

# **Burkburnett Independent School District**

## **Overton Ray Elementary**

### **2022-2023 Campus Improvement Plan**

# Mission Statement

*BISD Mission Statement:*

*Burkburnett ISD...*

*An environment of exploration where WE*

*\*Discover the value of learning*

*\*Increase their passion*

*\*Maximize their potential*

*Overton Ray Elementary Motto:*

*Inspiring Every Heart, Every Mind, Every Day*

*Overton Ray Elementary Campus Pledge:*

*I choose to be kind.*

*I choose to be respectful.*

*I choose to care about others.*

*I choose to be patient.*

*I choose to be grateful.*

*I choose to act and react in a positive way.*

*I choose to be my best self every day!*

## Vision

*District Vision:*

*Transforming learning to inspire all students in an ever-changing world.*

## Core Beliefs

**STUDENTS ARE OUR TOP PRIORITY. THEREFORE WE BELIEVE:**

- Formal education is a beginning; a tool to be utilized as students endeavor to pursue their individual passions
- Everyone should be afforded the same educational opportunities dedicated to unlocking their unique purpose and potential
- All students can be inspired to become productive risk-takers and problem-solvers
- In attracting, retaining and empowering professionals who inspire and create passion for lifelong learning in all students
- Education should occur in a safe, secure, and nurturing environment, conducive to learning
- Learning best occurs through effective collaboration among students, parents and guardians, educators and the community as active, engaged participants
- Technology and next generation learning should be embraced and utilized appropriately

- Demographics 5
- Student Learning 9
- School Processes & Programs 15
- Perceptions 16
- Priority Problem Statements 18
- Comprehensive Needs Assessment Data Documentation 19
- Goals 21
- Goal 1: Through improved data analysis and reflective teaching practices, Overton Ray Elementary will see a 10% increase in students that attain "MEETS" and "MASTERS" on assessments. This will include all tested subjects on both MAP and STAAR. 22
- Goal 2: Overton Ray Elementary will increase parent/community communication, involvement, and engagement. The campus will provide opportunities for parents to be a part of student learning in contrast to simply being consumers. 22
- Goal 3: All students will be educated in a safe, healthy, and orderly learning environment as well as being provided social/emotional learning opportunities throughout the school year. 24
- Goal 4: All staff will provide opportunities for students to take responsibility of their own learning and track their own academic progress. 28
- Goal 5: All staff at Overton Ray will utilize high quality instructional material that is aligned to instructional planning calendars and interim/formative assessments. 29
- Goal 6: All staff will utilize effective classroom routines and instructional strategies. 30

# Comprehensive Needs Assessment

## Needs Assessment Overview

### Needs Assessment Overview Summary

Upon completion of the 2021-2022 STAAR testing, Overton Ray was labeled as a campus in need of Targeted Improvement. We use that as valuable feedback as an opportunity to improve in many areas. We are focused on efficiency in the PLC process, improved Tier 1 instruction, improved teaching practices (DARE: dynamic, active, reflective, engaging). We have utilized Lever 4 & 5 from TEA's Effective Schools Framework to create goals to improve in the areas of High-Quality Instructional Materials & Assessments and Effective Instruction.

# Demographics

\*Based on 2020-2021 TAPR Report

## Demographics Strengths

- 95% Attendance Rate
- Free breakfast for all students
- Second language learners are served by certified ESL classroom teachers
- SPED students in 3rd-5th grade receive inclusion and/or resource pull-out services for subjects specified in their IEPs
- ALPS students are served with a pull out program for specific extension instruction. All classroom teachers of ALPS students are GT certified.
- Dyslexia and special education students are served during RTI/WIN time when able to prevent them from missing classroom instruction.

## Problem Statements Identifying Demographics Needs

**Problem Statement 1:** One demographic that we have targeted is our Economically Disadvantaged students. Based on STAAR and MAP scores from the 2021-2022 school year, these students have not performed as well as their peers. These students also appear in many other demographics meaning they "count" in many areas. By targeting this group for improvement, we are also able to improve in other demographics. **Root Cause:** We see the root causes as lack of parent involvement, parent inability to help in content area, lack of resources and support, and non-academic problems such as lack of day-to-day resources (hygiene, utilities, nourishment, etc.)

