided to both the Grievant, if a Grievant was present at the meeting, and the Federation.

Step 3: In the event that the grievance is not settled at Step 1 or Step 2, then the Federation may seek arbitration of the grievance before the American Arbitration Association. The Federation's request for arbitration shall be in writing and must be filed with the American Arbitration Association with a copy to the Senior Executive Director of Human Resources within ten (10) workdays after the receipt of the Senior Executive Director of Human Resources' (or his/her designee's) decision at Step 2 or not
later than ten (10) workdays following the expiration of the time limits for making such a decision, whichever shall occur first. The decision of the AAA arbitrator shall be final and binding upon both parties, provided it is in accordance with the law. The arbitrator shall have no power to add to, delete from, or modify in any way the provisions of this Agreement.

The provision(s) of the Agreement which are involved in the matter must be identified in the submission.

Section 3 – General

1. The parties shall share equally in the general cost of the arbitration, including the arbitrator's fee, but shall be responsible for bearing their own respective costs associated with the arbitration process. If a postponement is necessary for one party, that party must pay the postponement fee. If the parties mutually agree to a postponement, they shall share equally the costs of any such fee.

2. If a grievance is not processed in accordance with the time or procedural requirements, it shall be deemed withdrawn.

3. In the event that the Board's representative does not provide the Federation with a timely response to the grievance following the meeting of the parties or if the meeting is not scheduled within the timelines described above, the Federation, may proceed with the next step of the grievance procedure provided that the Federation, if appropriate, does so within the specific time limits set forth above.

4. Any grievance, as defined in Section 1 above, not presented for disposition through the grievance procedure described under Section 2 above within five (5) workdays of the time when either the Grievant or the Federation knew or reasonably should have known of the conditions giving rise thereto, shall not thereafter be considered a grievance under this Agreement. Failure at any step of this procedure to communicate a decision within the specified time limits shall permit the aggrieved to proceed immediately to the next step. Failure at any step to appeal within the specified time limits shall be considered acceptance by the aggrieved of the decision rendered or an acceptance of a denial, if no decision was rendered, and such decision/denial shall thereafter be binding upon the aggrieved and the Federation. The time limits specified at any step after Step 1 may be extended in any particular instance by agreement between the Senior Executive Director of Human Resources and the Federation.

5. Grievances arising from the action of an official other than the coordinator, supervisor, or principal shall be filed against that official.

6. Only grievances arising out of interpretation of the specific provisions of this Agreement may be pursued to arbitration under to Step 3 of the procedure.

7. No employee may file for arbitration or appeal to the Senior Executive Director of Human Resources under this procedure except with the approval and participation of the
Federation. No employee may file for arbitration as an individual, but only the Federation may file an appeal to arbitration hereunder.

8. Meetings held under this procedure shall be conducted at a time and place, which will afford a fair and reasonable opportunity to attend for all persons proper to be present. Such meetings shall be scheduled to avoid interference with providing services to students. When such meetings are held during the work hours, all persons who participate shall be excused without loss of pay for that purpose. Persons proper to be present for the purposes of this section are defined as the grievant or grievant(s) and their appropriate Federation representatives. Qualified witnesses shall also be permitted to attend meetings, but only for the duration of such witness' testimony. If the Federation finds that the witnesses need to be present for the entirety of an arbitration hearing, and the Board has concerns about releasing the witnesses for that period, the Parties shall agree to hold the hearing outside of the working hours of the involved employees.

9. The Federation will be notified, in advance, of the time and location of grievance meetings held by the Senior Executive Director of Human Resources.

10. The Federation shall have the right to initiate a grievance or appeal from the disposition of a grievance of any bargaining unit member or group of members at any step of this procedure.

11. After the last day of school and prior to the beginning of the next school year, the work "day" shall mean weekdays excluding Board holidays, Saturdays, and Sundays.

**ARTICLE VII**

**SAVINGS CLAUSE**

A. If any provision of this Agreement is, or shall be at any time, contrary to law, then such provision shall not be applicable, performed, or enforced, except to the extent permitted by law, and any substitute action shall be subject to appropriate consultation and negotiation between the parties.

B. In the event that any provision of this Agreement is, or shall be at any time, contrary to law, all other provisions of this Agreement shall continue in effect.

