

Chelsea High School Continuous School Improvement 2021-2022

Vision: At Chelsea High School, we work to be the model of excellence in education.

Mission: Chelsea High School is committed to emphasizing the values of learning, service, and character to ensure our graduates are prepared to fulfill their goal in ways that benefit them personally, and as members of a productive society.

ELA Critical Initiative: Implement standards based, targeted ELA instruction. ELA Objective: Develop data informed instructional practices that improve tier 1 learning for all students.	
Activity	Benchmark
IXL Diagnostic Snapshot	By 12/16, greater than 75% of 9-11 grade students will have successfully completed the Diagnostic Snapshot. By 5/20, that number will increase to 85%.
IXL Skill Plan Growth	By 12/16, greater than 75% of 9-11 grade students will have completed weekly assignments specifically designated to increase ELA skills targeting their individual needs. By 5/20, that number will increase to 85%.

Math Critical Initiative: Implement standards based, targeted math instruction. Math Objective: Develop data informed instructional practices that improve tier 1 learning for all students.