32% of students scored MEETS on STAAR Science  
12% of students scored MASTERS on STAAR Science

Overton Ray saw GROWTH in ALL tested aread and reached Grade-Level Normas Projected Growth in 4th Grade Math and 5th Grade Science.

### **Problem Statements Identifying Student Learning Needs**

**Problem Statement 1:** According to STAAR and MAP data, only 1/3 of our students are on grade level. **Root Cause:** Instructional practices, intervention strategies, and

instructional rigor that does not match that of ALL assessments.

# School Processes & Programs

## School Processes & Programs Summary

- RTI: Teachers identify student needs and offer small group instruction as well as utilizing reading/math specialists
- Accelerated Instruction: students who were unsuccessful on STAAR Math and/or Reading are offered Accelerated Instruction embedded in the school day or offered after school.
- SPED Inclusion and resource: Students receive services as a part of the gen ed classroom or are pulled for resource time.
- ALPS: students receive instruction and extension as a part of the gifted and talented program.
- Dyslexia: students receive dyslexia service as a part of the regular school day.
- Revised and revamped Teacher Walkthrough Observation process to gather data related to high quality instruction.

## School Processes & Programs Strengths

Students receive instruction and services that are data-driven and tailored to their specific needs.

This is ensured through the PLC/CTM process

Accelerated Instruction is data driven and delivered by highly qualified teachers.

Design Team members provide leadership to CTMs and guide them in data driven instructional planning.

RTI Instruction

Growth has been measured in students, specifically in tier 3. This has been measured through both STAAR and MAP data.

Campus administration has made it their goal to be active in observing teachers through walkthroughs and recording that data on a Google Form.

## Problem Statements Identifying School Processes & Programs Needs

**Problem Statement 1:** There has been a renewed emphasis on the PLC process to ensure all staff is using data to drive instruction. **Root Cause:** Inefficient use of time on things not directly related to student performance.

**Problem Statement 2:** Teachers have not received enough feedback from administration. **Root Cause:** Walkthrough observations have been inconsistent and sharing feedback with teachers has not happened as much as teachers need/require.

# Perceptions

## Perceptions Summary

Overton Ray is a campus that promotes collaboration. Teachers do what is best for kids as they plan instruction. CTMs meet once a week and use data to drive their instruction. Our culture is one that thrives in being kind and celebrating both student and staff success. We are making an effort to be more efficient in the PLC process and ensuring high quality instruction through data-driven processes.

School culture focuses on creating a school family based on the six pillars of character and the beginning stages of Conscious Discipline. Each six weeks, students in grades 3-5 are recognized for excellent character as Ray Rockstars. Overton Ray Elementary has a year long kindness challenge and students and staff are encouraged to write acts of kindness that they witness, a thank you to someone who has been kind to them, or an inspirational quote to promote kindness. Each classroom also has a copy of The Energy Bus for Kids that teachers read and plan lessons for that promote the positive aspect and growth mindset of students. The campus has a heavy focus on student goal setting and celebrations. Each day during announcements students are recognized for achieving academic and character goals. Students are given the opportunity to ring the goal bell and a picture is taken and posted on a bulletin board in the hall by the office. Students are also recognized with Positive Office Referrals.

The school counselor plans and implements monthly guidance lessons with students that focus on kindness, recognizing the difference between being mean, rude, and bullying, other age appropriate social skills, and character building. There are also posters throughout the campus that students and staff refer to in regard to recognizing the difference between being mean, rude, and bullying. Additionally, we have posters throughout the campus that refer to how we can be our BULLDOG BEST in the cafe, hall, and restroom.

Project Based Learning - promotes communication and collaboration among students and staff

Teachers have access to a classroom app that allows them to actively monitor what their students are working on on their iPads.

Campus drills are conducted each month. All doors that provide access to classrooms are secured by badge access.

Students utilize the Rhithm app for social-emotional needs.

Parent ENGAGEMENT has been moved to the forefront as we plan. We want parents to be more than just consumers, actually participating in the learning process.

