## DISTRICT WEBSITE

Current information, including Board of Education agendas, is available on the district website. There are links to the individual schools through the district site. These can be accessed at: [www.bbbschools.org](http://www.bbbschools.org).

## INCLEMENT WEATHER

If it becomes necessary to close the schools or delay the opening of school because of inclement weather or an emergency, the following stations will broadcast this information:

News 12 Long Island	Channel 12
District Website:	<a href="http://www.bbbschools.org">www.bbbschools.org</a>
Twitter Announcement:	@BBPSchools

Announcements are broadcast between 5:30 a.m. and 8:00 a.m. School closings or delayed openings are announced. If a closing is not announced, school is in session. You are asked not to call the school during such emergencies, as the school lines are busy with outgoing notification calls.

Parents/guardians should establish procedures with their children that can be implemented whenever a daytime emergency school closing (caused by weather conditions, etc.) or transportation problem (buses not running) occurs at school. Parents/guardians should inform the school about the procedures established with the children.

Apptegy, the district's notification system, will contact employees and parents/guardians of students regarding school closings due to inclement weather. Please email [bbpcommunity@bbbschools.org](mailto:bbpcommunity@bbbschools.org) to be added to the Apptegy system. Also, follow us on Instagram @bayportbluepointsschooldistrict and Facebook @BayportBluePointSD for updates.

## TRANSPORTATION ELIGIBILITY

Transportation is provided for those children in kindergarten through grade five who live more than 1.23 miles and up to 15 miles, grades six through eight who live more than 2 miles and grades 9-12 who live more than 2 miles from the school they attend. Eligible pupils will receive identification cards in the mail.

The application deadline for private and parochial school transportation is April 1, 2024. All applications must be postmarked by April 1, 2024.

## TELEPHONES

When school is in session, the following administrative and school offices can be reached by directly dialing one of the following numbers:

District Office	631-472-7860
Finance Office	631-472-7862
Transportation	631-472-7860

Section 504 provides that “no otherwise qualified handicapped individual shall solely, by reason of his handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity.” The Bayport-Blue Point School District does not discriminate in admission or access to, or treatment or employment in, its programs and activities.

The district official for the coordination of activities relating to compliance with Section 504 is Natalie S. Doyle, Administrator for Pupil Personnel Services, Bayport-Blue Point UFSD, 189 Academy Street, Bayport, New York 11705. ## **COMPLIANCE WITH FEDERAL STATUTES**

Freedom of Information Law – The Bayport-Blue Point Union Free School District adopted on October 22, 1974, guidelines for implementation of Public Officers Law Article 6 providing for the inspection and copying of public records. These guidelines designate district officers, locations for submission of requests, times when records are available, and procedures, including procedures for appeal and fees. In general, the principal of each school is the officer for his/her school, and the Records Retention and Disposition Officer for the finance and district offices. Records are available between 8:15 a.m. and 3 p.m. during regular school hours.

Parents’ Right-to-Know – As per the No Child Left Behind 2001 Parents’ Right-to-Know requirements, parents/guardians have the right to know the qualifications of their child’s classroom teacher(s) and paraprofessional staff. If you wish to receive this information, please address the request, in writing, to the Office of Human Resources.

Title IX Sex Discrimination – The Bayport-Blue Point School District does not discriminate on the basis of sex in the educational programs or activities which it operates, and it is required by Title IX of the Educational Amendments of 1972 not to discriminate in such a manner. This policy of nondiscrimination includes the benefits and counseling services for students, access by students to educational programs, course offerings and student activities. The designated Title IX district official will be responsible for the coordination of activities relating to compliance with Title IX. This official will provide information, including complaint procedures, to any student or employee who feels that his/her rights under Title IX may have been violated by the district or its officials. The district official responsible for the coordination of activities relating to compliance with Title IX is Emily Eckstrum, Executive Director of Human Resource and Pupil Personnel Services. Inquiries concerning this policy may be referred to Mrs. Eckstrum at 631-472-7860, x8050.

