

Field Trips, Excursions, and Outdoor Education

Field trips are defined as travel away from school premises, under the supervision of a teacher, with an approved course of study, for the purpose of affording students a direct learning experience not available in the classroom. - B. The staff member shall contact the site to make specific arrangements for the field trip so that the desired activity can be coordinated with the classroom studies.
- C. The staff member shall be responsible for securing additional adult supervision for the trip. Gender of supervisor will be considered.
- D. If private vehicles are used, field trip forms shall be completed which acknowledge the name of the driver of each vehicle to be used. The principal will contact the district office to determine if the district's liability insurance coverage will protect the driver.
- E. The transportation department will be informed two weeks in advance.
- F. Each student participating in a field trip must first return a permission slip signed by his/her parent. Parents shall be informed if private vehicles are to be used for the field trip.