**ARTICLE VIII**

**POLICY AND ADMINISTRATIVE MANUAL**

A. The Board may, during the life of this contract, continue to make unilateral amendments, additions, subtractions, or modifications to Board policies, provided however, that no such amendment, additions, subtractions, and modifications shall override or effectively contradict any specific provisions of this Agreement.

Members must submit any course for reimbursement within three months of receipt of the final grade, or the claim for reimbursement shall be waived. For purposes of this Article, successful completion means, at a minimum, receipt of a B or pass for the completed course work.

2. Members of the bargaining unit may receive reimbursement for C. E. U.'s received in workshops or seminars directly related to their employment. Prior approval must be received in writing, from the administrator in charge of professional improvement. However, if C.E.U.'s are reimbursed, there will be a limit of $6,000 total for the bargaining unit per school year.

B. The Board shall pay the reasonable expenses (including fees, meals, lodging and transportation) incurred by members of the bargaining unit who attend workshops, seminars, conferences, conventions or other professional improvement sessions (such as visiting days) at the request and/or with the advance approval of the supervisor and Superintendent for particular purposes of special benefit to the school system. A written report may be required of any employee attending such sessions. All employees will be given a reasonable opportunity to participate in such programs. Approval shall not be unduly withheld.

C. A Professional Issues Committee shall be established. The composition of the committee shall reflect the composition of the bargaining unit. The President of the Union will appoint the four unit members on the committee. Topics of discussion shall include but not be limited to: in-service offerings, budget issues, equipment and facilities and substitute coverage, pupil load, new programs, etc.

The Senior Executive Director of Human Resources or designee, or the Superintendent of Schools or his designees, shall meet and confer with the Committee at least monthly at the request of the Union. The Union must provide a prepared agenda at least one week prior to the meeting. Each group reserves the right to meet with its respective administrator and to meet separately with the Administrator for Personnel and Labor Relations or designee.
D. Whenever the Administrator in charge of bargaining unit members shall have brought to his/her attention seminars, workshops, conferences, conventions or other professional improvement sessions available to said employee, he/she shall make such opportunities known to all members of this bargaining unit whenever possible. All members shall be given a reasonable opportunity to participate in such programs. Approval shall not be unduly withheld.

E. Members of this bargaining unit will be offered CPR certification. Training expenses, both initial and maintenance will be borne by the Board. Release time will be provided.

**ARTICLE XI**  
**TRANSFER PROCEDURES**

A. Vacancies shall be posted throughout the school system for a period of ten school days.

B. Qualifications for all posted positions shall be limited to the following factors:

   a. Registered dental hygienist, registered nurse, school nurse practitioner, occupational therapist, occupational therapist assistant, physical therapist or physical therapist assistant;
   b. Seniority;
   c. Prior experience;
   d. Professional improvement;
   e. Job Performance

C. Unless all applicants are not qualified as in B. above, the person selected to fill the vacancy will be from the group of applicants.

D. 1. Before an involuntary transfer is made the Board shall ask for volunteers who may wish to transfer to the new or vacant position.

   2. Failing a response by any volunteer, the Board may fill said positions through involuntary transfers.

E. 1. Where possible, involuntary transfers shall not be made without prior knowledge of and discussion with the employee concerned, at which time the employee shall be notified of the reason(s) for the transfer at least two (2) weeks prior to the effective transfer date.
2. If prior notification is not possible, the affected employee may request a meeting to discuss the reasons for the transfer. Said meeting shall be scheduled within ten (10) working days of the employee's request, whenever possible, but in no event later than fifteen (15) working days.

F. When an employee is required to transfer to a State or Federally funded position, his/her status as a regular Board employee shall not be jeopardized.

ARTICLE XII
WORK DAY AND WORK YEAR

A. It is understood that the hours of employment for members of the bargaining unit shall be seven hours and ten minutes. The work day shall be extended on days when faculty meetings or departmental meetings are held.

Notwithstanding any other Article in this contract, the Board reserves the right, on reasonable notice, to change the starting and ending times of the workday for members of the bargaining unit. If the Board lengthens the workday beyond the hours described below, it shall compensate the unit member as described in the impact formula. The Board reserves the right, with thirty days notice, to change the length of the work year for any member. Any days beyond the regular work year shall be paid on a per diem basis. If a member's work year is increased to over 225 days in a given work year (July 1 to June 30), the Union reserves its right to demand to bargain regarding vacation and/or holidays. Nothing herein shall be read to waive any arguments the Board may wish to assert.