## CENSUS

To plan for the District's educational needs, we continually update our census data to identify all children, ages birth to 18, who reside in the District. New residents are asked to call our registration office at 631-472-7860, x5013 to provide us with pertinent family information. We also request that residents inform the District of new births. This information is vital to projecting future programs and determining building needs.

## PARENTS FOR MEGAN'S LAW

To provide parents/guardians and residents with information concerning convicted sex offenders who are living or working in this district, our school district is now benefiting from a no-cost sex offender email alert notification program. Parents for Megan's Law (PFML) will email district residents who have registered to inform them of any new sex offender's presence and direct them to their website where they can access a full copy of the notification. If you have not already registered to receive current or future sex offender notifications, please contact the Parents for Megan's Law Helpline at 631-689-2672 or go to its website at [www.parentsformeganslaw.org](http://www.parentsformeganslaw.org) and click on the "Sex Offender Email Alert Registration Program" link on the home page.

## SCHOOL PESTICIDE NOTIFICATION

To Students, Parents and School Personnel:

New York State Education Law, Section 409H, effective July 1, 2001, requires that all public and nonpublic elementary and secondary schools provide written notification to all persons in a parental relationship, faculty and staff regarding the potential use of pesticides periodically throughout the school year.

The Bayport-Blue Point School District is required to maintain a list of persons in parental relation, faculty and staff who wish to receive 48-hour prior written notification of certain pesticide applications. The following pesticide applications are not subject to prior notification requirements:

- A school remains unoccupied for a continuous 72 hours following an application.
- Antimicrobial products.
- Nonvolatile rodenticides in tamper-resistant bait stations in areas inaccessible to children.
- Nonvolatile insecticidal baits in tamper-resistant bait stations in areas inaccessible to children.
- Silica gel and other nonvolatile ready-to-use pastes, foams or gels in areas inaccessible to children.
- Boric acid and disodium octaborate tetrahydrate.
- The application of EPA-designated biopesticides.
- The application of EPA-designated exempt materials under 40CFR152.25.
- The use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging

and biting insects, including venomous spiders, bees, wasps and hornets.

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list. If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur in your school, please contact the Bayport-Blue Point School District, 189 Academy Street, Bayport, NY 11705, or call Bryan Bortzfeld, Director of Facilities III, at 631-472-7816, each fiscal year if you wish to maintain your status on our contact list.

## ASBESTOS NOTIFICATION

The District's ongoing asbestos program complies with the Federal Asbestos Hazard Emergency Response Act (AHERA). The District is performing its periodic inspections this year of all the buildings and will continue its semiannual surveillance requirements under the regulations of AHERA. Results are included in each building's management plan.

Any individual may review a building's management plan by going to the school's main office. Copies of all the schools' management plans are also available for review at the District Office, 189 Academy Street, Bayport, NY 11705, in the Buildings and Grounds Department.

## POLICY

The District policies are available for review on the district website.

## SEXUAL HARASSMENT

The district is committed to providing an educational and working environment that promotes respect, dignity and equality and that is free from all forms of sexual harassment. To this end, the Board of Education condemns and strictly prohibits all forms of sexual harassment on school grounds, school buses and at all school-sponsored activities, programs and events including those that take place at locations outside the School District. Such harassment may be reported in person, by mail, by telephone, or by electronic mail using the contact information listed for the Title IX Coordinator and/or Compliance Officer, or by any other means that results in the Title IX Coordinator and/or Compliance Officer receiving the person's verbal or written report. Such report may be made at any time (including during non-business hours) by using the telephone number or electronic mail address, or by mail to the office address, listed for the Title IX Coordinator or Compliance Officer. The School District will promptly investigate all complaints of sexual harassment, either formal or informal, verbal or written. To the extent possible, all complaints will be treated in a confidential manner. The Board of Education has adopted a policy, Policy 0110, Sexual Harassment, in regard to this process. This policy is in accordance with legal reference: Education Amendments of 1972, Title IX, 20 U.S.C. §1681 et seq. Title VII of Civil Rights Act (1964), 42 U.S.C. §2000-e; 34 CFR §100 et seq.
