Cell Phones and Headphones/Earbuds

CELL PHONES

*Cell phones have become a **huge distraction** for students. In order to avoid disruption of the educational environment and protect students' right of privacy, student use of cell phones or personal communication devices (PCDs) is **restricted to before and after school hours and during a student's assigned lunch period.** Students shall have no expectation of confidentiality with respect to their use of cell phone/PCDs on school premises/property.*

Any cell phone or electronic device visible or in use without appropriate authority during school hours other than identified above will be confiscated. Failure to comply with a request to hand over the cell phone will result in an automatic suspension for insubordination.

If a phone or electronic device is confiscated it will be turned over to the building administration and will be returned to the student's Parent or legal Guardian.

Headphones / Earbuds

Headphones/Earbuds

Students will be required to have headphones/earbuds for educational purposes. In order to avoid disruption of the educational environment or distractions to student learning opportunities, student use of headphones/earbuds is restricted to before and after school hours, during a student's assigned lunch period and when approved by a staff member for educational purposes. Only with a staff members permission or direction can these devices be used at any other time during a school day or during a class period. Any headphone/earbuds devise visible or in use without appropriate authority during school hours will be confiscated. Failure to comply with a request to hand over the device will result in an automatic suspension for insubordination. If a device is confiscated it will be turned over to the principal.

Backpacks and Bags

PURSES/TOTE BAGS

Student safety is a priority and to maintain their safe educational environment, backpacks and duffle bags are not permitted in classrooms.(P.E. Class is an exception) Students are to use their assigned lockers for storage.

Sexting and Social Media

Sexting is sending sexually explicit messages, photos, or video via cell phone, computer, or any digital device.

Sexting includes photos and videos containing nudity or show or simulated sex acts. It also includes text messages that discuss or propose sex acts.

The analysis, which was published in the Journal of the American Medical Association, showed that more than one in four teenagers reported that they'd received a sext, defined by the study as a sexually explicit image, video or message that is sent electronically.

What if the pictured or involved student is under the age of 18?

Attendance Policy

ATTENDANCE PER SEMESTER

Students absent from class for eleven (11) or more days in a semester will be considered truant. Any student absent from class for eleven (11) or more days will automatically receive a letter grade of “F” for the class on their transcript.

Students exceeding the attendance policy will have the opportunity to earn that class credit by taking the final exam and scoring a 70% or higher. If a student receives a 70% or better on the final exam, the student **will** be awarded that credit for graduation through the credit recovery program.

School related absences, court ordered absences, and death in the family absences or absences related to illness or a hospital stay will not count toward the eleven (11) days. Documentation for all situations should be turned into the office and kept in the student’s file. Administration will have the final say on the determination of excused or not for all absences.

Student Life

▶ Getting Involved (2021–2022, 496 students)

- 76% (377 students) participated in an extracurricular activities
 - 95% of those students were academically successful**
- 14% (119 students) chose not to participate in any extracurricular activities.

50% of students (59 students) that were not involved with extracurricular activities struggled in school.

Dundee Community Schools Damaged Device Policy

Parents/Guardians of students who are found liable for intentional or negligent damage to a school-issued device will be responsible for paying for the cost of repair. The fee schedule below provides a breakdown of expected costs to make repairs based on the damage.

If determined by school administration that a student is responsible for the damage to a device, an invoice will be sent home with the student and also mailed home. Payment is due within 30 days of the invoice date. If the invoice is not paid within 30 days, or alternative arrangements are not made with the building principal, students may be restricted from participating in school sponsored activities.

In an effort to avoid interrupting learning, students will be provided with a loaner device for each class during the school day. If a device is needed to engage with learning at home, parents/guardians should contact the building principal.