IMPACT FORMULA

\[
\text{Increase in minutes} \times \text{annual salary} \times \frac{\# \text{ of days increased}}{\# \text{ of work days}} = \text{pay inc.}
\]

B. Members of the bargaining unit may be required to attend faculty or departmental meetings. The member shall not be required to attend more than two (2) such meetings per month. Said meetings shall not extend more than 60 minutes beyond the normal work day.

C. The work year shall be 187 days for mid-level practitioners. The work year shall be 184 days for all other bargaining unit members. The work year for members of the bargaining unit except mid-level practitioners shall not begin more than two days prior to the opening of the school year for students (excepting new personnel who may be
required to attend additional orientation sessions) and will terminate after 182 days of student attendance.

D. All employees shall have at least a half-hour duty-free lunch period on each normal work day.

E. Mileage Reimbursement: The parties agree that mileage for required travel between schools will be reimbursed at the IRS rate.

ARTICLE XIII
LAYOFFS AND RECALL

A. In the event that registered nurse positions, registered dental hygienist positions, physical therapist positions, occupational therapist positions, dentist positions, mid-level practitioners positions and/or occupational therapist assistant positions must be eliminated from the school program; the determining criteria shall be seniority within the school system. Layoffs shall be effected on the basis of system-wide seniority within each group in the bargaining unit.

B. Layoffs shall be affected on the basis of system-wide seniority among the following groups of employees within the affected unit, i.e. registered nurses or registered dental hygienists, occupational therapists, physical therapists or assistants.

1. Full-time employees

C. Where possible, employees will be transferred to avoid layoff.

D. Employees shall be given notice of layoff no later than two (2) weeks prior to the effective date thereof.

E. Laid-off roster employees with the most seniority shall be rehired first. Employees who are laid off shall remain on the layoff list for two calendar years.

F. No new employee will be hired to fill a position for which there remains a laid off qualified bargaining unit member.

G. Members of the bargaining unit on layoff shall be notified of openings by certified mail sent to their last known address and must respond to the Executive Director of Human Resources within ten (10) working days of the delivery date of the notification of that opening. Failure to respond as provided above will result in removal from the recall list.
To ensure coverage under this provision, employees must keep the Board informed of all address changes. An employee laid off from a full-time position when he/she refuses recall to a part-time position will not forfeit recall.

H. An updated seniority list of the affected unit shall be furnished to the Union prior to the execution of any layoff, upon request.

**ARTICLE XIV**

**PERSONNEL FILE**

Official files for bargaining unit members shall be maintained in accordance with the following procedures:

A. **Limitations on File**

Official bargaining unit member files shall be maintained so that bargaining unit members have a right of access and review of their files. Use of material contained in bargaining unit member files in disciplinary proceedings shall be subject to review under the just cause standard applicable to such proceedings. No anonymous letters or materials shall be placed in a bargaining unit member's personnel file.

B. **Right to Review File**

The bargaining unit member shall, upon request to the Senior Executive Director of Human Resources or his/her designee, be given the opportunity outside the bargaining unit member's workday to review the contents of his/her file.

C. **Right to Reply**

The bargaining unit member has the right to reply to any document with a formal letter addressed to the Superintendent of Schools. This letter will be placed in the file.

D. **Right to Copy Material**

Each bargaining unit member shall receive, upon request, a copy of supervisory records and reports of competence, personal character and efficiency, maintained in his/her personnel file with reference to evaluation of his/her performance. The cost of facsimile copies shall be borne by the Board. The cost of facsimile copies of materials other than those cited above (e.g., transcripts, recommendations other than employment recommendations, commendatory letters from outside, etc.) shall be borne by the bargaining unit member.
ARTICLE XV
ASSUMPTION OF LIABILITY FOR DAMAGE CAUSED BY EMPLOYEES

A. Employees in the bargaining unit shall be protected in accordance with Section 10-235 of the Connecticut General Statutes.

B. Solely for the purpose of informing employees in the bargaining unit, the following language is offered as a paraphrase of the provisions of Section 10-235:

1. The Board shall pay on behalf of any employee all sums which such employee becomes obligated to pay by reason of the liability imposed upon such employee by law for physical damages to person or property if the employee at the time of the occurrence, accident, physical injury or damages complained of, was acting in the performance of his/her duties and within the scope of his/her employment, and if such occurrence, accident, physical injury or damage was not the result of any willful or wanton act of such employee in the discharge of such duty.

