

## Ag Farm Loss Statement - Reimbursement Request

As a result of the tornado damage at the Ag Farm, a number of personal property items owned by our students/families were lost or damaged. Insurance covers the school's property, however, it does not cover personal property of others. In some cases, individual insurance policies on animals or equipment have been purchased. In some cases, an individual's homeowners insurance policy will cover some losses. However, there are cases where there is no or inadequate insurance coverage. Fortunately, generous donors have provided funds to help our students who suffered losses as a result of the tornado. It is the intent of this fund to assist in replacing the equipment lost from individuals and the chapter. Anyone who wishes to make a claim must fill out the following request form. A committee will review the requests and make a recommendation to the Board of Education. The Board of Education can accept, reject or modify the committee's recommendation. Please utilize this form to outline any personal property lost from the Ag Farm as a result of the tornado. Only complete application/loss affidavit can be accepted. All requests must be submitted to the Administration Office by noon on July 1, 2019.
