

HALL OF FAME PHILOSOPHY

Bayport - Blue Point School District has proven over the years to be a school that has a rich tradition and long history of success in its athletic programs. The program has always been one that was designed to provide our athletes an environment that focuses on sportsmanship, honesty, loyalty, dedication, teamwork, self-discipline and commitment. Our athletes have consistently met the objectives we have set forth and prospered from the values derived from their participation.

The Bayport - Blue Point High School Athletic Hall of Fame recognizes those individuals who have made outstanding contributions to the athletic programs at Bayport - Blue Point through their participation as athletes, coaches and administrators.