This provision is included for informational purposes only and is not subject to the grievance procedure.

ARTICLE XVI
DISCIPLINARY PROCEDURES AND DISCHARGE

A. No employee shall be disciplined or discharged except for just cause.

B. All suspensions and discharges must be stated in writing, with the reason given and a copy must be given to the employee at the time of the suspension or discharge. Simultaneous notification shall be given to the Union.

ARTICLE XVII
SENIORITY

A. Seniority shall be defined as an employee's length of continuous service within the bargaining unit commencing with his/her most recent date of hire.

B. Seniority shall continue to accumulate during all authorized leaves of absence with pay and sick leave.

C. In case of a tie, seniority shall be determined by the last four (4) digits of the employee's social security number. The higher number shall have more seniority.
D. The Union shall notify the Administrator for Personnel/Labor Relations of the names of the Union Executive Board. Members of said Board, but not more than five (5) persons shall be accorded superseniority for the purpose of protecting them from layoff and involuntary transfer.

**ARTICLE XVIII**

**UNION SECURITY**

A. The Board agrees to deduct via payroll dues for all members of the bargaining unit, who provide express written permission to the Senior Executive Director of Human Resources for such fee to be deducted via payroll.

B. The Union shall indemnify and hold the Board and the City harmless against any and all claims, demands, liabilities, lawsuits, counsel fees, or any other costs or actions which may arise out of, or be by reason of, actions taken against the Board and/or the City as a result of the administration of the provisions of this section.

C. **Delegate Release Time**

Four (4) union delegates will be allowed a maximum of five (5) union leave days per delegate per year with pay to attend official union conventions, conferences, workshops or seminars. The Union shall inform the Senior Executive Director of Human Resources annually of the names of the four delegates. This release time may be used for other types of official union business not specified herein and/or other than the four designated delegates subject to advance approval being obtained from the Senior Executive Director of Human Resources.

D. **Exclusive Bulletin Board**

At least one bulletin board shall be reserved at an accessible place in each work location for the cooperative use of the Union in conjunction with the other Federation Chapters for the posting of union notices or announcements.

E. The Board will provide each employee with a copy of this Agreement within an agreed upon time limit after the signing of the Agreement. New employees will be provided with a copy of this Agreement at the time of hire, but not later than 45 days after the date of hire. The cost of reproducing the Agreement shall be equally borne by the parties.
F. There shall be made available to the Union, upon its request, any and all information, statistics and records which the Union may deem to be relevant or necessary for the proper enforcement, implementation or negotiations of the terms of this Agreement, to the extent to which such material is readily available or is reasonably obtainable. Records of employees other than those involved shall not be available without the approval of the individual employee. The furnishing of such data, records, etc., shall be in conformity with both State and Federal regulations.

G. The President of the Union will receive from the Administrator of Personnel/Labor Relations a list of all employees covered under the Union contract stating employee number, name, address, location, assignment, L/A status, appointment date, degree, step, and salary, upon request no more than once per year.

**ARTICLE XIX**

**NO DISCRIMINATION**

A. The Board agrees not to unlawfully discriminate in the application of the terms of this contract against any bargaining unit member on the basis of race, religious creed, color, national origin, ancestry, age, sex, sexual orientation, present or past history of mental disorder, mental retardation, learning disability or physical disability, including, but not limited to, blindness, or marital status.

B. The Union agrees not to unlawfully discriminate in the application of the terms of this contract against any bargaining unit member on the basis of race, religious creed, color, national origin, ancestry, age, sex, sexual orientation, present or past history of mental disorder, mental retardation, learning disability or physical disability, including, but not limited to, blindness, or marital status.

C. The provisions of paragraphs A and B above reflect the parties' understanding of their legal obligations. Any alleged violation of this paragraph shall be subject to resolution procedures established by law and/or Board policy and shall not be subject to the grievance procedure.

**ARTICLE XX**

**LEAVE OF ABSENCE**

A. **Child Bearing**

1. An employee who becomes pregnant shall be entitled to a leave of absence that shall begin when, in the opinion of her doctor, the employee is no longer physically able to work, or upon confinement, whichever comes first. Leave shall expire when, in the opinion of her doctor, the employee is physically able to return to
work. Normally, leave is not expected to continue more than six (6) weeks after delivery. Child-bearing leaves of absence shall be with pay to the extent of the number of unused sick leave days credited to the employee at the commencement of her leave.

