PARENT NOTIFICATION

2018/2019

The federal "Every Student Succeeds Act" (ESSA) gives parents the right to know the professional qualifications of the classroom teacher providing instruction to their child. Parents may request the following information:

- *whether the teacher has met Arkansas qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction
- *whether the state waived its qualification and licensing criteria to permit the teacher to teach on an emergency or provisional license
- *the baccalaureate degree major of the teacher, any other graduate certification or degree held and the field of discipline of the certification or degree
- *whether the child is provided services by a teacher's aide or similar paraprofessional and, if so, their qualifications

Parents may obtain the above information, in a timely manner, by presenting a written request to the building principal.
