

St. George Municipal School Unit

Anticipated Opening: Educational Technician II or III

St. George School is a community-centered K-8 public school located in picturesque Mid-Coast Maine. We are committed to academic excellence, community engagement, Expeditionary Learning, and teachers working in teams to innovate, educate, and develop as professionals.

We are looking for an Ed Tech II or III starting next school year (2019-20). Along with other duties, this position may provide 1:1 support for K-5 students identified with life skills and/or emotional/behavioral needs. This person will work with students in a variety of settings (classroom, resource room, playground, field trips, etc.) and collaborate closely with classroom teachers, special education teachers, and other service providers to implement students' academic and behavioral programs. ***The position will require daily travel to Warren Community School.*** Job descriptions are available on the [St. George MSU website](#).

Maine DOE Education Technician II or III Certification and Maine Criminal History Records Check required.

This position will remain open until a suitable candidate is found. Individuals interested should complete the St. George Ed Tech Application including a letter of interest and resume. An application can be found at stgeorgemsu.org.

Application are available at stgeorgemsu.org
