

CONTRACTS

The district shall contract annually with each applicable staff member. Such contract shall be in conformity with state law and the policies and negotiated agreements of the district. The contract shall be binding on the district and on the staff member and may not be abridged or abrogated during its term by either party except by mutual consent or as may be provided elsewhere in board policy or in negotiated agreements.

The contracts for certificated staff shall be written for a period not to exceed one year. Upon the recommendation of the superintendent contracts for selected classified staff may be in writing and/or for a specific period of time not to exceed one year. Otherwise the employment of classified staff shall be on a month-to-month basis commencing from the first day of work.

Supplemental contracts, which are not subject to the continuing contract statute, shall be issued for services to be rendered in addition to a staff member's normal "full-time" assignment.

A. Certificated Staff Contracts

The district, upon recommendation of the superintendent and approval by a majority of the board of directors, shall offer a certificated staff contract to the applicant so recommended and approved, such contract to state the salary to be paid based upon the applicable salary schedule, the number of days of service, effective date and term of the contract and to include the following statement: "failure to return this contract by June 20th (per collective bargaining agreement) or within ten (10) days of the above-date of issuance shall constitute a resignation or non acceptance of employment or re-employment." The contract shall also include the following statement:

"This contract replaces the prior individual contract for the _____ school year." And when applicable: "This contract shall be subject to the terms and conditions of any collective bargaining agreement between the district and the organization certified or recognized as the negotiating representative for the certificated staff employed by the board. In the event that any of the provisions of this individual staff member contract shall be inconsistent with the provisions of any such collective bargaining agreement, then the terms of the collective bargaining agreement shall prevail.

B. Retire-Rehires and Persons Replacing Certificated Staff on Leave

The district shall issue one-year, non-continuing contracts to persons who have retired from a certificated position in the state of Washington and are returning to employment under the "retire-rehire" provisions of state law. The district shall issue "replacement employee" contracts upon the recommendation of the superintendent and action of the board, to certificated staff who replace certificated staff who have been granted leaves. Such contracts shall be for the duration of the leave only and are not subject to the terms of the Continuing Contract Law. Such contracts shall clearly state the terms and conditions of the contract. These contracts shall include the following rider:

"It is understood and agreed that the staff member is employed pursuant to the provisions of RCW 28A.405. In accordance with the provisions of RCW 28A.405.900, this contract shall expire automatically at the end of the contract terms set forth herein and is not subject to the provisions of RCW 28A.405.210."

C. Adjustments

The district shall provide for the review and adjustment of certificated staff contracts on the basis of information filed with the personnel office by October 15 as per the Collective Bargaining Agreement. The staff member shall provide the personnel office, according to schedule, with the required information, including official college or university transcripts, official records of degrees completed, official records of approval and completion of authorized work for equivalent credits and all other pertinent data for contract adjustment purposes.

D. Supplemental Employment Agreements

The district shall issue separate supplemental employment agreements to certificated staff for service to be rendered in excess of a normal “full-time” assignment or for service to be rendered beyond the scheduled staff day or for service to be performed beyond the scheduled staff year. Supplemental contracts will also be issued for co-curricular activities and special responsibility assignments. The board authorizes the superintendent to contract for special responsibility assignments fewer than one thousand dollars (\$1000.00) without prior board approval. However, these contracts must be reported to the board with expenditures. Separate agreements shall not exceed one year and if not renewed shall not constitute an adverse change in contract status. Salary for services performed under supplemental employment agreements shall be paid according to the current salary schedule for supervision of co-curricular activities or, in the case of extended time assignments, according to the applicable provisions for payment for the services rendered.

E. Consultants

Staff consultant services may be obtained when unique knowledge or technical skills are needed. A description of desired services and an estimate of time and costs shall be submitted to the Superintendent or designee for action. Compensation shall be determined by the Superintendent or designee, but normally may not exceed that paid to a regular staff member with comparable duties. The honorarium paid to a consultant shall be determined by the Superintendent or designee, taking into account cost incurred and benefits derived therefrom. Compensation classification of a consultant on a personal services contract or payroll shall be determined in compliance with the guidelines of the Internal Revenue Service.