## Perceptions Strengths

- Free Clothes Closet
- Ray Way Pledge with "I Choose" statements
- Positive Office Referrals for staff and students
- Lunch Buddies - recognition for positive behavior in cafeteria at lunch time (Currently suspended due to COVID-19)
- Shout Outs during morning announcements for academic achievement
- Student Goal Setting and Celebrations (Ex: announcements, picture on bulletin board, positive office referrals, principal treasure box, etc.)
- Implementation of Watch D.O.G.S. program (positive male role models volunteering on campus)
- Empowering teachers in school processes through campus committees.

## Problem Statements Identifying Perceptions Needs

**Problem Statement 1:** Social/Emotional Learning is still a focus for our campus as we continue to support students who show gaps in that area. **Root Cause:** We believe that this is

partially due to the effects of COVID and missed school time. Many of our students were at home for long periods of time and many of them need the structure, support, and routines of school. We also believe home dynamics have changed and the dependence upon technology as well as the availability of questionable content on devices has affected students.

# Priority Problem Statements

# Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

## Improvement Planning Data

- District goals
- Campus goals
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Covid-19 Factors and/or waivers for Assessment, Accountability, ESSA, Missed School Days, Educator Appraisals, etc.
- Planning and decision making committee(s) meeting data
- State and federal planning requirements

## Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations
- Federal Report Card and accountability data
- Community Based Accountability System (CBAS)

## Student Data: Assessments

- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- Local diagnostic reading assessment data
- Local benchmark or common assessments data
- Observation Survey results
- Grades that measure student performance based on the TEKS

## Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia data
- Response to Intervention (RtI) student achievement data

## Student Data: Behavior and Other Indicators

- Class size averages by grade and subject

### **Employee Data**

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- T-TESS data

### **Parent/Community Data**

- Parent engagement rate

### **Support Systems and Other Data**

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Study of best practices

# Goals

Revised/Approved: October 6, 2022

**Goal 1:** Through improved data analysis and reflective teaching practices, Overton Ray Elementary will see a 10% increase in students that attain "MEETS" and "MASTERS" on assessments. This will include all tested subjects on both MAP and STAAR.

**Performance Objective 1:** Teachers will meet once a week in CTMs to use data from CFAs, MAP, and STAAR to drive instruction.

**High Priority**

**Evaluation Data Sources:** CFA, MAP, STAAR, campus data protocol (See it, Name it, Do it)

Strategy 1 Details	Reviews			
<p><b>Strategy 1:</b> Teachers will utilize "See It, Name, It, Do It" protocol following CSA's and MAP testing to utilize assessment data to drive instruction.</p> <p><b>Strategy's Expected Result/Impact:</b> Target specific needs of individual students and student groups. This will allow teachers to better utilize RTI instructional time.</p> <p><b>Staff Responsible for Monitoring:</b> All teaching staff and specialists.</p> <p><b>TEA Priorities:</b>            Improve low-performing schools  <b>- ESF Levers:</b>            Lever 5: Effective Instruction</p>	Formative			Summative
	Oct	Jan	Mar	June
				
<div style="display: flex; justify-content: space-around; align-items: center;"> <span> No Progress</span> <span> Accomplished</span> <span> Continue/Modify</span> <span> Discontinue</span> </div>				

**Goal 2:** Overton Ray Elementary will increase parent/community communication, involvement, and engagement. The campus will provide opportunities for parents to be a part of student learning in contrast to simply being consumers.

**Performance Objective 1:** Overton Ray will host at least 2 parent ENGAGEMENT opportunities during the 22-23 school year. The focus will be to have students as a prt of the learning process and not just present to view student work.

**Evaluation Data Sources:** Parent surveys, sign-in sheets, social media posts/engagements

Strategy 1 Details	Reviews			
<p><b>Strategy 1:</b> Teachers will collaborate to create a reading event in the fall and a math event in the spring.  <b>Strategy's Expected Result/Impact:</b> Promoting parent engagement, not just participation, in both reading and math.  <b>Staff Responsible for Monitoring:</b> Administrations and specialists.</p> <p><b>TEA Priorities:</b>            Build a foundation of reading and math  <b>- ESF Levers:</b>            Lever 3: Positive School Culture</p>	Formative			Summative