2. **Adoptive Leave** - An employee who has firm plans to adopt a child in the immediate future may elect to take a short-term leave with pay for a period not to exceed six (6) consecutive weeks. This leave shall be with pay to the extent of the number of unused sick leave days the employee has accumulated at the beginning of said leave. Only one adoptive leave will be granted per school year.

3. **Child Rearing Leave** - Any employee, other than a first year employee, who is expecting a child, or whose spouse is expecting a child, or who has firm plans to adopt a child in the immediate future, shall be granted upon request a long term leave without pay for child rearing purposes. Such leave shall be for either one-half or one full school year. The request for such leave must be made at least 30 days prior to its commencement whenever possible and must specify whether the leave is for one-half or one full school year.

B. **Professional Leave**
Any bargaining unit member who has had at least two successful years of employment with the Board of Education may request an unpaid leave of absence for the purpose of furthering his/her education. Such leave shall begin at either the start or at the mid-point of the school year and shall end either one-half or one full school year later. Request for such leave must be made at least thirty (30) days prior to its commencement and must specify whether the request is for one-half or one full year.

C. **Personal Hardship**
An employee may request an unpaid leave of absence in cases of extreme personal hardship, such as the serious illness of spouse, parent or legal dependent.

D. **Union Leave**
An employee who is elected or appointed to a full-time or part-time position with the Union (local, state or national) will, upon proper application, be granted a one-year leave of absence without pay, renewable upon request for an additional year, subject to the Board's approval, for the purpose of accepting this position. Said approval will not be unreasonably withheld.

An employee granted such leave of absence shall have available all insurance and other benefits payable by the employee or the Union and shall, during such leave, accrue seniority, salary increments and like benefits as though he/she were in regular service,
including retirement credit to the extent permitted by law. Upon return to service he/she shall be placed on the assignment which he/she left if the leave is for one year and the position has not been eliminated, with such accrued benefits and increments as he/she would have earned had he/she been on active service. If the leave is for more than one year or if the position has been eliminated, he/she may be placed in a comparable position.

E. **Sick Leave.** A medical certificate is required of a bargaining unit member who is absent for more than five consecutive days. A medical certificate may be required of a bargaining unit member whose attendance record exhibits excessive use or a pattern of abuse (e.g. extending a holiday, a weekend, and/or vacation; missing the first/last day of school; etc.). An administrator may require a medical certificate for future absences once excessive use or a pattern of abuse has been noted. The provisions of this section shall not be subject to arbitration.

Any employee on a leave of absence approved by the Board of Education shall be guaranteed the right to return to said employee's former position providing the leave is for not more than one school year.

**ARTICLE XXI**
**GENERAL PROVISIONS**

A. The Board shall continue its practice of posting all official circulars from the Superintendent's office and from the board which are intended for the information of employees.

B. The Board shall continue its practice of sending to the Union a copy of any notice, directive, or bulletin relating to members of the bargaining unit.

C. The Board shall continue its practice of making available to the Union a copy of its agenda of regular Board meetings 24 hours prior to the same. The Union will continue to be notified prior to all special meetings.

D. **Equipment**
The Board agrees to review in the Labor Management forum, the need for equipment necessary to perform assigned tasks. The Board will make every effort to provide such equipment.

E. Upon request, the health supply budget allocation for each school shall be made available by the school principal to each health office.
F. During the life of the Agreement the Board and Union may prepare an Early Retirement Incentive Plan and offer the same to eligible employees in the bargaining unit. Acceptance of such a plan on the part of the employees will be voluntary.

G. The Board shall continue its efforts to provide building security against trespassers.

H. The parties recognize the need to retain and attract quality employees for the school system and that job sharing represents an opportunity to increase the type and flexibility of job offerings available to bargaining unit members. Job sharing may be of assistance to the school system in attracting and retaining quality employees as well as in improving the delivery of health services. This provision shall not be subject to the grievance procedure.

