

PROFESSIONAL, CIVIC AND SERVICE ORGANIZATION MEMBERSHIPS

Administrative staff are encouraged to be members of and participate in professional associations which have as their purposes the upgrading of school administration and the continued improvement of education in general.

Administrative staff are encouraged to be active participants in civic and service organizations in the community. The board of directors believes that the district will benefit from the participation of administrative staff in civic and service organizations in the community because of improved reciprocal understanding and communication between community leaders and district staff. This will lead to increased community support for the schools, school programs that are more responsive to the needs of the community and opportunities for cooperative support of school and community programs.

District payment of membership fees for participation in civic and service organizations is limited to those staff approved by the Superintendent.

The District shall pay up to six hundred thirty dollars (\$630.00) for principal's membership dues in a professional organization of their choice, or fees for participation in professional development activities approved by the superintendent.
