Dear Families and Students,

We are in need of kindergarteners! Well, for next year. So far we have 19 students signed up for kindergarten next year. And that is great. And, we know from past experience that several more—usually around 5 or 6—will sign up for kindergarten in August.

One of our long-term concerns as a district is our declining enrollment. As enrollment goes down, so does financial support from the state, and that makes it a little more challenging to support our wonderful educational program at White Pass Elementary. The sooner we can identify future kindergarteners, and get them enrolled, the better it is for our planning and our district.

So if you know of a kiddo who's ready for Kindergarten but isn't enrolled yet, please let their family know to get in touch with us. Miss Christy will happily get them enrolled, and Mrs. Loucks and Mrs. Dunlap will be excited to meet them in August.

Two last quick things: First, thanks to everyone who has turned in their family survey. I'll start adding up the results next week. If you haven't yet, please fill it out and send it back to Miss Christy. Your voice is important! Second, thanks to all the volunteers who are helping out with field trips! Your presence helps our kiddos get out and see their world.

Kind regards,

Nathan Coutsoubos