I. Effective July 1, 1992 the Board will either make available or reimburse all bargaining unit members for the cost of the hepatitis vaccine as recommended by the ADA, AMA, and CDC. The above will be provided to employees who can reasonably be anticipated to have occupational exposure to the HBV as provided in Occupational Health and Safety Regulations. The Board will also make available or reimburse registered dental hygienists for the cost of other vaccinations recommended by the A.D.A as appropriate for people at risk.

ARTICLE XXII
DURATION

A. This Agreement shall be in full force and effect from July 1, 2018 until June 30, 2025. Representatives of the Board and the Union agree to commence negotiations for a successor Agreement in accordance with the Municipal Employee Relations Act.

B. In the event that the Board and the Union shall fail to secure a successor agreement, as herein before provided in Article III prior to the termination of this Agreement, this Agreement will remain in force pending the negotiating of a successor agreement.

ARTICLE XXIII
PRIOR PRACTICES

The parties acknowledge that practices may develop from time to time at one or more of the district's facilities. These practices shall not be binding on the parties unless they are expressly incorporated into this agreement and/or unless they emanate from the Human Resource office.
ARTICLE XXIV
NOTIFICATION REGARDING CONVICTION/SUBSTANTIATION

If a bargaining unit member is arrested for sexual assault, child abuse or a violent felony involving the death of a human being, he/she shall immediately notify the Executive Director of Human Resources.

All bargaining unit members understand and agree that they are required to notify the Director of Human Resources in writing immediately if the Department of Children and Families has substantiated abuse or neglect against him/her.

The Administration may require a member to submit to a drug/alcohol test where a concern is raised.

ARTICLE XXV
PERFORMANCE INCENTIVE

The Administration may offer a work bonus to bargaining unit members. The work bonus shall not exceed ten percent (10%) of the base salary. This paragraph shall apply to any member not assigned full-time to a single school.

A member who works 100% in a school that shows significant improvement shall be paid $1,250 after the conclusion of the work year. The measure of improvement shall be through improvement as determined by the Superintendent of Schools, which shall apply to all eligible employees in the district. To be eligible, the member must appear and work a full day in such a school on at least 97% of the work days in the relevant work year.

The School Improvement Bonus shall be in effect for the 2015-2016, 2016-2017 and 2017-2018 school years only, where applicable.

The decision to pay such a bonus shall not be subject to the grievance procedure.

ARTICLE XXVI
NOTICE FOR RESIGNATION/RETIREMENT

If a member chooses to separate service, he/she shall arrange for a satisfactory date of departure with his/her supervisor. Failure to reach a mutually agreeable date or to provide at least thirty (30) calendar days notice when possible shall render that member as an employee who left the district in bad standing. This information may be shared upon employment inquiries. The Superintendent or designee may waive or modify this requirement upon request of the member. Should the member fail to provide such notice, he/she shall be liable for liquidated damages in
the sum of one hundred ($100) per day for each day less than the thirty (30) calendar day requirement, to be deducted from the member’s final salary payment(s).

This contract was the result of negotiations between the parties.

SIDE LETTER
BETWEEN
THE HARTFORD BOARD OF EDUCATION
AND THE HARTFORD FEDERATION OF SCHOOL HEALTH PROFESSIONALS, LOCAL 1018 A/B, AFT, AFL-CIO

The Union and the Board acknowledge the Board's practice to separate an employee from service (self-resign) if the member fails to appear for work without authorization. This practice is long-standing and is not subject to the grievance procedure.

If a member fails to appear for work and does not call in, that day is considered unauthorized and unpaid. If a member fails to appear for work and has not been approved for a leave, he/she may be separated from service as having abandoned his/her position or self-resigned. If a person is running out of leave time or has run out of time, and has not been authorized for any other kind of leave, the Administration sends a notice to the home address listed in the payroll system indicating these facts and requiring that the member return to work by a date certain. If the member fails to appear by such date, the member is self-resigned. Three days without authorization for the first occurrence is the minimum for a self-resignation. A letter is sent to confirm the self-resignation. This process is followed when the member is out of time but legitimately sick or when the person fails to appear but has not been approved for leave. One example of the later is going on a trip for vacation and failing to return for work. In that case, the letter is sent to the home address on record and the confirming letter is sent if the member does not return as directed. Once a person has received a "self-resignation" notice and reappears for work, he/she no longer receives the same minimum of three day grace period if the same occurs in the future. In those cases where notice is given, even one unauthorized day can be treated as a self-resignation.
