

Students will be able to leave directly from their last exam with the signed form (rather than signing out in the office). You will need a signed slip for each day you intend to leave. See Ms. Heike with questions.

Please note:

- *You will NOT be able to leave during an exam period with the slip; you must wait until the end of the exam block.
- *If you have an exam 7th period, you will not be able to leave using this slip as the block goes until the end of the day.
- *Students who done for the day following part 1 of 5th/6th hour finals **must** hand in their forms to their 5th/6th hour teacher to verify they do not need to return for part 2 of the block.
